NATIONAL DEFENSE AUTHORIZATION  
ACT FOR FISCAL YEAR 2019

SPEECH OF

**HON. PETER A. DeFAZIO**

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, May 22, 2018*

The House in Committee of the Whole House on the state of the Union had under consideration the bill (H.R. 5515) to authorize appropriations for fiscal year 2019 for military activities of the Department of Defense and for military construction, to prescribe military personnel strengths for such fiscal year, and for other purposes:

Mr. DeFAZIO. Mr. Chair, I will vote against H.R. 5515, the National Defense Authorization Act for Fiscal Year (FY) 2019.

The legislation includes several provisions that I strongly support, including giving servicemen and women a well-deserved raise of 2.6 percent. Those who serve in uniform have made extraordinary sacrifices for our country and have earned and deserve a pay raise. It also includes funding for Ukraine and Eastern Europe security initiatives to counter Russia's heightened military provocations and annexation of Crimea.

Despite these important initiatives, I have strong concerns with H.R. 5515. This legislation authorizes more than \$708 billion, including \$69 billion to the Overseas Contingency Operations (OCO) fund, an account which is not counted in the budget and is not paid for. It adds to the deficit and is used as a slush fund by the Pentagon.

Unlike every other federal agency, the Department of Defense (DOD) has yet to complete a financial audit; taxpayers deserve to know how the biggest bureaucracy in the federal government spends their money. In fact, a shocking report released in December 2016 exposed \$125 billion in waste that the Pentagon tried to hide from the public.

I refuse to support increased bureaucratic waste at the expense of American taxpayers

and our men and women in uniform. A more accountable and transparent department would ensure taxpayer dollars are directed towards the needs of our troops and the benefits they deserve, rather than buying unnecessary weapon systems and giving the president a blank check to fund wars Congress hasn't authorized.

I have always advocated for maintaining Congress's constitutionally-continued prerogative to declare war under the War Powers Act and limiting the President's authority to engage in armed conflict without the consent of Congress. I strongly oppose the NDAA's continued authorization of spending for wars that are not congressionally approved. The Pentagon uses the 2001 Authorization of Use of Military Force (AUMF) to continue to justify the 17 years our troops have been fighting in the Middle East. President Trump has already sent troops to Syria, Yemen and elsewhere without seeking a new AUMF, a violation of the War Powers Act.

Additionally, the bill prohibits the closing of Guantanamo Bay, which costs more than \$100 million each year to house 41 prisoners and has been used as a top recruiting tool by terrorists. The prison at Guantanamo Bay has been a black eye for the United States, has eroded relationships with our allies, undermined U.S. missions abroad, and put U.S. citizens and our troops at risk of retaliation.

Congress can make responsible cuts to our defense budget without jeopardizing the safety of our troops or undermining our national security. Fiscal responsibility and accountability at the Pentagon would allow for funds to be better spent supporting the basic needs of our troops, meeting our obligations to veterans of past wars, and ensuring our true defense needs are prioritized.

HONORING MRS. EVELYN HICKS

**HON. ROBERT B. ADERHOLT**

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, May 24, 2018*

Mr. ADERHOLT. Mr. Speaker, today I would like to honor Mrs. Evelyn Hicks of Winston County, Alabama. Mrs. Hicks is retiring from managing her local school cafeteria at Lynn School in Lynn, Alabama which is located in the Fourth Congressional District that I represent. I am honored to recognize Mrs. Hicks for her dedication to ensuring our children have nutritious and edible food. It should also be noted that she was honored on May 23, 2018 at Lynn School with a reception for her many years of service.

Mrs. Evelyn Hicks was born in my home county of Winston to Truman and Alice Baughn. She is a graduate of Lynn School and has been a member of Concord Missionary Baptist Church for 57 years. She has been married to Roy Hicks for 52 years. They have two daughters and four grandchildren. Mrs. Hicks also served on the Winston County Board of Education from 2000 to 2004.

Mrs. Hicks also played a major role in providing my office with "on the ground" feedback into how school lunch restrictions were having a negative effect on her job of feeding children. Because of Mrs. Hicks's assistance, we have been able to roll back many of the harmful restrictions and provide solutions that give
