IN CELEBRATION OF MR. BOB  
HENDERSON

**HON. LINDA T. SÁNCHEZ**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Friday, June 1, 2018*

Ms. SÁNCHEZ. Mr. Speaker, I rise today to celebrate the lifelong service and success of Bob Henderson, a leader and resident of Whittier, California in my Congressional District. Mr. Henderson is leaving the Whittier City Council after 36 years of service and it is my pleasure to recognize his many accomplishments.

Bob is an outstanding public servant and has dedicated his life to improve and protect the city of Whittier. Mr. Henderson has demonstrated his passion through his various leadership roles over his many years of service which include: serving as an active city council member, mayor pro tempore, and serving as city mayor.

In addition, Mr. Henderson's commitment to environmental conservation inspired him to become a leading advocate for wildlife. He made it a priority to protect the environment and used his love for the beautiful City of Whittier to motivate others to join him. Mr. Henderson also served as Chairman of the Puente Hills Landfill Native Habitat Preservation Authority and Chairman of the Wildlife Conservation Authority where he had a tremendous impact. While he had countless accomplishments in these roles, I'd like to highlight a couple. He spearheaded the effort to pass the Hillside Preservation Ordinance which led to the preservation of over 1,000 acres of land. Bob was instrumental in the founding the Hillside Open Space Education Committee which has been largely responsible for protecting local wildlife from harm.

Mr. Henderson was also instrumental in numerous community projects that have enhanced the lives of so many, such as the new YMCA, Pico State Park renovation, and the Shannon Center for Performing Arts at Whittier College. It is in that spirit that, on behalf of all the families' and communities who have benefitted from his service, I wish to honor and thank Bob Henderson.

IN RECOGNITION OF MR. HUGH  
ZIMMER

**HON. EMANUEL CLEAVER**

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

*Friday, June 1, 2018*

Mr. CLEAVER. Mr. Speaker, I proudly rise today to recognize one of my constituents from the Fifth District of Missouri, Hugh Zimmer. Early in Hugh's adolescence he was introduced to real estate and all its glory by his father and grandfather, both of whom worked at the North Kansas City development company. In 1948, Hugh's father made the decision to resign from his position at the North Kansas City development company and begin his own business, which is now known as Zimmer Real Estate Services. Five years later, in 1953, Hugh returned from his service with the United States Air Force and went to work for his father; who, in 1957, passed away. Despite the death of Hugh's father, the Zimmer family kept the business afloat and nurtured it into the prosperous business that it is known as today. The legacy Hugh has built within the last 65 years is but a reflection of his noble character.

Zimmer Real Estate Services has played an important role in many of the area's economic development organizations, spearheaded by Hugh Zimmer. As an individual who strives to uphold the highest level of integrity and moral values, Hugh follows through with projects that promote and ensure positive community infrastructure and development. Through this he confirms his personal beliefs, while bolstering prosperity and growth of the community. Aside from his real estate contributions, Hugh takes an active role in numerous social and civic organizations.

Hugh has served on the boards of directors and executive committees in numerous communities, as well as civic and professional organizations. In 1998, the governing body of Lenexa, Kansas made him an honorary citizen in recognition of his contributions to the area's growth and development. He is a past Chairman of the University of Missouri-Kansas City Trustees and is currently Chairman of the University of Missouri-Kansas City Chancellor's Institute for Urban Education National Advisory Board. Hugh also served as an Advisory Director of Commerce Bank of Kansas City, and a Trustee of Midwest Research Institute. In addition to the many roles he plays in the community and as a business owner, he also maintains a healthy and growing family.

The Zimmer Real Estate Services is a family owned business that is run by and employs Hugh, his brother Bill, his son David, and his daughter Ellen. Soon they will have two other Zimmers working for the company as interns, thus, the likelihood of a fifth generation of Zimmers in real estate is very promising. Hugh has stated that, "running a family-owned business, like the market, has its ups and downs." However, being the optimistic man that he is, Hugh focuses on the benefits and good that result from owning a family run company. Two of their most noteworthy accomplishments, as a family, include serving as presidents in different terms in the local real estate board and the Society of Industrial and Office REALTORS (SIOR). Hugh, Bill and David all served as President of the local real estate board at one point or another; and Hugh and David

served as President for the SIOR, a rare feat for a father and son. Hugh has been an authentic and constant leader in his company, the community, and his family. Mr. Speaker, please join me and all of Missouri's Fifth Congressional District as we wish Hugh Zimmer well in all his future endeavors while continuing to recognize all that he has accomplished.

IN MEMORY OF THE LIFE OF  
REVEREND JOE C. JOHNSON

**HON. ALCEE L. HASTINGS**

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Friday, June 1, 2018*

Mr. HASTINGS. Mr. Speaker, 2 Timothy 4:7-8 says, "I have fought the good fight, I have finished the race, I have kept the faith. Now there is in store for me the crown of righteousness, which the Lord, the righteous Judge, will award to me on that day—and not only to me, but also to all who have longed for his appearing." Reverend Joe C. Johnson, senior pastor of Ebenezer Missionary Baptist Church in Hallandale Beach, Florida, finished the race with his passing on May 25, 2018. He will certainly be missed by his loved ones and those of us honored enough to call him a friend.

I had the pleasure of witnessing the profound impact that Reverend Johnson had throughout his four decades as pastor to one of the oldest churches in Broward County. His ministry was a cornerstone of a rich and vibrant faith community. Reverend Johnson bridged the gap between Hallandale Beach and Ebenezer Missionary Baptist Church by hosting community events at the church. These events were so meaningful for his flock, and the larger community, that they were recognized for special commemoration on the occasion of Ebenezer Missionary Baptist Church's 101st Anniversary.

Mr. Speaker, Reverend Johnson was a pillar of the community he loved, and his ultimate goal was helping people in all areas of their lives. He not only served as a leader to the members of his church, but as a counselor to local politicians, judges, and anyone who had the honor of knowing him. He also served as a chaplain for the Hallandale Beach Fire Department. Along with his extensive community engagement, Reverend Johnson sat on the board for the Hallandale Ministerial Association; the Florida East Coast Baptist Association; and Vision to Victory Human Services Corporation.

Though no words can ease our sorrow, I offer my deepest sympathy to Reverend Johnson's wife, Emma Inez, his three children, four grandchildren, and countless friends who were impacted by the magnitude of his ministry. The legacy of Reverend Johnson will continue to live on throughout the countless individuals who were impacted by his calling to serve.

Mr. Speaker, Reverend Joe C. Johnson is deserving of honor for his service to Ebenezer Missionary Baptist Church, and his dedication to the mentoring, and personal development of leaders within the greater Hallandale Beach area and Broward County. His service and commitment exemplify the positive contribution an individual can make to their profession and community. Reverend Johnson was a very

dear friend. Words cannot express how much he will be missed.

HONORING GEORGE MACLEOD

**HON. MIKE THOMPSON**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Friday, June 1, 2018*

Mr. THOMPSON of California. Mr. Speaker, I rise today to honor George MacLeod and remember his rich and full life. Mr. MacLeod leaves behind a legacy of successful winemaking and a passion for the industry and our community.

In his early career, Mr. MacLeod was a geophysical engineer, working in the electronics industry at Fisher Research Laboratories and Knapic Electronics in Silicon Valley. He then worked on the development of Light-Emitting Diode (LED) technologies at Monsanto.

In 1974, Mr. MacLeod and his wife, Greta Fisher MacLeod, bought their ranch, 50 rugged acres above Kenwood, California, which was called Indian Springs Ranch. Mr. MacLeod dove headfirst in grape growing and winemaking and did so with fervor. He took courses at Santa Rosa Junior College and the University of California, Davis and contacted grape growers in the Sonoma Valley to learn as much as possible about the industry and the process.

Mr. MacLeod liked to joke about his inexperience with farming and grape growing. He compensated for his newness to the profession with talent, drive and perseverance. The vineyard's first Sauvignon Blanc harvest won a gold medal and Mr. MacLeod loved to tell that story.

Mr. MacLeod cherished the winemakers of the Sonoma Valley. He helped write the constitution for the Sonoma Valley Vintners and Growers Alliance and was its first president. In 2015, Mr. MacLeod was inducted into their Hall of Fame, the first person to receive this honor. Mr. MacLeod stayed involved with our community as the author of the Journey to Harvest column in the Kenwood Press. He also published a memoir, family history books and wrote a book on terroir and how it affects the flavor of wine.

Mr. Speaker, George MacLeod was always willing to lend a hand and help our community flourish. He was a devoted husband and dedicated father and an example of how to live life with integrity and generosity. It is therefore fitting and proper that we honor him here today.

CONGRATULATING FARNEY'S HOME AND BUILDING CENTER ON ITS 60TH ANNIVERSARY

**HON. ELISE M. STEFANIK**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Friday, June 1, 2018*

Ms. STEFANIK. Mr. Speaker, I rise today to honor and recognize Farney's Home and Building Center on its 60th anniversary.

Gladyce and Vincent Farney established Farney's Home and Building Center in 1958, and the business has played an essential role in providing home tools and appliances to the community since. The Farneys built their business from the ground up and includes a lumber yard, building supplies, a hardware store and kitchen, and a bathroom and countertop design showroom. Now in its second generation, the family company is run by the couple's son, Reg Farney, but Gladyce and Vincent remain quite active in the business. In recognition of their many years in the hardware business, Gladyce and Vincent were awarded the Estwing's Golden Hammer Award in 2015.

On behalf of New York's 21st District, I would like to congratulate Farney's Home and Building Center on its 60th anniversary. The Farney family sets a wonderful example for developing a prosperous small business in the North Country.
