RECOGNIZING THE 30 YEAR ANNIVERSARY OF THE DELAWARE AND LEHIGH NATIONAL HERITAGE CORRIDOR

HON. LOU BARLETTA

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 5, 2018

Mr. BARLETTA. Mr. Speaker, it is my honor to recognize the Delaware and Lehigh National Heritage Corridor, which is celebrating 30 years of providing exceptional educational and recreational experiences for residents and visitors of Pennsylvania.

The unique and rich history of the Delaware and Lehigh National Heritage Corridor, which spans Luzerne, Carbon, Lehigh, Northampton, and Bucks Counties, includes pioneering railroads, steel production, and coal mining and distribution. The corridor boasts 165 miles of mountain-lined trails, in addition to various canals, rivers and, and picturesque towns. Through the preservation of historic railways

and landscape, the Delaware and Lehigh National Heritage Corridor pays tribute to this region's role as an early leader of industrial innovation and a shining example of our nation's natural resources.

Since Congress established the Delaware and Lehigh National Heritage Corridor in 1988, the dedicated members of this organization have tirelessly worked to maintain and build on the progress of this landmark area, which encompasses nine Historic Landmarks, six National Recreation Trails, and two National Natural Landmarks. With the support of the National Park Service, the Pennsylvania Department of Conservation and Natural Resource, the William Penn Foundation, countless volunteers and like-minded partner organizations, generations of Americans have and will continue to be able to connect with their heritage.

Mr. Speaker, please join me in thanking all those organizations and individuals who have dedicated their time and effort over the last 30 years to make the Delaware and Lehigh Heritage Corridor the success it is today.

HONORING JEAN HILL & LARRY SCHULTIS

HON. ELIOT L. ENGEL

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 5, 2018

Mr. ENGEL. Mr. Speaker, I want to honor two former Riverdale residents who, though they no longer reside here, have left an indelible mark especially on the Conservative Synagogue Adath Israel of Riverdale (CSAIR) community.

One thing was clear on that fateful day six months ago when Jean Hill and Larry Schultis moved out of Riverdale after making their life here. They might be leaving Riverdale, but they were not going to leave CSAIR. Our shul had become a constant in their lives and would remain so for a long time.

Jean and Larry met in 2005 and Larry moved to Riverdale in 2006. Jean celebrated her daughters' Bnot Mitzvot at CSAIR. Jean was comforted through Jean's mother's passing by attending minyan regularly at CSAIR with Larry. Jean and Larry watched proudly as their niece became the first child born to a gay couple to be named in the synagogue.

Jean and Larry have worked quietly and humbly to make CSAIR a stronger place. Jean, a partner in a management consulting firm and Larry, an attorney, are consummate problem solvers, who dedicate their work and their donations to improving CSAIR through overcoming any obstacles that arise. Not enough space? Larry worked with the architect to help plan and envision the new Betty Baum Library. Need a few more good people? He served on search committees and helps select the synagogue's Gladstein Fellows. Need a 10th on Friday morning? Larry is there.

Jean and Larry support both the Rabbi's Fund and the Cantor's Fund in appreciation of the critical role both play in the community, recognizing the importance of providing resources and flexibility to address urgent needs. This commitment is grounded in Jean and Larry's collective experiences from London to Scranton, when their family found Jewish communities, anchored by rabbis who wel-

comed them for holidays and made important connections. Jean and Larry see in Rabbi Katz and Cantor Stevens this same spirit of warmth and welcoming, and it has helped them feel at home here.

Jean and Larry have accomplished so much in the community, and for their incredible work CSAIR has chosen to honor them at their annual Gala Celebration. I would like to congratulate them on receiving this wonderful honor, and add my congratulations for all they have done to strengthen our neighborhood.

HONORING THE 126TH AIR REFUELING WING AT SCOTT AIR FORCE BASE IN ST. CLAIR COUNTY ILLINOIS

HON. MIKE BOST

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 5, 2018

Mr. BOST. Mr. Speaker, I rise today in recognition of the important efforts of the 126th Air Refueling Wing at Scott Air Force Base in St. Clair County, Illinois. On June 2, 2018, I celebrated the many achievements of this unit when I attended the 126th Air Refueling Wing Day, which was done by proclamation of the Governor.

The 126th Air Refueling Wing routinely succeeds in its mission of providing immediate, sustained, long-range air refueling of both nuclear and conventional aircraft for both U.S. Armed Forces and NATO Allies.

The 126th Air Refueling Wing has more than 1,000 Air National Guard and active duty United States Air Force Personnel who recently received its eighth Air Force Outstanding Unit Award for service provided from December 2014 through December 2016.

The service members of the 126th Air Refueling Wing routinely demonstrate their excellence in performance while supporting the United States Air Force operations. The significant awards and recognition the 126th Illinois Air National Guard has received sets the foundational framework for being a strong Center of Excellence for military aircraft. I am proud of their hard work and dedication to ensuring the best aircraft maintenance and repair work is done at Scott Air Force Base. Our national defense depends on having our military aircraft able to fly in a minute's notice, so the work they do every day is critical in keeping all of us safe at home.
