

her special connection with Bette Baum, helped her to envision the new Baum library.

Like Miriam, Joel contributed to CSAIR by serving on the Design Committee for both building renovations. At the same time, Joel focused on the congregation's spiritual core. He organized the first Torahon, an evening of classes and workshops open to the community. He was passionate about finding a way to reinvigorate Friday nights, leading to the now popular Lechu Neranena program. He was also intent on providing an easy way to sustain Jewish learning and continuity through the Passport to Jewish Education initiative. This program encompasses a host of scholarship opportunities for the children of CSAIR members.

Both Joel and Miriam are CSAIR treasures, extending the warmth and energy that first embraced them to all who enter our doors. This year, CSAIR is honoring them for their exceptional contributions to the community at their annual Gala Celebration. They have chosen two outstanding honorees. I too want to congratulate both Miriam and Joel on this wonderful occasion and thank them for all they have done.

**HON. PETE OLSON**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 5, 2018*

Mr. OLSON. Mr. Speaker, I rise today to recognize Kim Cromie of Katy, TX for being named the 2017–18 Katy Independent School District Nurse of the Year.

Kim, a nurse at Bonnie Holland Elementary School, cares for students and the sicknesses they endure throughout the academic year in a tremendously effective manner. Her colleagues describe Kim to be a crucial member of their team and are extremely appreciative of the work she has done. She was nominated for Nurse of the Year by her colleagues for her professionalism, work experience, volunteerism and clinic management experience. In 2017, Bonnie Holland Elementary School was recognized as a "Project Adam Heart Safe School," largely due to Cromie's work with the school's staff and Texas Children's Hospital. When not aiding the health of students, Ms. Cromie takes time out of her busy schedule to mentor other Katy ISD nurses.

On behalf of the Twenty-Second Congressional District of Texas, congratulations again to Kim for being named the 2017–18 Katy ISD Nurse of the Year. I thank her for her dedication to keeping our kids healthy. We're lucky to have such an exemplary nurse caring for kids at Holland Elementary.

**HONORING ANSHE SHOLOM  
SISTERHOOD**

**HON. ELIOT L. ENGEL**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 5, 2018*

Mr. ENGEL. Mr. Speaker, I rise to honor the Anshe Sholom Sisterhood. It is my privilege to recognize their dedication to Anshe Sholom and the wider community as they celebrate 101 years of incredible work.

The earliest mention of the Sisterhood was in 1917, when it was called the Ladies Aid Society. From its inception, the Sisterhood has been concerned with the health and well-being of the New Rochelle Community. During the Second World War, the Sisterhood established and ran the first kosher kitchen for Jewish soldiers stationed at Fort Slocum, now known as David's Island. They also provided the free inoculations against polio and had organized blood drives.

Over the years, the Sisterhood has raised money for Anshe Sholom by hosting guest lecturers, art auctions, fashion shows, bazaars, card parties, charity dinners, and trips to Jewish Museums. Their work supports the Rabbi's discretionary fund and has helped finance renovations to the synagogue.

The Sisterhood also arranges the annual Passover Seder, assists with the community sukkah every year, with Succot dinners and Shavuot lunches, and provides gifts for Bar and Bat Mitzvahs. They are always available to help community members in need, visiting the sick and homebound, delivering food to those in need, and providing Shiva meals for the bereaved.

The Sisterhood has always been willing to support the work of the congregation, whether through direct financial help to the synagogue, helping hands to a family in need, or donations to community organizations feeding the hungry.

Over a century of work could only be achieved and sustained by individuals who are truly dedicated to their synagogue and community. I am proud to recognize the leadership

of the Anshe Sholom Sisterhood and their remarkable dedication and hard work.
