

As the Founder and Chair of the Children's Caucus and as a parent and grandparent, I cannot think of a situation more devastating than having the government forcibly separate a parent from her child to a place unknown, for a fate uncertain, absent any form of communication.

Everyday, hundreds of persons, ranging from infants and toddlers to adolescents and adults, flee violence, oppression, and economic desperation from Guatemala, Honduras, and El Salvador, seeking safe harbor in the United States.

They are not criminals or terrorists, they are refugees seeking asylum.

While they hope to receive asylum, none of us expected that they would be treated as criminals or that their children would be forcibly separated from them.

But shamefully that is exactly what is happening under this Administration.

A recent audit of the Office of Refugee Resettlement of the U.S. Department of Health and Human Services shows that more than 7,600 children have been forcibly separated from their parents after crossing the U.S. border.

Unconscionably, this cruel and unnecessary practice has resulted in the shameful fact that DHS cannot account for the 1,475 immigrant children.

The Trump Administration's practice of separating children from their parents inexplicably turns accompanied children into unaccompanied children, with all the attendant risks and dangers, which now must include human trafficking because over 1,000 children cannot be accounted for by this Administration.

It is a documented fact that if young children are traumatically removed from their parents, their physical and mental health and well-being will suffer.

The effects of these traumatic experiences—especially in children who have already faced serious adversity—are unlikely to be short lived and can last a lifetime.

The Trump Administration's "zero-tolerance" policy does not make our nation safer or more secure, nor is it a solution to the problem of illegal immigration and refugees seeking asylum.

It is, however, monstrously cruel, inhumane, and shameful and makes a mockery of America's reputation as the most welcoming and generous nation on earth.

The last time this nation had policies that promoted the forcible separation of children from newly arrived persons was slavery.

A dark chapter in this nation's history that we should not revisit.

Today the parents of these thousands of children once removed from the U.S. will do nothing less than to find ways to reunite with their children, even under the threat of imprisonment.

A second attempt to enter the U.S. will be threatened by a federal criminal offense punishable by prison.

It would be unconscionable to prosecute parents under these circumstances.

There must be strong and aggressive congressional oversight of this Administration's immigration enforcement.

The federal government policy regarding legislation should not to create greater fear for families already traumatized by intolerable conditions in their countries.

U.S. immigration policy should not deter refugees from seeking asylum within our borders.

We should welcome mothers carrying their babies to a safe haven and assure safety of children.

As we have seen with the recent volcanic activity and earthquakes in Guatemala, we should be seeking ways to help our neighbors in the Southern Hemisphere.

The Trump Administration is utterly failing in its basic duty to treat all persons with dignity and compassion, and is making a mockery of our national values and reputation as a champion of human rights.

This crisis is not just an immigration matter nor is it just a foreign policy matter.

It is a humanitarian crisis, executed by an administration that purports to be the champion of 'family values' but whose actions do not value families.

We are a great country with a long and noble tradition of providing sanctuary to the persecuted and oppressed.

And it is in that spirit that we should act.

We can do it; after all, we are Americans.

IN REMEMBRANCE OF MR. BENJAMIN HENRY BASCUM HUBBARD

HON. ROBERT J. WITTMAN

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 6, 2018

Mr. WITTMAN. Mr. Speaker, I rise today in solemn remembrance of the life of Mr. Benjamin Henry Bascum Hubbard, or "B.H." as he was affectionally known. B.H. served as a dedicated lawyer in the Northern Neck, and was a tireless advocate for his community as a member of numerous boards and organizations that greatly benefited the region.

B.H. was born January 19, 1946 in White Stone, a small town in Virginia's Tidewater. He graduated from the University of Virginia with a degree in English and earned his J.D. from the University of South Carolina. He was a founding member of the firm Hubbard, Terry, and Britt, in Irvington, and demonstrated total dedication to his clients through his work. Beyond his firm, B.H. was always striving to improve the quality of life for his neighbors and the community he loved dearly. Most notably, he was chairman of the board of Rappahannock General Hospital and a member of the Board of Directors of Chesapeake Health Services. He also served on the Board of Directors for Bon Secours Richmond Health System. One of his greatest achievements was the successful merger of Rappahannock General Hospital with Bon Secours. Beyond his work, he was known by all for his compassion, his deeply caring spirit, and his incredible capacity for service.

I am fortunate to have called B.H. a friend and I extend my deepest condolences to his wife of over 50 years, Terry; daughters Emory and Elizabeth; son, Beau; and the rest of his family. B.H. leaves a lasting legacy in the Northern Neck that has been felt by all of its residents. As it says in the book of Matthew, "Well done, thou good and faithful servant: thou has been faithful over a few things, I will make thee ruler over many things: enter thou into the joy of thy lord."

Mr. Speaker, I implore you and my colleagues to join me as we honor the memory of Mr. B.H. Hubbard.

Wednesday, June 6, 2018

Mr. QUIGLEY. Mr. Speaker, I rise to honor the World War II and Korean War veterans who traveled to Washington, D.C. on June 6, 2018 with Honor Flight Chicago, a program that provides World War II and Korean War veterans the opportunity to visit their memorials on The National Mall in Washington, D.C. The Soldiers, Airmen, Sailors, Marines, and Coast Guardsmen who traveled here on June 6th answered our nation's call to service during one of its greatest times of need. From the European Campaign to the Pacific Asian Theatre to the African Theater, these brave Americans risked life and limb, gave service and sacrificed much, all while embodying what it is to be a hero. We owe them more gratitude than can ever be expressed.

I welcome these brave veterans to Washington and to their memorials. I am proud to include in the RECORD the names of these men and women for all to see, hear, and recognize, and I call on my colleagues to rise and join me in expressing gratitude.

Wednesday, June 6, 2018

Ms. BORDALLO. Mr. Speaker, I rise today to honor the life and legacy of Francisco "Frank" C. Blas. Frank was a proud son of Guam and faithful public servant. He served as a Guam Mayor of the village of Tamuning-Tumon-Harmon from 2005 to 2013. Frank was born on February 17, 1942 and passed away on May 16, 2018 at the age of 76.

Frank was the son of Tomas Leon Gurrero Blas and Maria Castro Blas. He was one of 17 children and a member of Guam's greatest generation who survived the occupation of Guam during World War II. Frank graduated from George Washington High School in 1962 and attended the Guam Community College and the University of Guam. He then graduated from the Navy Apprentice Program in 1969.

In his first term as mayor, Frank established the Tamuning Skate Park. He was instrumental in cleaning up illegal trash dump sites, and putting a stop to illegal dumping throughout the village. Frank led the village of Tamuning-Tumon-Harmon through many community events and cleanups, and refurbished the senior citizens center and gymnasium. Frank was also very involved in the local community and volunteered his time with many organizations. He served as president of the U.S. Navy Moral & Welfare Association, vice president of the Central Little League Baseball, coach and manager for PWC Baseball League, president of Hafa Adai Kiwanis International Club, vice president of Tumon Parish Council Blessed Diego San Vitores Catholic Church, and so many more civic organizations.

I am deeply saddened by the passing of Francisco "Frank" C. Blas and I join the people of Guam in celebrating his life. He was a dedicated public servant who worked to improve our village of Tamuning-Tumon-Harmon, and the broader community during his tenure.

IN CELEBRATION OF THE 100TH ANNIVERSARY OF THE FIRST CAROLINE COUNTY FAIR

HON. ROBERT J. WITTMAN

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 6, 2018

Mr. WITTMAN. Mr. Speaker, I rise today to commemorate the 100th Anniversary of the Caroline County Fair. RUSSIA WORLD CUP RESOLUTION

HON. MARCY KAPTUR

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 6, 2018

Ms. KAPTUR. Mr. Speaker, I rise to introduce our bipartisan Resolution condemning Russian transgressions against international law during the upcoming World Cup. I want to thank my counterpart, Congresswoman ROSELEHTINEN for her work with this important Resolution.

Russia will host the 2018 World Cup this June 14 to July 15.

And the games have an expected global viewership of 3 billion, granting Russia global prestige, a platform to spread disinformation, and a tourism windfall. All undermine global sanctions.

This trivializes Russia's malicious efforts to weaken democracies through disinformation, election meddling and other violent measures. Russia illegally invaded and occupied Ukrainian territories since 2014, resulting in 10,000 deaths.

A dark cloud hangs over these games with allegations of corruption associated with the selection of Russia for the World Cup.

I call on my colleagues to support this resolution, which would call out Russia's malign behavior, and on FIFA to justify holding the World Cup in a country internationally sanctioned for military aggression.

Ideally, sports should be used to unite people for peace, not bankroll corrupt and violent regimes and their oligarch patrons.
