

am offering this amendment, to increase funding to address and assist those suffering more aggressively and quickly.

On May 7, Mr. Chairman, I met with a group of Vermont National Guard members led by Pat Cram, who have been impacted by burn pit exposure. Pat is the wife of Sergeant Major Mike Cram of the Vermont National Guard who died this past December from prostate cancer that is believed to be a direct result of his exposure to burn pits in Iraq and Afghanistan.

Sergeant Major Cram first deployed to Iraq in 2004 with a group of MPs from the 42nd Infantry Division of the Vermont National Guard. They joined up with the 278th Tennessee National Guard Calvary in Iraq. All 21 soldiers from this group that deployed together for 18 months returned home to their families safely.

But since their safe return, this same group has lost two members from prostate cancer and another has been treated for it, and they believe their exposure to burn pit toxins is the reason.

This group is still close, they stay in touch, their families support each other. I was so inspired to hear about how they have stuck together throughout the years. But those members that have not had the direct health issues that some of their comrades have are now wondering whether they, too, will get sick.

This funding would provide resources to the VA to make necessary improvements to the registry and prepare for the long-term care for those affected veterans. It would also allow, Mr. Chairman, the VA to hire analysts and epidemiologists who can connect the registry entries to health outcomes, make necessary technological updates to the registry, and increase the funding for essential clinical research.

The cost of a war must always include the cost of caring for the warrior, and this critical funding helps to do just that.

I want to thank Chairman CARTER and Ranking Member WASSERMAN SCHULTZ for their attention to this issue and willingness to help. I urge support for my amendment, and I reserve the balance of my time.

Mr. CARTER of Texas. Mr. Chairman, I claim the time in opposition to the amendment, even though I am not opposed to it.

The Acting Chair. Without objection, the gentleman is recognized for 5 minutes.

There was no objection.

Mr. CARTER of Texas. Mr. Chairman, we understand the gentleman's concerns, and we will keep in mind this concern during our conference. I have heard from veterans in my district about the concerns, and, in fact, sat down with some last weekend, and this was one of their number one concerns.

So this has a health impact. These burn pits are something we really need to get into, and we will have this in mind in conference.

Mr. Chairman, I yield back the balance of my time.

Mr. WELCH. Mr. Chairman, I thank the gentleman from Texas, and I yield back the balance of my time.

The Acting CHAIR. The question is on the amendment offered by the gentleman from Vermont (Mr. WELCH).

The amendment was agreed to.

AMENDMENT NO. 27 OFFERED BY MR. BARR

The Acting CHAIR. It is now in order to consider amendment No. 27 printed in part B of House Report 115-712.

Mr. BARR. Mr. Chairman, I have an amendment at the desk.

The Acting CHAIR. The Clerk will designate the amendment.

The text of the amendment is as follows:

Page 131, line 7, after the dollar amount, insert "(increased by \$5,000,000)".

Page 132, line 10, after the dollar amount, insert "(reduced by \$5,000,000)".

The Acting CHAIR. Pursuant to House Resolution 923, the gentleman from Kentucky (Mr. BARR) and a Member opposed each will control 5 minutes.

The Chair recognizes the gentleman from Kentucky.

Mr. BARR. Mr. Chairman, I rise in support of my amendment to increase funding for the VA adaptive sports equine-assisted therapy program by \$5 million.

This grant program provides much-needed resources for evidence-based equine-assisted therapy that helps treat veterans suffering from unseen psychological wounds such as post-traumatic stress disorder, military sexual trauma, and traumatic brain injury. Increased funding for equine-assisted therapy will greatly improve mental health treatment for our veterans.

As the chairman of the Congressional Horse Caucus, the representative for the horse capital of the world, and as someone who cares deeply for our veterans, I urge my colleagues to join me in supporting this amendment.

Mr. Chairman, I yield back the balance of my time.

Mr. CARTER of Texas. Mr. Chairman, I claim the time in opposition, although I am not opposed to the amendment.

The Acting CHAIR. Without objection, the gentleman is recognized for 5 minutes.

There was no objection.

Mr. CARTER of Texas. Mr. Chairman, the bill provides \$1 million over the President's budget request for the Adaptive Sports Grant, ASG, program for equine-assisted therapy, as our 2018 bill did also.

We understand the gentleman's concern in further increasing this funding and will keep it in mind during conference.

In my congressional district, we also have equine therapy, and I am very familiar with it.

Mr. Chairman, I yield to the gentleman from Florida (Ms. WASSERMAN SCHULTZ).

Ms. WASSERMAN SCHULTZ. Mr. Chairman, I thank the gentleman for yielding.

Adaptive sports promotes the rehabilitation of disabled military service veterans. This is a vital program that allows veterans with disabilities to participate in physical activity, including those with mental health issues, within their home communities, as well as more advanced paralympic and adaptive sports programs at the regional and national levels.

Mr. Chairman, the committee is a strong supporter of this program. In fact, the bill provides \$17.8 million for the National Veterans Sports Program. I appreciate the gentleman addressing this issue today, and I support this amendment.

Mr. CARTER of Texas. Mr. Chairman, I yield back the balance of my time.

The Acting CHAIR. The question is on the amendment offered by the gentleman from Kentucky (Mr. BARR).

The amendment was agreed to.

Mr. CARTER of Texas. Mr. Chairman, I move that the committee do now rise.

The motion was agreed to.

Accordingly, the Committee rose; and the Speaker pro tempore (Mr. BARR) having assumed the chair, Mr. HULTGREN, Acting Chair of the Committee of the Whole House on the state of the Union, reported that that Committee, having had under consideration the bill (H.R. 5895) making appropriations for energy and water development and related agencies for the fiscal year ending September 30, 2019, and for other purposes, had come to no resolution thereon.
