

men on a routine training mission crashed into the southwestern slope of Emigrant Peak, killing all on board. Crash debris still remains on the unnamed ridge where these men lost their lives. After over half a century, it is time that these men are memorialized for their service so their families may have closure. Capt. Bill Faulconer, Lt. Lloyd Sawyers, Lt. David Sutton, and Lt. Fred Hixenbaugh lost their lives while serving our country. Naming the ridge in their memory will forever remind Montanans and visitors of their sacrifice.

#### SENATE CONCURRENT RESOLUTION 38—RECOGNIZING AND SUPPORTING THE EFFORTS OF THE UNITED BID COMMITTEE TO BRING THE 2026 FEDERATION INTERNATIONALE DE FOOTBALL ASSOCIATION (FIFA) WORLD CUP COMPETITION TO CANADA, MEXICO, AND THE UNITED STATES

Mr. NELSON (for himself, Mr. RUBIO, Mr. BLUNT, and Mr. VAN HOLLEN) submitted the following concurrent resolution; which was referred to the Committee on Commerce, Science, and Transportation:

S. CON. RES. 38

Whereas soccer is one of the fastest growing and most popular sports in the world and the FIFA World Cup competition is the single most important event in that sport;

Whereas the United States successfully hosted in nine cities throughout the Nation the 1994 FIFA World Cup competition, which was broadcast to billions of fans around the world and set an attendance record of nearly 3.6 million, which remains unbroken today;

Whereas the 1994 FIFA World Cup competition served as a catalyst for the increased popularity and development of the game throughout the United States, as well as the introduction of Major League Soccer, the United States national first division professional soccer league;

Whereas United States Soccer Federation and its counterparts in Canada and Mexico have established a United Bid Committee to prepare and submit an unprecedented joint bid to host the 2026 FIFA World Cup competition in North America;

Whereas Canada, the United States, and Mexico share core beliefs in justice, freedom, equality, and opportunity, and have a long history of partnership, innovation, and growth together on our shared continent;

Whereas for the first time in history the 2026 FIFA World Cup will include teams from 48 nations and presents an opportunity for Canada, Mexico, and the United States as host countries to demonstrate the highest achievable standards and serve as a benchmark for future organizers;

Whereas North America is home to one of the most competitive and advanced professional sports landscapes in the world that is continually updating to take advantage of the latest innovations and modernizations;

Whereas numerous American cities have been named by the United Bid Committee as candidates to serve as hosts to FIFA World Cup matches in 2026, with each of these cities embodying the diversity and enthusiasm

shared by the entire Nation and guaranteeing each participating team and its followers a "home team" atmosphere;

Whereas the United States and its neighbors offer FIFA a valuable and receptive market within which to further develop the sport of soccer, which in turn will have significant impact on and off the field in both the United States and throughout the world;

Whereas the United States possesses all necessary state-of-the-art infrastructure in its stadiums and potential host cities to ensure that the competition sets a new standard of quality, comfort, security, and safety for players, officials, spectators, media, and sponsors alike;

Whereas hosting the 2026 FIFA World Cup in Canada, Mexico, and the United States promises record-setting attendance and financial performance, allowing revenues and tourism generated by the competition to be used for the further development of soccer, FIFA's objectives of positive social and environmental change, and further economic growth throughout our Nation;

Whereas hosting the 2026 FIFA World Cup competition in Canada, Mexico, and the United States would serve as a tremendous impetus to national and international goodwill, as the competition would bring people from many nations, along with a diverse public, together under one banner of peace, friendship, and spirited and fair competition;

Whereas the historical tradition of inclusivity in the United States is shared by Canada and Mexico and the three countries are eager to welcome the players, spectators, and visitors who may travel to North America for the 2026 FIFA World Cup games; and

Whereas pursuant to FIFA bidding procedures, the President of the United States and certain Federal agencies have been asked to issue guarantees that upon authorization or appropriation, would establish the conditions required to help make the 2026 FIFA World Cup competition the most successful in history: Now, therefore, be it

*Resolved by the Senate (the House of Representatives concurring)*, That the Congress—

(1) recognizes and supports the efforts of the United Bid Committee to bring the 2026 FIFA World Cup competition to Canada, Mexico, and the United States;

(2) encourages the President of the United States and appropriate Federal agencies to support the United Bid Committee in its efforts to meet all requirements for the United States to jointly host with Canada and Mexico the 2026 FIFA World Cup competition; and

(3) stands prepared to give full consideration to legislative proposals or other requests by the President to provide support related to the 2026 FIFA World Cup competition, if Canada, Mexico, and the United States are selected to host this event.

#### SEC. \_\_\_\_ . BROADBAND AND EMERGING INFORMATION TECHNOLOGY COORDINATOR.

(a) FINDINGS.—Congress finds the following:

(1) According to a report by the Federal Communications Commission entitled “Connecting America: The National Broadband Plan”, dated March 2010, the Commission recommends that—

(A) “To fully implement next-generation technology within its operations, the SBA should also appoint a broadband and emerging IT coordinator. This individual would ensure that SBA programs maintain the requisite broadband expertise, tools and training courses to serve small businesses.”;

(B) “Congress should consider ways to leverage existing assistance provided through” entrepreneurial development programs, “to focus training on advanced IT and broadband applications”;

(C) “Congress could also consider ways to support technology training among women entrepreneurs through” women’s business centers;

(D) “The training programs should include an entry-level ‘Broadband 101’ course to give small businesses an introduction to how to capitalize on broadband connectivity, as well as more advanced applications for IT staff.”; and

(E) small and medium enterprise “IT training should include resources for non-IT staff, such as how to use e-commerce tools for sales, streamline finance with online records or leverage knowledge management across an organization.”.

(2) According to a report by the Broadband Opportunity Council, dated August 20, 2015, the availability of and access to broadband technology enables—

(A) greater civic participation, by providing tools for open government and streamlining government process;

(B) changes in how people access educational resources, collaborate in the educational process, conduct research, and continue to learn anytime, anyplace, and at any pace;

(C) improved healthcare access, treatments, and information;

(D) new business models that create business efficiencies, drive job creation, and connect manufacturers and store-fronts to clients and partners worldwide; and

(E) bringing communities together and improvements to public safety, creating a greener planet, and make transportation systems more resilient and efficient.

(3) According to a report entitled “The State of the App Economy”, dated October 2014—

(A) “More than three-quarters of the highest grossing apps are produced by startups and small companies.”; and

(B) “Seventy-eight percent of the leading app companies are located outside Silicon Valley.”.

(4) According to a report entitled, “Developer Economics Q1 2015: State of the Developer Nation”, dated February 2015, “The emergence of the app industry over the past eight years has grown to a \$120 billion economy.”.

(b) BROADBAND AND EMERGING INFORMATION TECHNOLOGY COORDINATOR.—The Small Business Act (15 U.S.C. 631 et seq.) is amended—

(1) by redesignating section 47 as section 48; and

(2) by inserting after section 46 the following:

#### “SEC. 47. BROADBAND AND EMERGING INFORMATION TECHNOLOGY.

“(a) DEFINITIONS.—In this section—

“(1) the term ‘Associate Administrator’ means the Associate Administrator for the Office of Investment and Innovation; and
