PETITIONS AND MEMORIALS

The following petitions and memorials were laid before the Senate and were referred or ordered to lie on the table as indicated:

POM-238. A resolution adopted by the Senate of the State of Louisiana urging the United States Congress and the Louisiana delegation to the United States Congress to take such actions as necessary to encourage that the design and construction of the Vito development in the Gulf of Mexico occur in Louisiana; to the Committee on Energy and Natural Resources.

SENATE RESOLUTION NO. 219

Whereas, the Vito is a deepwater oil exploration development covering four blocks in the Mississippi Canyon area of the Gulf of Mexico located one hundred fifty miles southeast of New Orleans; and

Whereas, Shell Offshore, Inc. announced that it will develop this site, the construction of which will include the fabrication and construction of eight subsea wells with deep in-well gas lift; and

Whereas, the Vito development is expected to reach a peak production of approximately one hundred thousand barrels of oil equivalent per day and has an estimated recoverable three hundred million barrels of oil equivalent, which represents a significant contribution to oil production in the Gulf of Mexico and to the nation's energy needs; and

Whereas, Louisiana is the second largest oil producer in the country and plays an essential role in supplying the nation with energy; and

Whereas, the historical and important role that the state has played in the oil industry has provided Louisiana with the expertise and critical infrastructure necessary to support the design, construction, and maintenance necessary for a project as large and technologically advanced as the Vito development; and

Whereas, because of its size and location, the Vito development will play a large role in the economy of the state and will rely on the waterways, ports, pipelines, and design and construction companies located in Louisiana; and

Whereas, Shell Offshore, Inc. should give priority to businesses and resources located in Louisiana for the Vito development so that it may contribute to Louisiana's economic development and to the nation's energy infrastructure: Therefore, be it

Resolved, That the Senate of the Legislature of Louisiana does hereby memorialize Congress and the Louisiana delegation to the United States Congress to take such actions as necessary to encourage that the design and construction of the Vito development in the Gulf of Mexico occur in Louisiana. Be it further

Resolved, That a copy of this Resolution be transmitted to the secretary of the United States Senate and the clerk of the United States House of Representatives and to each member of the Louisiana delegation to the United States Congress.

POM-239. A concurrent resolution adopted by the Legislature of the State of Louisiana urging the United States Congress to take such actions as are necessary to pass the Disability Integration Act of 2017; to the Committee on Health, Education, Labor, and Pensions.

SENATE CONCURRENT RESOLUTION NO. 13

Whereas, the Disability Integration Act of 2017 has been introduced as S. 910 and H.R. 2472 in the One Hundred Fifteenth United States Congress; and

Whereas, in enacting the Americans with Disabilities Act of 1990 (herein referred to as

the "ADA"), Congress recognized that "historically, society has tended to isolate and segregate individuals with disabilities, and, despite some improvements, such forms of discrimination against individuals with disabilities continue to be a serious and pervasive social problem" and intended that the ADA assure "full participation" and "independent living" for individuals with disabilities by addressing "discrimination against individuals with disabilities [that] persists in critical areas", including institutionalization; and

Whereas, while Congress expected that the ADA's integration mandate would be interpreted in a manner that ensures that individuals who are eligible for institutional placement are able to exercise a right to community-based long-term services and supports, that expectation has not been fulfilled; and

Whereas, the holdings of the Supreme Court in *Olmstead v. L.C.*, 527 U.S. 581 (1999), and companion cases, have clearly articulated that individuals with disabilities have a civil right under the ADA to participate in society as equal citizens; however, many states still do not provide sufficient community-based long-term services and supports to individuals with disabilities to end segregation in institutions; and

Whereas, the right to live in the community is necessary for the exercise of the civil rights that the ADA was intended to secure for all individuals with disabilities and the lack of adequate community-based services and supports has imperiled the civil rights of all individuals with disabilities, and has undermined the very promise of the ADA; therefore, it is necessary to recognize in statute a robust and fully articulated right to community living; and

Whereas, states, with a few exceptions, continue to approach decisions regarding long-term services and supports from social welfare and budgetary perspectives, but for the promise of the ADA to be fully realized, states must approach these decisions from a civil rights perspective; and

Whereas, states have not consistently planned to ensure sufficient services and supports for individuals with disabilities, including those with the most significant disabilities, to enable individuals with disabilities to live in the most integrated setting and, as a result, many individuals with disabilities who reside in institutions are prevented from residing in the community and individuals with disabilities who are not in institutions find themselves at risk of institutional placement; and

Whereas, the continuing existence of unfair and unnecessary institutionalization denies individuals with disabilities the opportunity to live and participate on an equal basis in the community and costs the United States billions of dollars in unnecessary spending related to perpetuating dependency and unnecessary confinement. Therefore, be it

Resolved, That the Legislature of Louisiana memorializes the Congress of the United States to take such actions as are necessary to pass the Disability Integration Act of 2017. Be it further

Resolved, That a copy of this Resolution shall be transmitted to the secretary of the United States Senate and the clerk of the United States House of Representatives and to each member of the Louisiana delegation to the United States Congress.

POM-240. A joint resolution adopted by the Legislature of the State of Oklahoma urging the Congress of the United States, pursuant to Article V of the United States Constitution, to call a convention of the states for the purpose of proposing amendments to the United States Constitution related to balancing the federal budget, imposing fiscal restraints on the federal government, limiting
