

year-history and their students have been awarded nearly \$60 Million in scholarships and grants. Due to the help received from the center, students have been accepted to some of the nation's most prestigious institutions, like University of California, Los Angeles, University of Notre Dame, Stanford University and Harvard University. With 95 percent of the graduates being Latino, 90 percent of these graduates are first-generation college students. Out of the Nicholas Academic Center's 2018 graduating class consisting of 195 students, 100 percent of the class will be attending college this Fall.

The services provided by the Nicholas Academic Center would not be possible without the generosity of Dr. Nicholas III through the Henry T. Nicholas III Foundation, who has donated \$14.3 million dollars to the center over the past ten years.

Mr. Speaker, I am honored to recognize the Nicholas Academic Center who has dedicated the past decade to helping underprivileged students succeed.

SENATE COMMITTEE MEETINGS

Title IV of Senate Resolution 4, agreed to by the Senate of February 4, 1977, calls for establishment of a system for a computerized schedule of all meetings and hearings of Senate committees, subcommittees, joint committees, and committees of conference. This title requires all such committees to notify the Office of the Senate Daily Digest—designated by the Rules Committee—of the time, place and purpose of the meetings, when scheduled and any cancellations or changes in the meetings as they occur.

As an additional procedure along with the computerization of this information, the Office of the Senate Daily Digest will prepare this information for printing in the Extensions of Remarks section of the CONGRESSIONAL RECORD on Monday and Wednesday of each week.
