

EXTENSIONS OF REMARKS

HONORING GEORGE CALLAS

HON. PAUL D. RYAN

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 12, 2018

Mr. RYAN of Wisconsin. Mr. Speaker, one of the most significant policy achievements in the last three decades would not have been possible without George Callas. George and I have been kindred spirits in our work to enact historic tax reform. He laid the groundwork for our eventual success with his early work on draft reform legislation while at the Ways and Means Committee, and he drove us over the finish line as my senior tax counsel in the Speaker's Office. I am sad to see him leave but eternally grateful for his lasting contributions to this country. George is a problem solver, relentless, and quite simply the best tax policy mind that I've ever encountered. Some of the most enjoyable moments of my speakership have been battling around tax reform ideas with George. As he departs Congress after nearly 15 years, I wish him and his family all the best and congratulate him on a job well done.

Mr. HIGGINS of New York. Mr. Speaker, on July 11, on final passage of H.R. 200, The Strengthening Fishing Communities and Increasing Flexibility in Fisheries Management Act, I inadvertently cast my vote contrary to my own intentions. I intended to vote NO on that bill. Had I been present, I would have voted Nay on Roll Call No. 321.

ROBERT SPARKS COAST GUARD
PUBLIC SERVICE AWARD**HON. KEN BUCK**

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 12, 2018

Mr. BUCK. Mr. Speaker, I rise today to recognize the heroic actions of Robert Sparks.

In May, 1957, Mr. Sparks was fishing with his father off of Nahant, MA when they heard distressed cries for help in the distance. Mr. Sparks and his father then sailed to the source of the screams to find Mr. Rudolph Day, who was in the water struggling to remain afloat after his boat had capsized. Mr. Sparks then pulled Mr. Day, who was barely conscious at the time, from the water, performed first aid upon him, and took him safely to shore.

For his swift and critical response to aid Mr. Day, Mr. Sparks received the Coast Guard's Meritorious Public Safety Medal, as his actions well-reflected the ideals and traditions of the USCG. It is this commitment of our servicemen and women to protecting their fellow Americans that allows our country to remain free, prosperous, and secure. Mr. Speaker, it is an honor to celebrate the actions of Robert Sparks.

RECOGNIZING COLONEL JOHN
WAGNER**HON. MIKE COFFMAN**

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 12, 2018

Mr. COFFMAN. Mr. Speaker, it is my honor to rise today to acknowledge the exceptional career of Colonel John Wagner, United States Air Force. Colonel Wagner is retiring after a dedicated career of military service to our nation. Colonel Wagner exemplifies the qualities of a great leader with a culminating assignment as the United States Air Force Chair and Military Professor at the Dwight D. Eisenhower School for National Security and Resource Strategy. His truly outstanding leadership has contributed greatly to our nation, and it is no doubt that Colonel Wagner's retirement is well earned.

Colonel Wagner's career began at the United States Air Force Academy where he graduated with a degree in Astronautical Engineering in 1991. Subsequently he has had a distinguished career dedicated to our nation's space operations. He is also a graduate of the United States Air Force Institute of Technology, the School of Advanced Air & Space Studies, the Air Command and Staff College, the Air War College and the National War College.

I had the good fortune to meet Colonel Wagner during his tenure as dual commander of the 460th Space Wing and Buckley Air Force Base. Buckley Air Force Base is located in Aurora, Colorado, which I have the honor of representing here in the United States House of Representatives. Colonel Wagner performed exceptionally as the base and wing commander. Some of his key accomplishments include completing the new Block 10 Ground Control System for the Space-Based Infrared System and Defense Support System. Colonel Wagner also worked tirelessly to enhance the health and welfare of those serving on the base by obtaining the funding and approval to develop adequate on base primary medical care facilities. In particular, Colonel Wagner's command time is notable for his broad vision and implementation of the "Team Buckley" concept where the needs of all of the many tenants on the base received his full attention. Most emblematic of this was his support for the Colorado Air National Guard's Compatible Use Buffer Project which plays a key role in protecting the base's flying mission from the threat of encroachment.

Mr. Speaker, Colonel Wagner has led by example throughout his career as a space operator, as a commander and as an instructor. His career as a military leader can serve as an inspiration to all Americans. I thank him for his contribution to the security of our nation and I wish him all the best as he retires from the United States Air Force.
