

authorization lapses. I was a part of that group. We talked about the need to have this program reauthorized again before it expires. Now the deadline is just about 78 days away.

I must also mention that we have yet to fulfill our promise on funding for LWCF. We need to fully fund that program. It is something I hope we can do in the near future.

While I believe the structure of the Restore Our Parks bill is sufficient and that the same will not happen here, we need to ensure our full commitment to this new effort, so it doesn't suffer the same fate, by making sure we have the funding promised by Congress.

I urge my colleagues to find a bipartisan path forward to permanently authorize and to fully fund the Land and Water Conservation Fund because access to the land we are trying to maintain is as important as the parks themselves.

I again thank my colleagues for coming together on the Restore Our Parks Act in recognition of the necessary, overdue fix to address our park unit's deferred maintenance backlog that has persisted for far too many years.

Thank you.

I suggest the absence of a quorum.
