

in Maricopa and Pinal Counties, Arizona. In 2006, the Tribe sued the Federal Government, alleging a breach of the United States' fiduciary trust for its failure to accurately survey the reservation's northwesterly boundary, resulting in the patenting of land along the Salt River to non-Indians.

The Tribe also asserted a failed duty to document rights-of-way across the reservation, collect rent, and account for the Tribe's and allottees' trust assets. Rather than litigate the case, the Obama administration settled with the Tribe in 2016.

The settlement provided that the United States would survey all the Federal rights-of-way on the reservation. It would also take approximately 3,400 acres of Bureau of Land Management land into trust for the Tribe, after the Tribe purchases the land for fair market value.

Finally, the settlement provided monetary damages of about \$12.5 million from the judgment fund, an issue not addressed by this bill.

This legislation is needed to facilitate portions of the settlement by clarifying the northwestern boundary of the reservation, documenting the existing Federal rights-of-way on the reservation, and placing the 3,400 acres into trust after the Tribe buys the land from the Federal Government.

The bill is cosponsored by the entire Arizona delegation, and I commend their work to resolve this issue.

Mr. Speaker, I urge adoption of the measure, and I reserve the balance of my time.

Mr. GRIJALVA. Mr. Speaker, I yield such time as he may consume to the gentleman from Arizona (Mr. O'HALLERAN), the sponsor of the legislation.

Mr. O'HALLERAN. Mr. Speaker, I rise today in strong support and urge passage of my legislation, H.R. 4032, the Gila River Indian Community Federal Rights-of-Way, Easements and Boundary Clarification Act.

I was proud to introduce this bipartisan legislation along with colleagues Congressmen Biggs, Gallego, and Gosar.

Mr. Speaker, as we all know, Tribal Nations were here prior to the formation of the United States. However, throughout history, many Federal laws were enacted that diminished land holdings and, as a result, reservation boundaries were often incorrectly adjusted.

The Federal Government often lacked the mechanisms to effectively keep track of the various rights-of-way that existed on Tribal lands. These challenges remain today and can be serious barriers to Tribal land use efforts for housing, economic development, and cultural purposes.

That is why I introduced my bill, which simply finalizes the settlement of longstanding issues related to the Federal Government's management of Tribal trust assets on the Gila River Indian Community.

□ 1815

The legislation provides for surveys of all the Federal rights-of-way on the reservation and establishes a map of those rights-of-way to aid the community in planning land use, including building homes, rebuilding schools, locating businesses, and ensuring access to cultural sites.

H.R. 4032 also clarifies the northwest boundary of the reservation, which will avoid a title dispute with the city of Phoenix. In exchange for giving up lands that are currently within the reservation boundary, the community will be able to purchase 3,400 acres of culturally relevant lands from the Bureau of Land Management and have those lands taken into trust.

H.R. 4032 is important to the Gila River Indian community, to local landowners, and nearby communities.

I would like to thank my colleagues across the aisle for supporting this legislation, as well as the chairman and ranking member. I look forward to working with my colleagues in Congress and the administration to ensure this settlement is fully implemented.

On behalf of our Arizona communities, I urge my colleagues to support this commonsense, necessary legislation.

Mr. McCLINTOCK. Mr. Speaker, I urge adoption of the measure, and I yield back the balance of my time.

Mr. GRIJALVA. Mr. Speaker, I just want to take a moment to acknowledge the Gila River Indian community, their leadership, which has worked tirelessly and in very good faith with the Federal Government in addressing the issues that led to these claims against the United States.

I would like to congratulate them on this hard work and their persistence, and I am happy that the passage of this bill will finally implement a final part of their settlement.

I also want to take time to thank my colleague and friend from Arizona (Mr. O'HALLERAN) for his leadership on this issue.

Mr. Speaker, I urge support of the legislation, and I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from California (Mr. McCLINTOCK) that the House suspend the rules and pass the bill, H.R. 4032, as amended.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the bill, as amended, was passed.

A motion to reconsider was laid on the table.
