TAX REFORM

(Mr. JOHNSON of Louisiana asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. JOHNSON of Louisiana. Mr. Speaker, I am honored to rise today to speak to the success in Louisiana's Fourth Congressional District that we have seen since the implementation of the Tax Cuts and Jobs Act.

Every skeptic, even the early skeptics of tax reform, saw near immediate benefits when the IRS adjusted their withholding tables and it resulted in bigger paychecks for more than 90 percent of Americans.

Now we are 7 months out, and after the enactment of the Tax Cuts and Jobs Act, the results are undeniable. Nearly every economic indicator, whether you are talking about the unemployment rate or wages or job creation, is showing record growth; and because of this tax reform, more than 1 million jobs have already been created and more than 4 million Americans have received increased wages or bonuses.

The average tax cut in Louisiana for a family of four was more than \$1,700. That is not crumbs. That is real money for the people in my district, and it provides them with greater flexibility to save for the future.

Real benefits for real people, that is what tax reform delivered. I look forward to many more success stories because of this historic legislation.

HONORING COMMISSIONER ROY CHARLES BROOKS

(Mr. VEASEY asked and was given permission to address the House for 1 minute.)

Mr. VEASEY. Mr. Speaker, I rise today to join my fellow Texans in hon-

oring Tarrant County Commissioner Roy Charles Brooks for a tremendous year of leadership as president of the National Association of Counties.

For over 30 years, Commissioner Brooks has fought for underserved communities across Tarrant County. As a community volunteer, a city elected official, and county commissioner, his integrity, innovation, and fervor to help others has touched generations of Texans.

He has taken on issues such as healthcare for the homeless, infant mortality, obesity, criminal justice reform, mental health, and AIDS education; and this past year, he worked tirelessly to bring awareness to his presidential initiative Serving the Underserved: Counties Addressing Poverty.

The project has pushed over 3,000 counties to look at the role they play in alleviating poverty and to develop best practices to address vital societal needs, especially as pertain to early childhood development.

Through his work, he has created a community family that supports and lifts each other up, building hope and faith across Tarrant County. I honor his lifetime of work and his dedication to advocating for the toughest issues that our communities face.

CONGRATULATING THE NEVADA COUNTY FARM BUREAU

(Mr. LAMALFA asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LAMALFA. Mr. Speaker, I rise today to commend and note Nevada County Farm Bureau in my district in northern California that is celebrating this weekend their 100th anniversary of existence in Nevada County, helping farmers and ranchers with the very diverse types of crops they have, not like in the flatlands, but nestled in the foothills and the mountains of Nevada County.

They have different crops: hay crops, tree crops, even a level of forestry that they are all involved with there. The Farm Bureau has been a leader a long time in helping those folks to navigate regulations, ideas for better propagation of their crops, and just a better way to do things in the community.

We appreciate their leadership and all of their memberships to help make farming strong.

Congratulations to the Nevada County Farm Bureau on 100 years of helping their members in Nevada County.
