

rights. These incidents, several of which have been recorded on video, call into question whether ICE officials are conducting themselves in full accordance with federal law and agency policies and procedures.

I support having the appropriate personnel, equipment, facilities, and resources to protect our borders and enforce the rule of law in America, but immigration enforcement does not need to be militarized and operate with impunity. We can treat individuals in a humane and just manner and still prevent crime, reduce trafficking, and keep our country safe. People fleeing violence in their home countries and seeking asylum in the United States need to be protected, not fear more persecution. We must enact commonsense changes to improve accountability and protect the fundamental rights of immigrants—particularly those legally seeking asylum. I will continue pushing for rigorous oversight of ICE and reforms to our immigration enforcement system.

#### SENATE COMMITTEE MEETINGS

Title IV of Senate Resolution 4, agreed to by the Senate of February 4, 1977, calls for establishment of a system for a computerized schedule of all meetings and hearings of Senate committees, subcommittees, joint committees, and committees of conference. This title requires all such committees to notify the Office of the Senate Daily Digest—designated by the Rules Committee—of the time, place and purpose of the meetings, when scheduled and any cancellations or changes in the meetings as they occur.

As an additional procedure along with the computerization of this information, the Office of the Senate Daily Digest will prepare this information for printing in the *Extensions of Remarks* section of the *CONGRESSIONAL RECORD* on Monday and Wednesday of each week.
