RECOGNIZING THE CITI OPEN TENNIS TOURNAMENT

HON. ELEANOR HOLMES NORTON

OF THE DISTRICT OF COLUMBIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 24, 2018

Ms. NORTON. Mr. Speaker, I rise today to ask the House of Representatives to recognize the Citi Open Tennis Tournament, taking place July 28 through August 5, 2018, in Rock Creek Park, on its 50th edition in the District of Columbia. This tournament is not only a Washington tennis tradition, but also an economic staple in the region.

The Washington tennis tournament, now known as the Citi Open Tennis Tournament, was founded in 1969 by tennis legend and Hall of Famer Donald Dell and his business partner John Harris with the support of Arthur Ashe, the first African American to win both the U.S. Open and Wimbledon tournaments. Ashe declared he would participate in the inaugural tournament under two conditions: that the tournament would take place in a naturally integrated neighborhood, and that it would be played on public land where all people could come together, enjoy the sport and share the experience. Today, the tournament remains at its original location, 16th & Kennedy Streets NW, in Rock Creek Park.

In 1972, Dell gifted the tournament to the Washington Tennis & Education Foundation (then called the Washington Area Tennis Patrons), a nonprofit organization supporting local education causes for over 1,500 low-income and underserved children in the District.

The Citi Open Tennis Tournament draws the best players in the world, making D.C. a global tennis destination. The tournament is also seen on television in over 140 countries, contributing to the city's reputation as a tourist destination. Recent economic impact studies found that the estimated total gross impact of the Citi Open Tennis Tournament on the regional economy exceeds \$25 million annually. The tournament is the only Association of

Tennis Professionals 500 level event in the United States and one of only four professional tennis tournaments combining men's and women's events. It is also recognized as an international level tournament by the Women's Tennis Association.

Mr. Speaker, I ask the House of Representatives to join me in recognizing the tournament's 50th edition by celebrating "Tennis Week in the District of Columbia," commemorated July 28 through August 5, 2018, as well as acknowledging the Washington Tennis & Education Foundation for a world-class sporting event and contributions raised for D.C. youth.

Mr. BISHOP of Georgia. Mr. Speaker, I rise today to recognize the work and service of a dedicated educator, woman of grace, and

She served as an educator for many years before retiring and today, she serves as a Clinical Supervisor for the Mathematics Woodrow Wilson Fellows and an adjunct instructor at Columbus State University.

Carolyn's service also extends into her church life at Fourth Street Missionary Baptist Church in Columbus, Georgia where she is an active member. A dedicated servant of God, she has served in the Deacon's Wives, Christian Education, Pastoral Relations, and Men's and Women's Ministries.

Carolyn was first initiated in Alpha Kappa Alpha Sorority, Inc. through the Alpha Psi Omega Chapter in Wilmington, North Carolina, the first Greek letter organization among African-American women in Southeastern North Carolina. HONORING THE LIFE AND SERVICE OF OFFICER DIEGO MORENO

HON. DAVID G. REICHERT

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 24, 2018

Mr. REICHERT. Mr. Speaker, I rise today to remember Police Officer Diego Moreno who died in the line of duty on Sunday, July 22, 2018.

On that somber day, Washington State's law enforcement lost one of their own. Officer Diego Moreno from the Kent Police Department lost his life in the line of duty while placing spike strips while assisting to apprehend the suspects in an active vehicle pursuit.

Officer Moreno was loved by his community and his colleagues. Having grown up in Venezuela, Officer Moreno used his fluency in Spanish to help translate between his fellow officers and the large Hispanic population in the community in which they serve. The Kent Police Department said, "His contributions to our department and positive impact on his co-workers and the community have been significant."

An eight-year veteran with the department, Officer Moreno served in the civil disturbance unit as a hostage negotiator and a defense tactics instructor, and has been recognized for his heroic actions while serving with the department. After saving an elderly woman from a fire, Officer Moreno received the Chiefs Award for Exceptional Duty in 2016. He was also honored by the Kent City Council with the Lifesaving Medal for saving someone from an opioid overdose in June of last year.

Since his passing, Washington State has greatly mourned his loss. Our thoughts and prayers are with his loving family that he leaves behind, his wife and his two children. We also remember his colleagues at the Kent Police Department as they face the heartbreak of losing a coworker and friend.

Over the next week, in Kent, Washington, his family, friends, colleagues, and community will unite to celebrate his life and honor his service to our country. We recognize that same service here in Washington, D.C. today. I join with his family, friends, and community in thanking Police Officer Diego Moreno for his service.
