

Mr. Speaker, I urge my colleagues to support this measure, and I yield back the balance of my time.

Mr. ROYCE of California. Mr. Speaker, I yield myself the balance of my time.

In closing, Mr. Speaker, I would like to thank my colleagues, Chairman MCCAUL, Ranking Member ENGEL, and Mr. SIREs, for crafting bipartisan legislation to ensure that the State Department has the leadership and the direction to support America's energy diplomacy priorities.

Working with our allies and partners in the private sector, we can counter Putin's weaponization of his energy resources and provide our allies with a stable alternative to unreliable energy suppliers whose priorities are self-enrichment and geopolitical self-interest at the expense of a functioning market.

Mr. Speaker, I urge passage of this bipartisan bill, and I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from California (Mr. ROYCE) that the House suspend the rules and pass the bill, H.R. 5535, as amended.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the bill, as amended, was passed.

A motion to reconsider was laid on the table.
