

Mr. Speaker, I urge my colleagues to support this measure, and I yield back the balance of my time.

Mr. ROYCE of California. Mr. Speaker, I yield myself the balance of my time.

In closing, Mr. Speaker, I would like to thank my colleagues, Chairman MCCAUL, Ranking Member ENGEL, and Mr. SIREs, for crafting bipartisan legislation to ensure that the State Department has the leadership and the direction to support America's energy diplomacy priorities.

Working with our allies and partners in the private sector, we can counter Putin's weaponization of his energy resources and provide our allies with a stable alternative to unreliable energy suppliers whose priorities are self-enrichment and geopolitical self-interest at the expense of a functioning market.

Mr. Speaker, I urge passage of this bipartisan bill, and I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from California (Mr. ROYCE) that the House suspend the rules and pass the bill, H.R. 5535, as amended.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the bill, as amended, was passed.

A motion to reconsider was laid on the table.

Whereas, in the past several years, violent crimes, threats of violence, and other incidents of hate-motivated targeting of religious, racial, and ethnic minorities have increased across the United States;

Whereas, in 2015, hate crimes targeting Muslims in the United States increased by 67 percent, reaching a level of violence targeting Muslim Americans that the United States had not experienced since the aftermath of the September 11, 2001, attacks, according to the Federal Bureau of Investigation;

Whereas, in 2015, anti-Semitic incidents increased in the United States for the second straight year, according to the Anti-Defamation League's 2015 Audit of Anti-Semitic Incidents, which describes trends such as the tripling of assaults targeting Jews since 2012 and the rise of online harassment and hate speech directed at Jewish journalists and individuals through social media;

Whereas, in 2015, anti-Semitic incidents at institutions of higher education nearly doubled compared to the number of those incidents in 2014, and during the 2016–2017 school year there has been an increase in White supremacist activity on college campuses across the United States, according to the Anti-Defamation League;

Whereas, in 2015, among single-bias hate crime incidents in the United States, 59.2 percent of victims were targeted due to racial, ethnic, or ancestry bias, and among those victims, 52.2 percent were victims of crimes motivated by their offenders' anti-Black or anti-African-American bias, according to the Federal Bureau of Investigation;
