

Whereas, Approximately 8.6 percent of TRICARE beneficiaries, or approximately 894,724 uniformed service members and their families, are located in California, and thus it is estimated that California could be paying millions of dollars it is not responsible for if this issue of data sharing between TRICARE and CMS is not resolved; Now, therefore, be it

Resolved by the Senate and the Assembly of the State of California, jointly, That the Legislature of the State of California urges the United States Department of Defense and the United States Department of Health and Human Services to implement, and the United States Congress to require, if necessary, a resolution between the federal Centers for Medicare and Medicaid Services and TRICARE to immediately restore data sharing and to waive the one-year timely filing restriction for all claims caught in this stoppage; and be it further

Resolved, That the Secretary of the Senate transmit copies of this resolution to the President and Vice President of the United States, the Speaker of the House of Representatives, the Minority Leader of the House of Representatives, the Majority Leader of the United States Senate, the Minority Leader of the United States Senate, and to each Senator and Representative from California in the Congress of the United States.

POM-281. A joint resolution adopted by the Legislature of the State of California urging the United States Congress to act favorably in regard to legislation to have the Mare Island Naval Cemetery transferred to the Department of Veterans Affairs and that the National Cemetery Administration restore the cemetery to national cemetery standards and provide for perpetual care of the facility as dictated by those standards; to the Committee on Veterans' Affairs.

SENATE JOINT RESOLUTION NO. 26

Whereas, The Mare Island Naval Cemetery is the oldest military cemetery on the West Coast, and the final resting place for over 900 veterans; and

Whereas, The cemetery is a national sanctuary and should be maintained to the highest standards in honor of the military heroes who are buried there; and

Whereas, The Navy was forced to close the Mare Island facility under the United States government's Base Realignment and Closure program in 1996 and deeded portions of Mare Island's physical property and facilities, including the Mare Island Naval Cemetery, to the City of Vallejo; and

Whereas, The Navy did not provide funds to maintain and provide for the perpetual care of the cemetery, and therefore the cemetery became the City of Vallejo's responsibility; and

Whereas, The City of Vallejo has experienced significant financial difficulties and has been unable to maintain the cemetery to the standards expected of a facility where veterans are laid to rest, which has resulted in a continual deterioration of the site since 1996; and

Whereas, The South Napa earthquake added to the physical deterioration of the cemetery by knocking down some headstones and breaking others; and

Whereas, The National Park Service, in May 1975, listed Mare Island Naval Shipyard as a National Historic Landmark, and a park with hiking paths has been established at the western end of the island where the cemetery is located; and

Whereas, A petition has been created by veterans and concerned visitors with over 54,000 signatures, encouraging United States Department of Veterans Affairs (VA) ownership and the restoration of the cemetery; and

Whereas, The City of Vallejo does not have the funds to restore the cemetery and has formally requested the federal government reassume ownership of the cemetery, without compensation to the city; and

Whereas, Representative Mike Thompson has introduced legislation (H.R. 5588) in the United States House of Representatives that will direct the United States Secretary of Veterans Affairs to seek an agreement with the City of Vallejo, under which the city would transfer control of the Mare Island Naval Cemetery to the VA; now, therefore, be it

Resolved by the Senate and the Assembly of the State of California, jointly, That the Legislature urges the Congress of the United States to act favorably in regard to legislation to have the Mare Island Naval Cemetery transferred to the United States Department of Veterans Affairs and that the National Cemetery Administration restore the cemetery to national cemetery standards and provide for perpetual care of the facility as dictated by those standards; and be it further

Resolved, That the National Cemetery Administration provide continuing care for those interned in the cemetery, including those who are not veterans or eligible family members; and be it further

Resolved, That the Secretary of the Senate transmit copies of this resolution to the President and Vice President of the United States, to the Speaker of the House of Representatives, to the Majority Leader of the Senate, and to each Senator and Representative from California in the Congress of the United States.

POM-282. A resolution adopted by the Lauderdale Lakes City Commission, Lauderdale Lakes, Florida urging the rapid reunification of families separated as a result of the Administration's immigration policy; to the Committee on the Judiciary.

POM-283. A resolution adopted by the Lauderdale Lakes City Commission, Lauderdale Lakes, Florida expressing its concern, condemnation and outrage at and rejection of the implementation of the Administration's current immigration policies, particularly those which encourage and sanction the separation of families, and urging the United States Congress to forthwith take such steps as shall be appropriate to publicly condemn such policies and enact appropriate action to reverse the continuing application thereof; to the Committee on the Judiciary.

POM-284. A resolution adopted by the City Council of the City of Solana Beach, California memorializing its opposition to the Administration's zero tolerance policy, and any federal policy that removes children from families of immigrants who are seeking to enter our country; to the Committee on the Judiciary.

POM-285. A petition from a citizen of the State of Texas relative to constructing a physical barrier between the United States and foreign nations; to the Committee on Homeland Security and Governmental Affairs.
