HONORING MARY PAT SHELLEY

**HON. ANDY BARR**

OF KENTUCKY

IN THE HOUSE OF REPRESENTATIVES

*Friday, August 3, 2018*

Mr. BARR. Mr. Speaker, I rise today to honor Mary Pat Shely from Clark County, Kentucky. Pat has deep roots in Kentucky, as her ancestors settled in historic Boonesboro shortly after its founding by Daniel Boone.

As a young woman, Pat was a talented athlete and a champion in tennis, fencing, swimming, and golf. She taught herself to fly the Piper Cub that her father purchased for her. She was one of the first females allowed into the Civil Air Patrol in 1942. She served her nation honorably as part of the Kentucky Wing and earned the rank of 2nd Lieutenant.

Following her service during World War II, Pat graduated from the University of Kentucky in 1946. She later earned a master's degree from Columbia University. Pat had a career in education, teaching in colleges across the country. In 1963, she returned to Kentucky and began a career in agriculture on her family's farm in Clark County.

Mary Pat Shely is a well-respected member of her community, a good steward of the land, and an American patriot. As part of what has been described as The Greatest Generation, she served her nation well during World War II. For her faithful wartime service during this time, 2nd Lieutenant Shely and other members of the Civil Air Patrol were awarded the Congressional Gold Medal. This prestigious award, one of the highest civilian awards bestowed by the United States government, was presented to "unpaid volunteer members of the Civil Air Patrol during World War II providing extraordinary humanitarian, combat, and national services during a critical time of need for the nation."

It is my honor today to recognize this extraordinary Kentucky woman, Mary Pat Shely.

SPRING WOODS HS SPEECH AND DEBATE

**HON. TED POE**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Friday, August 3, 2018*

Mr. POE of Texas. Mr. Speaker, as the 2017–2018 school year came to a close, the

Spring Woods High School Speech and Debate Team concluded another successful year with a strong performance at the National Speech and Debate Association's National Tournament in Ft. Lauderdale, Florida.

Two members of the team logged notable performances in Florida. Anahi Torres, a senior, advanced to the semi-finals of the Prose Interpretation. Coming off of a 3rd place finish at the state tournament, junior Hunter Brown rose above the field to qualify for the finals of the Congressional Debate. In the finals, he rose to speak on proposed legislation addressing the U.S. Navy, oversight of the Justice Department, and other topical issues. He ultimately placed 13th, earning him the right to return to Nationals next year as a senior.

Success at the national and state level has long been a part of Spring Woods Speech and Debate team history. This year marked the 18th time Spring Woods appeared at Nationals, and Brown's performance this past June made it seven consecutive years that Spring Woods has advanced to the final round of the Congressional Debate at this particular tournament. The team has qualified for the University Interscholastic League State (UIL) tournament for the past 11 years, boasting UIL state champions and finalists during this period. Currently, SWHS is ranked 10th in the state of Texas for qualifications at the Texas Forensic Association's State Tournament, and at this year's tournament, SWHS had quarter-finalists, semi-finals, and finalists.

It is often said that a team takes on the personality of the head coach. No statement could be truer for the SWHS debate team. Under the phenomenal leadership of Victoria Beard, director of Forensics at SWHS for the past 13 years, the team has not only put in impressive performances at local, state, and national tournaments, but also provided valuable skills to its members. The students experience gained through the tournaments and the long, arduous hours of practice balanced between studying for AP exams and finals pays off after graduation. Quite literally, as many Spring Woods debaters earn full scholarships to prestigious institutions around the country such as Yale, George Washington, and the University of Texas. This past spring, a SWHS alum and former debater, Christian Rice, gave the commencement address at Yale. The other speaker that day—former Secretary of State Hillary Clinton.

Mr. Speaker, as a proud graduate of Springwoods Senior High School and a former member of the debate team myself, it is my honor to recognize the debate teams hard work and achievements. Congratulations to all who took part this year, and may there be many more that follow in your footsteps in the future.

And that is just the way it is.

**HON. J. FRENCH HILL**

OF ARKANSAS

IN THE HOUSE OF REPRESENTATIVES

Mr. HILL. Mr. Speaker, I rise today to honor Korean War Veteran Guy E. Carr.

Mr. Carr served in the U.S. Air Force from December 27, 1950 until November 3, 1953.

Mr. Carr was trained as a Senior Turret Systems Mechanic and Gunner, but upon ar-

He nonchalantly likes to state "we only crashed once" while in Korea.

Mr. Carr flew 54 combat mission while serving in Korea, and earned the Distinguished Flying Cross, two Air Medals, the United Nations Korean Service Medal, and the Korean Service Medal.

Mr. Carr truly exemplifies the Warrior Spirit that has seen our Nation through trying times.

OATH CEREMONY ON AUGUST 10, 2018

**HON. PETER J. VISCLOSKY**

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

*Friday, August 3, 2018*

Mr. VISCLOSKY. Mr. Speaker, it is with great pleasure and sincerity that I take this time to congratulate thirty individuals who will take their oaths of citizenship on August 10, 2018. This memorable occasion will be held at the United States Courthouse and Federal Building in Hammond, Indiana.

America is a country founded by immigrants. From its beginning, settlers have come from countries around the world to the United States in search of better lives for their families. Oath ceremonies are a shining example of what is so great about the United States of America—that people from all over the world can come together and unite as members of a free, democratic nation. These individuals realize that nowhere else in the world offers a better opportunity for success than here in America.

On August 10, 2018, the following people, representing many nations throughout the world, will take their oaths of citizenship in
