This group applied for membership in the United Plumbers Association (the UA) and in December of 1893, their application was accepted and they were organized in the UA as Plumbers Local Union 98.

Michigan's history, and that of the middle class here, is intertwined with the history of the labor movement. Local 98's fight on behalf of its members has been a vital part of that history. From its earliest days, Local 98 worked to achieve fair wages and working standards for its professional plumbers, but they also went further—offering their expertise to local government to help improve health department rules related to plumbing and assisting plumbing inspectors in their efforts to ensure that residents could count on plumbing work being done to high standards.

Throughout its 125 years, Local 98 has acted in the best traditions of its founding, and has also grown to meet the needs of its members and of the industry. In the 1950s, Local 98 negotiated contracts that included fringe benefits, including insurance and pensions, for its members and for their surviving spouses. Local 98 dedicated its Apprentice Training Center in 1968, allowing members to receive the highest quality professional training in a facility of its own, rather than at a variety of other locations. I had the opportunity as a young lawyer to represent Local 98 during some of these years. And in 2014, Local 98 partnered with Activate Clinic to provide preventative health care, acute care, and more at Local 98's headquarters in Madison Heights, Michigan.

Local 98's members have worked on projects large and small throughout Southeast Michigan, including landmark buildings like Little Caesars Arena, where the Detroit Red Wings play hockey and the Detroit Pistons play basketball; Ford Field, where the Detroit Lions play football; Comerica Park, home of the Detroit Tigers; and the many auto plants which are so vital to Michigan and the nation's economy.

Mr. Speaker, Detroit Plumbers Union Local 98 has played an integral role in the labor movement, in the lives of its members, and indeed in the creation of the middle class in our country. I encourage my colleagues to join me in congratulating the men and women of Detroit Plumbers Union Local 98 as they celebrate their remarkable 125 year history, and in wishing them continued success in their next 125 years.

CELEBRATING BETTY HIPLE'S 101ST BIRTHDAY

HON. JACKIE WALORSKI
OF INDIANA
IN THE HOUSE OF REPRESENTATIVES
Thursday, September 6, 2018

Mrs. WALORSKI. Mr. Speaker, I rise today to recognize Ms. Betty Hiple on her 101st birthday.

Betty Jane Hoke was born on September 6, 1917, in Huntington, Indiana, to Glen Foster Hoke and Ruth Mahoney. A Hoosier through and through, she has lived all of her life in northern Indiana. Three years after graduating from Huntington High School, she married Donald Duane Hiple on August 27, 1938. Over the next 13 years, they raised four children—Terry Lee, Merrily, Melody, and Richard Allen—and built a beautiful life together full of faith, love, and laughter.

Betty is steadfastly ambitious and has never stopped pursuing her dreams. After her children left home, she attended college for nursing and worked for Owens-Illinois until her retirement. More recently, she completed a tandem skydive at age 96 and a glider flight at age 97, and on the occasion of her 100th birthday, she served as the Grand Marshal of Swayzee Farm Days in 2017. From one adventure to the next, Betty has touched the hearts of so many people along the way. These days, she enjoys spending time in her flourishing garden and playing Scrabble with friends and family. I have no doubt her loved ones continue to learn from her enduring nature and high spirits.

Mr. Speaker, Betty Hiple embodies the virtues that we Hoosiers strive for in life, and she sets a strong example for us to follow. On behalf of 2nd District Hoosiers, I offer Betty a hearty congratulations on this incredible milestone, and I wish her many more years of continued health and happiness.

CONGRATULATING JUSTIN AND ELLEN RAHN FOR RECEIVING THE 2018 ILLINOIS FARM BUREAU YOUNG LEADER ACHIEVEMENT AWARD

HON. CHERI BUSTOS
OF ILLINOIS
IN THE HOUSE OF REPRESENTATIVES
Thursday, September 6, 2018

Mrs. BUSTOS. Mr. Speaker, I rise today to recognize Justin and Ellen Rahn of Mount Carroll for receiving the 2018 Illinois Farm Bureau Young Leader Achievement Award.

The Illinois Farm Bureau Young Leader Achievement Award recognizes exceptional young farmers for not only their success in agriculture, but for their strong leadership and commitment to our farming community. Justin and Ellen Rahn have been leaders within the Farm Bureau since 2005. From hosting young leaders’ meetings to serving on the Farm and Fork Committee, their involvement has enriched our community. Justin and Ellen Rahn both grew up on their family farms in northwestern Illinois, learning the strong work ethic of our farmers at an early age. Ellen went on to receive a degree in agronomy from Iowa State University and gained sales experience before later managing the Illinois territory for Hartung Brothers, Inc. Justin earned his degree in agricultural production and management from Kirkwood College. Justin and Ellen now run their own farm in Carroll County in addition to operating a seed dealer.

It is because of dedicated and hardworking people such as Justin and Ellen Rahn that I am especially proud to serve Illinois’ 17th Congressional District. Mr. Speaker, I would like to again formally recognize Justin and Ellen Rahn for all they do in the farming community.

SURRENDER OF THE EMPIRE OF JAPAN: SEPTEMBER 2, 1945

HON. TED POE
OF TEXAS
IN THE HOUSE OF REPRESENTATIVES
Thursday, September 6, 2018

Mr. POE of Texas. Mr. Speaker, the day was September 2, 1945. World War II was in
