

United States Air Force, where he completed 175 combat missions and received the Distinguished Flying Cross as well as several other awards.

James was inspired to research altitude decompression sickness, finding solutions to help astronauts and pilots across the country and around the world.

Before receiving the Founders Award, James won five other awards from the association and also served as president.

Mr. Speaker, I thank James Webb for his contributions to aerospace medicine. I urge my colleagues to join me in congratulating him on this award.

RECESS

The SPEAKER pro tempore. Pursuant to clause 12(a) of rule I, the Chair declares the House in recess until noon today.

Accordingly (at 10 o'clock and 57 minutes a.m.), the House stood in recess.

□ 1200

AFTER RECESS

The recess having expired, the House was called to order by the Speaker at noon.

PRAYER

Reverend Alexander Breckinridge IV, St. Thomas Episcopal Church, Medina, Washington, offered the following prayer:

God of love and mercy, the fountain of all wisdom, whose will is gracious and whose law is truth, fill the people of this Nation with a zeal for justice and hearts for mercy that we might each walk humbly before You all the days of our lives.

In times of prosperity, may we be filled with gratitude and thanksgiving, and in the day of trouble, let not our trust in You fail.

Grant that the Members of this House assembled may be guided by Your will to enact only such laws as are pleasing in Your sight to the glory of Your name and the well-being of our Nation and all the world; and let our words spoken here be charitable and patient and kind, that they may be a reflection of Your tender love for all Your people.

All these things we pray in Your most holy name.

Amen.

THE JOURNAL

The SPEAKER. The Chair has examined the Journal of the last day's proceedings and announces to the House his approval thereof.

Pursuant to clause 1, rule I, the Journal stands approved.

PLEDGE OF ALLEGIANCE

The SPEAKER. Will the gentlewoman from Hawaii (Ms. GABBARD)

come forward and lead the House in the Pledge of Allegiance.

Ms. GABBARD led the Pledge of Allegiance as follows:

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one nation under God, indivisible, with liberty and justice for all.

WELCOMING REVEREND ALEXANDER BRECKINRIDGE IV

The SPEAKER. Without objection, the gentlewoman from Washington (Ms. DELBENE) is recognized for 1 minute.

There was no objection.

Ms. DELBENE. Mr. Speaker, I rise today to recognize the Reverend Alexander, or Lex, Breckinridge, and to thank him for offering this morning's prayer. Father Lex serves as the rector of St. Thomas Episcopal Church in my hometown of Medina, Washington.

He always felt the call to ordained ministry in the church, but it took him awhile getting there. He was born in West Virginia. He went on to school in New Hampshire and North Carolina, and practiced law in New Orleans before attending a seminary in Austin, Texas. After serving the church in Austin, he found his way to the great Northwest and to our community.

Reverend Breckinridge is joined today by his wife, Zonnie. They have three children and have enriched the Medina community for 9 years. We value his service and appreciate his leadership and guidance that continues to impact so many lives. We appreciate him flying across the country to be with us today.

ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore (Mr. FRANCIS ROONEY of Florida). The Chair will entertain up to 15 further requests for 1-minute speeches on each side of the aisle.

NEVER FORGET SEPTEMBER THE 11TH

(Mr. WILSON of South Carolina asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. WILSON of South Carolina. Mr. Speaker, next Tuesday is the tragic 17th anniversary of the terrorist attack by radical Islamic jihadists who sought to destroy our freedoms on September the 11th, 2001.

The memories of the 3,000 innocent civilians who were killed at the Pentagon, the World Trade Center, and in rural Shanksville, Pennsylvania, will never be forgotten. We are reminded of the incredible heroes of that day, the selfless commitment of so many first responders helping their neighbors, co-workers, or complete strangers, with the leadership of President George W. Bush.

Since that fateful day, our Armed Forces have courageously fought to

prevent another tragedy by eliminating safe havens overseas. These servicemembers and their families who have paid the ultimate sacrifice deserve our eternal gratitude.

Unfortunately, the global war on terrorism is generational, as Islamic terrorists continue to barbarically murder civilians, killing people of Islamic faith first, in their attempt to establish safe havens to plot mass murder in America, as were the acts of 9/11. Today, I am grateful that President Donald Trump is rebuilding the military to protect American families.

In conclusion, God bless our troops, and we will never forget September the 11th in the global war on terrorism.

NEW TARIFFS RESULT IN HIGHER PRODUCT COSTS

(Mr. HIGGINS of New York asked and was given permission to address the House for 1 minute.)

Mr. HIGGINS of New York. Mr. Speaker, the White House's proposed list of new tariffs includes headwear, hats, and headgear. If a 25 percent tariff on these products were imposed, New Era Cap, the largest headwear company in the United States and based in my district, would be hurt.

Based in Buffalo, New Era employs 800 people in 19 States. New Era supplies official headwear for the National Football League, the National Basketball Association, and Major League Baseball.

Mr. President, you can't tariff your way to economic growth. A tariff is a tax levied by a government on imported goods by placing taxes on foreign component parts. These products become more expensive for American consumers. The imposition of these tariffs are a race to the bottom and will result in higher product costs for all Americans.

PROSTATE CANCER AWARENESS MONTH

(Mr. WILLIAMS asked and was given permission to address the House for 1 minute.)

Mr. WILLIAMS. Mr. Speaker, today I want to take a moment to talk about something very dear and near to my heart.

This year, over 160,000 men will be diagnosed with prostate cancer in the United States. That is one man every 3.2 minutes.

Many of my colleagues here today may not know this, but 3 years ago, I was one of those men. Fortunately, the cancer was caught early, and I was able to survive the diagnosis. Unfortunately, and it pains me to say this, this is not the case for roughly 30,000 men every year.

Mr. Speaker, the month of September is National Prostate Cancer Awareness Month, and we need to talk about this. It is the most common cancer among American men, and over 12,000 will be diagnosed this year in just Texas alone.
