ANNOUNCEMENT BY THE ACTING CHAIR

The Acting CHAIR (during the vote). There is 1 minute remaining.

□ 1541

So the amendment was rejected.

The result of the vote was announced as above recorded.

The Acting CHAIR (Mr. FERGUSON). The question is on the committee amendment in the nature of a substitute.

The amendment was agreed to.

The Acting CHAIR. Under the rule, the Committee rises.

Accordingly, the Committee rose; and the Speaker pro tempore (Mr. WEBER of Texas) having assumed the chair, Mr. FERGUSON, Acting Chair of the Committee of the Whole House on the state of the Union, reported that that Committee, having had under consideration the bill (H.R. 4606) to provide that applications under the Natural Gas Act for the importation or exportation of small volumes of natural gas shall be granted without modification or delay, and, pursuant to House Resolution 1049, he reported the bill back to the House with an amendment adopted in the Committee of the Whole.

The SPEAKER pro tempore. Under the rule, the previous question is ordered.

The question is on the committee amendment in the nature of a substitute.

The amendment was agreed to.

The SPEAKER pro tempore. The question is on the engrossment and third reading of the bill.

The bill was ordered to be engrossed and read a third time, and was read the third time.

MOTION TO RECOMMIT

Mrs. WATSON COLEMAN. Mr. Speaker, I have a motion to recommit at the desk.

The SPEAKER pro tempore. Is the gentlewoman opposed to the bill?

Mrs. WATSON COLEMAN. I am.

The SPEAKER pro tempore. The Clerk will report the motion to recommit.

The Clerk read as follows:

Mrs. Watson Coleman moves to recommit the bill H.R. 4606 to the Committee on En-

ergy and Commerce with instructions to report the same back to the House forthwith, with the following amendment:

Page 3, line 22, strike “; and” and insert a semicolon.

Page 4, line 2, strike “of 1969” and all that follows through the end and insert “of 1969; and”.

Page 4, after line 2, insert the following: “(C) such importation or exportation will not involve the use of any pipe line with respect to which eminent domain was, or will be, used to acquire land or other property necessary for its construction, operation, or maintenance.”.

Mrs. WATSON COLEMAN (during the reading). Mr. Speaker, I ask unanimous consent to dispense with the reading.

The SPEAKER pro tempore. Is there objection to the request of the gentlewoman from New Jersey?

There was no objection.

The SPEAKER pro tempore. The gentlewoman from New Jersey is recognized for 5 minutes in support of her motion.

Mrs. WATSON COLEMAN. Mr. Speaker, this is the final amendment to the bill, which will not kill the bill or send it back to committee. If adopted, the bill will immediately proceed to final passage, as amended.

We are here because our Constitution provided for a body that would represent the interests of the people. There are 435 of us, and our mandate is to represent the interests of individuals from coast to coast, and beyond to our territories, ensuring that our laws help each of them work toward the American Dream.

For many Americans, owning property is the pinnacle of that dream. Once they have achieved it, that is not something we, the Federal Government, should take away lightly, and that is a principle upon which I think my colleagues on the other side of the aisle would be particularly willing to agree. It is certainly not something that we should be letting companies impede upon.

Yet, current law allows pipeline companies, with authorization of the Federal Energy Regulatory Commission, or FERC, to circumvent landowner opposition and to use eminent domain to acquire people’s lands so that they can build pipelines, even if the product of those pipelines ends up being used overseas.

Why would we allow private companies, shipping our resources overseas for a profit, with no benefit to us here at home, to take away privately owned land from owners who don’t want to lose their property?

Worse still, compensation provided to the property owners is often far from fair or just, and the negotiations are rarely conducted in good faith. That is to say nothing of the polluting nature of these companies or our Nation’s continued reliance on fossil fuels.

When you take away all the environmental considerations and look only at the basic transaction here, we are giving away people’s private land to pipeline companies for no public benefit. In

fact, we are giving away people’s private land so that private companies can profit from selling liquefied natural gas to customers outside of the United States.

This body has fallen into a bad habit of corporate giveaways, but this is one of the worst.

With the recent boom in the domestic gas production, this is happening across the United States and harming property owners in many of our districts.

In my own State of New Jersey, residents, including my own constituents, are deeply concerned about the PennEast Pipeline Project, a proposed 118-mile, 36-inch gas pipeline stretching from northeast Pennsylvania to my district. More than 500 landowners, many of whom have vocally opposed the pipeline, will now have their properties cut up for construction.

Preventing these private, for-profit companies from having access to the eminent domain authority in section 7h of the Natural Gas Act would immediately halt abuse of that authority by private gas pipeline companies. It would place public interests over private profit. Most importantly, it will protect our constituents’ hard-earned pieces of the American Dream.

This is an opportunity for each of us to show that we are for the people, that we acknowledge our job is to serve the people’s interests, and that corporations shouldn’t be able to take private land.

It shouldn’t be a difficult choice because, if you are not here for the people, then you shouldn’t be here at all.

Mr. Speaker, I yield back the balance of my time.

Mr. OLSON. Mr. Speaker, I rise in opposition to the motion to recommit.

The SPEAKER pro tempore. The gentleman from Texas is recognized for 5 minutes.

Mr. OLSON. Mr. Speaker, this is just a procedural motion to deny the important benefits of this bipartisan legislation to American workers, businesses, our energy security, and global American energy dominance. It fits a pattern of delay and obstruction that we simply can’t afford.

Our neighbors in South America, Central America, and the Caribbean are praying for American LNG instead of fuel oil from unstable and collapsing Venezuela. Let’s answer those prayers today. Vote against the motion to recommit and for final passage.

Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. Without objection, the previous question is ordered on the motion to recommit.

There was no objection.

The SPEAKER pro tempore. The question is on the motion to recommit.

The question was taken; and the Speaker pro tempore announced that the noes appeared to have it.

RECORDED VOTE

Mrs. WATSON COLEMAN. Mr. Speaker, I demand a recorded vote.

A recorded vote was ordered.

The SPEAKER pro tempore. Pursuant to clause 9 of rule XX, the Chair will reduce to 5 minutes the minimum time for any electronic vote on the question of passage.

This is a 5-minute vote.

The vote was taken by electronic device, and there were—ayes 178, noes 231, not voting 20, as follows:

MOMENT OF SILENCE HONORING RONALD V. DELLUMS

(Ms. LEE asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. LEE. Mr. Speaker, I rise to remember the life and legacy of a great statesman and social justice warrior,

Congressman Ron Dellums, who passed away on July 30.

Mr. Speaker, the contributions that Ron made to our community, the Nation, and the world are endless. As a former marine and the first African American to serve on the House Armed Services Committee and later to become its chair, he was a true patriot and a hero.

As cofounder of the Congressional Black Caucus and the Congressional Progressive Caucus, Ron fought for the civil and human rights for everyone in America and around the world; also, he fought to end poverty.

As a social worker, Congressman Dellums made it his life mission to fight for the most vulnerable. That was evident in his fight against the brutal apartheid regime leading to the passage of his South Africa Sanctions Bill after introducing it 11 times. President Reagan vetoed the bill and Congress overrode the veto.

I am blessed to call Ron my dear friend, my predecessor, my mentor, and my former boss. I miss him tremendously, and I will hold him dear to my heart and the lessons that I learned from this great public servant.

My condolences are with the Dellums family, friends, and loved ones. His legacy and his spirit will be with us forever.

Now I ask my colleagues to join me, please, in a moment of silence for our great fallen hero.

The SPEAKER pro tempore (Mr. LEWIS of Minnesota). All Members please rise for a moment of silence.

ERDOGAN THE BULLY

(Mr. POE of Texas asked and was given permission to address the House for 1 minute.)

Mr. POE of Texas. Mr. Speaker, our supposed Turkish allies are holding Americans hostage. At least two Americans, Andrew Brunson and Serkan Golge, are being held by the Turkish regime on fake charges.

President Erdogan, an Islamist who has arrested thousands of Turks who oppose him and puts them in jail, believes that he can also imprison Americans and use them as bargaining chips. He hopes that he can trade American hostages for his political opponents that have fled Turkey.

Even if the individuals Erdogan wanted had clearly committed crimes, which there is absolutely no evidence they have, we should never engage in rewarding Turkey for taking hostages.

Erdogan the bully has proven he has no respect for the rule of law, and, instead, rules by fear, intimidation, threats, and terror. We must not assist him in his destruction of his own democracy.

American hostages like Pastor Andrew Brunson, who has been held for more than 600 days, must be returned immediately to America. Until then, Turkey should no longer be considered an ally of Americans but a kidnapper of Americans.

And that is just the way it is.

PERIPHERAL ARTERY DISEASE

(Mr. PAYNE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PAYNE. Mr. Speaker, I rise today to call attention to an epidemic, a pandemic of unnecessary amputations in our country. In the 21st century, non-traumatic amputations should be a thing of the past, but they are not.

Poor blood circulation because of peripheral artery disease often leads to amputations, and minorities are suffering disproportionately. In fact, African Americans with PAD are more likely to be amputated and less likely to have their lower limbs revascularized.

Across this country, people are having their limbs and digits amputated simply because they are poor, simply because they don't have access to healthcare until it is too late.

Yesterday, Mr. PAULSEN and I brought together experts from across the country to discuss ways Congress can prevent this unnecessary amputation issue. This is serious.

The problem is no one checks or does any screening prior to amputations. If a woman went in to her doctor and found a lump in her breast today and the doctor said well, we are just going to have to do a mastectomy, we would go crazy. So we need testing in this area as well because these limbs can be saved and Americans can go on and live the quality of life that they deserve in this Nation.

This is a serious health issue that affects people in all of our districts, and I look forward to continuing to work with both Democrats and Republicans to reduce unnecessary amputations.

SEPTEMBER IS NATIONAL CHILDHOOD CANCER AWARENESS MONTH

(Mr. OLSON asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. OLSON. Mr. Speaker, September is the National Childhood Cancer Awareness Month. It is a month about a young lady from home. Her name is Marlee Pack.

On April 10 of 2015, she was told a small bump on her left foot was cancer. Two weeks later, her left foot was cut off. Next was 40 straight weeks of chemotherapy in Houston. The chemo took all of her hair, but it never took her smile.

She kept smiling when her cancer came back in July of 2017. She smiled because she beat her cancer again. Marlee smiles because she is bathed in love from her parents, a teacher who let Marlee shave her head at school,
