

movement in Wisconsin, the nation and around the world.

Phil has been a proponent of developing strategies to upgrade worker skills and address changes in technology and the economy including initiatives such as the Wisconsin Regional Training Partnership and Worker Centered Learning initiatives that are now national models for training and job creation. He knew the labor movement must continuously evolve in order to stay relevant in today's fast-changing workforce environment. Further, Phil's vision for the labor movement extends beyond current union members and he continually took on projects that not only expanded the sphere of solidarity but improved the lives of all working families. He knows that a key to long-term prosperity and a viable middle-class is a dynamic public and manufacturing sector which is why Phil sought to bridge gaps between labor and the community by advancing economic development projects that benefited both union workers, as well as, the community at large.

Mr. Speaker, I am proud to call Phil Neuenfeldt my friend, he is a veteran and a father with deep roots in this community. I am pleased to recognize his strong fidelity to both the labor movement and its mission. I have known Phil for over two decades beginning while he served as Legislative Director and was always a welcomed visitor to my State Senate office. He willingly shared with me and my staff, both then and now, his knowledge and valuable insights about labor and many other issues.

The citizens of the Fourth Congressional District, the State of Wisconsin and the nation have benefited tremendously from his service because he has fought for the AFL-CIO mission: to raise wages, improve workplace safety, protect worker freedom to collectively bargain and for strong contracts that build strong communities to mobilize union members and community partners to advocate for social and economic justice and strive daily to vanquish oppression and make our communities better for all people—regardless of race, color, gender, religion, age, sexual orientation, or ethnic or national origin. I am honored for these reasons to pay tribute to Mr. Phil Neuenfeldt.

IN HONOR OF THE LIFE OF  
SERGIO MARCHIONNE

**HON. MARCY KAPTUR**

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, September 12, 2018*

Ms. KAPTUR. Mr. Speaker, I rise to pay tribute to the distinguished life of Fiat Chrysler CEO Sergio Marchionne. I extend my sincerest sympathy to the family, friends and colleagues of this gifted executive and business leader. My heart goes out to his children, Alessio and Tyler, as well as his partner Manuela Battezzato. Sergio and I had many interactions and conversations over the years and he is someone for whom I had the utmost respect.

Thanks to his indefatigable attitude and remarkable dedication, he shepherded the company through very turbulent times. After 2004, he worked closely and gained the trust of the Administration leading to the auto rescue preserving a long tradition and legacy of automobiles in Toledo, and across the region.

It will come as no surprise to the generations of workers in Toledo that Jeep continues to be named the 'most patriotic' brand in America. Thanks to the leadership of Sergio Marchionne, today, Toledo's Fiat Chrysler Automobile's Assembly Complex is one of the region's largest and most modern manufacturing plants.

Since 1941 when Willys-Overland first contracted with the United States Military to design the Willys MB, what would become the iconic Jeep Wrangler, Toledoans' life blood continues to run through every Jeep Wrangler in the world. And nearly 80 years later, our region's heritage and connection to Jeep grows stronger each day, being a part of and touching the lives of thousands of families.

Mr. Marchionne uniquely understood the power of the Jeep brand as a sign of America's can-do and industrious culture, tripling annual sales of the brand to 1.9 million automobiles in seven years. As the proud home of the Jeep Liberty, the Toledo community expresses its deepest gratitude to him for his productive life, sparkling imagination and respectful manner to both management and workers. Indeed, he understood in order to create a truly high-quality, global brand, workers need be given first-order priority.

Mr. Speaker, Mr. Marchionne surely left his mark on our community and throughout our auto-producing American Heartland. I am proud to join thousands of workers and others across the region in saluting his life and paying tribute to his legacy.

TRIBUTE TO SHERIFF FRED  
MCKEE

**HON. SCOTT R. TIPTON**

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, September 12, 2018*

Mr. TIPTON. Mr. Speaker, I rise today to honor Delta County Sheriff Fred McKee of Gunnison, Colorado for his steadfast service to his community as he prepares for retirement. For Sheriff McKee, service to his country started early. He spent three years in the United States Army and was stationed in Germany. Shortly after his military service ended, his 40-year career as a law enforcement officer in Colorado began.

He started as a dispatcher and detention officer with the Rio Grande County Sheriff's Office and in 1991, he was appointed Under-sheriff of Rio Grande County Sheriff's Office. As a result of his commitment to the community, Sheriff McKee was awarded the San Luis Peace Officer of the year award.

Early in 2000, the spread of methamphetamine reached epidemic levels in the Seventh Judicial District, where Sheriff McKee worked. He was instrumental in the implementation and ultimate success of the Seventh Judicial Drug Task Force that fought the use and distribution of methamphetamine. Sheriff McKee worked tirelessly for the Seventh Judicial Drug Task Force, and he also saw the importance of helping those who were addicted receive treatment.

With the assistance of Colorado Attorney General John Struthers, Sheriff McKee helped to create a comprehensive community response plan to combat and prevent methamphetamine use in 2006, which came to be known as "The Delta Model." He and his officers' hard work on this project led to their national recognition for this innovative program. Today, the program is still running strong thanks to Sheriff McKee's hard work and is now known as "Drug Free Delta County".

Throughout his career, Sheriff McKee made a name for himself in the law enforcement community and with the citizens of Delta County for being fair, honest and involved. Sheriff McKee is not only successful in his professional life, but his personal life as well. Sheriff McKee and his wife Julie, of 46 years, have raised two children, Landon and Shanda, and have been blessed with six grandchildren that keep them busy every day.

Mr. Speaker, on behalf of the Third Congressional District of Colorado, I would like to thank Sheriff McKee for his commitment to justice and service in Colorado. I wish him luck as he enjoys a well-earned retirement.

HONORING LOUISE ROURKE AND  
BRIDGET SIMPSON FOR THEIR  
SWIM TO FIGHT POLIO

**HON. ELISE M. STEFANIK**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, September 12, 2018*

Ms. STEFANIK. Mr. Speaker, I rise today to honor and recognize Louise Rourke and Bridget Simpson, who swam across Lake George to raise awareness and funds for polio.

Hailing from Queensbury, New York, Louise Rourke is a 64-year-old polio survivor. Diagnosed at only 6 months old, she underwent multiple corrective surgeries and wore a metal leg brace as a child. Despite these challenges, Louise was committed to living an active and healthy lifestyle, and pursued her love of swimming during her youth at her family's vacation home in Lake George.

Later in her life, Louise met Bridget Simpson, a long-distance swimmer who swam across Lake George solo in 2017. The two immediately became friends, both inspired by the other's story. Bridget began coaching Louise on her swimming techniques and encouraged her to pursue her own long-distance swim. The duo decided on a relay swim across Lake George, alternating swimming five to six miles at a time.

Swimming in support of polio research, Louise and Bridget started in Lake George Village at 6:30 a.m. on June 30, 2018, and completed the 32-mile relay across the lake to Diane's Rock in Ticonderoga in under 24 hours. Through their inspiring story, Louise and Bridget raised \$20,000 to help Rotary International's initiative to eliminate polio. The Bill and Melinda Gates Foundation matched these funds 2-to-1, totaling to a whopping \$60,000 toward the eradication of polio.

I am so proud of Louise's motivation and success in completing her goal, and of Bridget's dedicated mentorship. On behalf of New York's 21st District, I want to give Louise Rourke and Bridget Simpson my utmost praise and thanks for their dedication to eradicating polio.
