

Criminal Court, which directly disrupts the peace process.

Unfortunately, the PLO's efforts to subvert the International Criminal Court were advanced when former President Barack Obama refused to stand up for Israel in the U.N. Security Council.

While the PLO condemns Israel, it is, shamefully, paying payments to families of suicide bombers and terrorists as rewards for mass murder. Hakim Abard, who murdered five members of an Israeli family, receives \$14,000 a year from the PLO. The family of the murderer of American Taylor Force received benefits as a reward for that murder.

The administration had provided the PLO the opportunity to remain when their waiver lapsed, but, unfortunately, the PLO continues to sponsor violence against innocent American and Israeli citizens. President Trump made the right decision.

Our prayers for the people threatened by Hurricane Florence, with our appreciation for the first responders who are protecting American families in the tradition of 9/11.

ETHICS IN PUBLIC SERVICE

(Mr. SCHNEIDER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. SCHNEIDER. Mr. Speaker, President Trump campaigned to drain the swamp, but his administration has only accelerated the revolving door between the executive branch and industry lobbyists.

Last week, I introduced a bill to restore the rules surrounding executive appointee lobbying to the higher standards of the previous administration.

The Ethics in Public Service Act would make commonsense changes to make government more transparent and accountable. For example, it would close loopholes in the Trump administration's ethics pledge allowing former appointees to communicate with the agency where they worked and permitting former lobbyists to join an executive agency that they lobbied within the previous 2 years.

Government officials should not be shamelessly trading on their service for personal gain or to help out the special interests that previously employed them.

Our democracy will function more effectively, and the American people will be better served, by a stronger separation between public service and corporate lobbying. I urge my colleagues to join me in support of this legislation to clean up the system in Washington.

RECOGNIZING LAKE TRAVIS FIRE DEPARTMENT AND BEE CAVE POLICE DEPARTMENT

(Mr. WILLIAMS asked and was given permission to address the House for 1 minute.)

Mr. WILLIAMS. Mr. Speaker, today I want to take a moment to recognize the Lake Travis Fire Department and the Bee Cave Police Department that are in the great 25th District of Texas.

As we all know, yesterday marked 17 years since our country was attacked on September 11, 2001. We lost thousands of lives when terrorists wreaked havoc on the United States.

While we can never forget the anger and heartbreak we all felt, we must also never forget the heroic actions by our first responders. While people were running down the stairs to escape, men and women were running up 110 flights of stairs toward danger to save lives.

That day, we lost 343 New York firefighters, 37 Port Authority officers, and 23 New York P.D. officers.

While we can never truly thank them for their sacrifice, we can honor them for their courage and valor.

Yesterday, the Lake Travis Fire Department and the Bee Cave Police Department put on full gear and climbed 110 flights of stairs to commemorate those who never made it out while climbing those steps.

Mr. Speaker, our first responders are vital to the safety of Americans, and we must never forget to thank them for all they do. We must continue to pray for all those affected, and thank those who selflessly gave their lives for our Nation.

God bless our first responders, and God bless America.
