

economy that encompasses 1 out of 15 American jobs, I urge this Congress to take up full permanent funding for the Land and Water Conservation Fund.

Since its establishment 50 years ago, the Land and Water Conservation Fund has greatly benefitted my home district in Bucks and Montgomery Counties in Pennsylvania. Treasured public lands such as Nockamixon State Park, Tyler State Park, and cherished community venues such as Hatfield Community Park are all just a few of the examples of the beneficiaries of this valuable fund.

I am encouraged by the strong bipartisan support for permanent funding of the Land and Water Conservation Fund. I urge my colleagues on both sides of the aisle to continue its authorization and funding on a permanent basis.

Mr. Speaker, this must be a bipartisan priority, and we must get this done. The alternative is unacceptable.

**IMPOSING CERTAIN SANCTIONS IN THE EVENT OF FOREIGN INTERFERENCE IN A UNITED STATES ELECTION—MESSAGE FROM THE PRESIDENT OF THE UNITED STATES (H. DOC. NO. 115–152)**

The SPEAKER pro tempore laid before the House the following message from the President of the United States; which was read and, together with the accompanying papers, referred to the Committee on Foreign Affairs, Committee on the Judiciary, Permanent Select Committee on Intelligence, and Committee on House Administration, and ordered to be printed:

*To the Congress of the United States:*

Pursuant to the International Emergency Economic Powers Act (50 U.S.C. 1701 *et seq.*), the National Emergencies Act (50 U.S.C. 1601 *et seq.*), section 212(f) of the Immigration and Nationality Act of 1952 (8 U.S.C. 1182(f)), and section 301 of title 3, United States Code, I hereby report that I have issued an Executive Order declaring a national emergency to deal with the threat of foreign interference in United States elections and authorizing the United States Government to impose a range of appropriate and meaningful sanctions against foreign individuals and entities determined to have engaged in election interference.

Foreign powers have historically sought to exploit America's free and open political system. In recent years, the proliferation of digital devices and internet-based communications has created significant vulnerabilities and magnified the scope and intensity of the threat of foreign interference. To deal with this threat, I have directed the Director of National Intelligence to conduct regular assessments of any information indicating that foreign election interference has taken place. I have also directed the Attorney General and Secretary of Homeland Security to conduct evaluations of the effects of any such interference that tar-

geted election infrastructure or campaign-related infrastructure, and to provide updates and recommendations on appropriate measures to take in response.

In the event foreign election interference is determined to have occurred, the Executive Order provides for the imposition of sanctions on foreign persons determined by the Secretary of the Treasury, in consultation with the Secretary of State, to have engaged in, sponsored, concealed, or otherwise been complicit in the interference, as well as other related persons. The Executive Order further directs the Secretary of State and the Secretary of the Treasury to develop additional recommended sanctions measures, appropriately calibrated to account for the severity of the interference and any collateral effects on United States and allied financial stability and economic and security interests, targeting companies in significant economic sectors in a country whose government is determined to have engaged in or sponsored election interference.

I am enclosing a copy of the Executive Order I have issued.

DONALD J. TRUMP.

THE WHITE HOUSE, September 12, 2018.

**AMERICA IS #BETTEROFFNOW**

The SPEAKER pro tempore. Under the Speaker's announced policy of January 3, 2017, the gentleman from Kansas (Mr. ESTES) is recognized for 60 minutes as the designee of the majority leader.

**GENERAL LEAVE**

Mr. ESTES of Kansas. Mr. Speaker, I ask unanimous consent that all Members have 5 legislative days to revise and extend their remarks and include extraneous material on the topic of this Special Order.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Kansas?

There was no objection.

Mr. ESTES of Kansas. Mr. Speaker, I want to begin tonight by offering thoughts and prayers to the communities in the path of Hurricane Florence. My home State of Kansas is no stranger to natural disasters, and we are standing with those who will be impacted in the coming days.

Mr. Speaker, I want to talk about how we are all better off now. There has been a lot of talk lately about our country's economic recovery. Some of the debate recently has centered around when it started versus how it started. But really, it indicates one thing is real clear, that after years of stagnation, high unemployment, low wage growth, today, there is no denying that America is better off now than we were 2 years ago.

Tax reform and getting government out of the way has helped fuel this economic recovery. For 8 long years, we had an administration working against business growth. Now America has a President and Congress working to grow the economy.

In addition to our economy, progrowth policies have been championed that allow veterans, our Armed Forces, families, and small businesses in every sector and in every community to be better off now.

During this Special Order, I look forward to highlighting all the exciting things happening in my district in Kansas and around the country that are returning America to a place of strength, security, and prosperity.

Throughout the August district work period, I traveled my district discussing how Kansans are better off now thanks to legislation that enhances our economy, secures our community, and strengthens our military.

During the past month, I met with multitudes of small businesses and groups, some of which include: the Wichita Regional Chamber of Commerce; touring a wind farm in Pratt County; meeting with constituents at Dave's Pizza in Coldwater; learning about services provided at Medicine Lodge Memorial Hospital; meeting with constituents at Hibbard's Prescription Plus in Medicine Lodge; hosted a town hall for veterans; participated in a roundtable with the Realtors of south central Kansas; celebrated the ribbon cutting of two low-income housing projects in Wichita, one specifically designated for veterans; met with constituents at Tiger Town Pizza in St. John; toured the Golden Belt Feeders in Stafford County; met with constituents at Carr Auto-Electric in Larned; visited the Offerle Co-op; spent a day in Greensburg at the Big Well Museum, the school, the senior center, the art studio, and the media center; discussed the farm bill and several other issues related to our agriculture community as I went to several county farm bureau meetings; spoke at the West Wichita Sunrise Rotary Club; and toured the Textron Aviation manufacturing facility.

I travel home to Kansas every week and during the district work period to hear from constituents. Even though there is more work to do, my latest district work period made it clear, as I spent time in the district, that individuals, families, and small businesses across our State and country are better off now.

From our economy standpoint, the numbers really speak for themselves. The unemployment rate is near an 18-year low at 3.9 percent. Youth unemployment is at the lowest level in 52 years. Female unemployment is at the lowest level in 65 years. Black and Hispanic unemployment rates are the second lowest ever recorded. Veterans recently hit the lowest unemployment in 20 years.

Last quarter, our economy grew at 4.2 percent. For perspective on that, during President Obama's term, the economy only grew at an average of 1.9 percent.
