

There also needs to be an opportunity for people who have been displaced to return home. Catholic Bishop Abraham Desta of Meld recently brought to my attention that over two and a half million people are internally displaced and require the government's immediate attention, especially by providing education for displaced children, as the school year has already started.

The economy needs to grow to provide jobs for the many youth, including those who participated in protests and civic disobedience. Reforms in the economic sector, including liberalization and deregulation as well as an opening of economy to ethnic groups that have not been fully enfranchised, needs to continue.

It has also been said that the reforms begun by Prime Minister Abiy represent a "once-in-a-generation opportunity for Ethiopia." It is thus absolutely crucial that this opportunity not be squandered.

With this in mind, the United States must remain a partner Ethiopia can call upon. We collaborate on counter-terrorism measures, we support and are grateful for Ethiopia's contribution to peace keeping missions—indeed, with 12,000 troops deployed, Ethiopia is the largest contributor to UN peacekeeping missions worldwide—and we must continue to encourage Ethiopia to participate in our IMET military professionalization programs.

I do believe, having met the man and had an opportunity to engage in substantive discourse with him, that Prime Minister Abiy is the right man at the right time, and is therefore deserving of our support.

RECOGNIZING MR. GARY GREEN FOR RECEIVING A PERSONAL ACHIEVEMENT AWARD FROM THE HEALTHSOUTH REHABILITATION HOSPITAL OF ALTOONA

HON. BILL SHUSTER

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 13, 2018

Mr. SHUSTER. Mr. Speaker, I rise today to recognize Mr. Gary Green of Huntingdon, PA, one of the winners of the 25th annual Personal Achievement Award from the HealthSouth Rehabilitation Hospital of Altoona. This award is given to encourage and recognize those who have made an outstanding effort to deal with or overcome a disability. This year, Mr. Green has earned that distinction.

Mr. Green suffered a stroke in October of 2017 that affected his speech and body. Among his many challenges were numbness and weakness on the left side of his body, difficulty in performing daily tasks, and impaired memory. Mr. Green, aided by a positive attitude and the strong support of his wife, followed the therapy plan established at HealthSouth with tremendous success. Today—nearly a year later—he is able to walk, complete his daily living skills, speak clearly and swallow safely.

It is my honor to congratulate Mr. Green on his remarkable progress and promising improvements, as I believe that it is through role models like him that we all can learn to overcome our hardships. Furthermore, I am happy to recognize him for his perseverance, and I wish him the best as he continues to overcome this adversity.

Mr. COLLINS of Georgia. Mr. Speaker, I rise today to recognize a servant leader in my district who has made a tremendous difference in the lives of thousands in Forsyth County, Georgia. For more than half a century, Chief Danny D. Bowman has served as a Georgia firefighter displaying the values of selflessness, honor, and patriotism.

CELEBRATING DONI MILLER'S 25 YEARS OF PUBLIC HEALTH SERVICE

HON. MARCY KAPTUR

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 13, 2018

Ms. KAPTUR. Mr. Speaker, I rise to recognize the life profession of Doni Miller of Toledo, Ohio. Doni has given herself to the practice of public health administration and is being recognized in a silver anniversary celebration tomorrow evening.

After serving as an administrator in a public hospital, Doni took over the helm of Toledo's then-struggling Federally Qualified Health Center in 1993. Under her able leadership and steady guidance, Doni was able to turn around the ailing system within a few years and turn it into a premiere organization which is a model for others. Now, 25 years later, the Neighborhood Health Association is a conglomerate of fourteen clinics in neighborhoods throughout Lucas County, Ohio serving well the health care needs of thousands of people. Its clinics are a medical home for some of the most vulnerable among us and the services provided are life changing and life altering.

It is impossible to separate the growth and success of the Neighborhood Health Association from Doni Miller. Her skill at selecting the right person for the job, providing opportunity and accomplishment, has been an important part of the organization's incredible achievements. Doni Miller has sacrificed and persevered to bring the agency to the outstanding organization it is today. She has initiated creative and unique approaches to continue to develop the Neighborhood Health Association, and nurtures talent along with her.

Because of her intimate knowledge of health care delivery, Doni's counsel is sought after by

many, including myself. Her knowledge and advice is respected and well-earned. She is equally known for her ardent support of the rights of women and people who are underprivileged. In addition to her role as CEO of the Neighborhood Health Association, Doni Miller also served as President of the Toledo Lucas County Port Authority, is a founding member of the Black Women's Democratic Caucus, and has served on several other Boards and Commissions. She has been a political analyst for local television including Conklin and Company and Toledo Up-front. For several years she has hosted Bridges, a local public affairs television program focusing on important social and economic issues facing our community and nation. Just a few of the recognitions awarded to her include the Chamber of Commerce ATHENA Award, the YWCA Milestones Award, the state Democratic Women's Caucus Award, the African American Legacy Award and the 2016 NAACP Freedom Fund Award.

Her most important role is that of mother to a young woman successful in her own right. Doni Miller is a true community leader. Her abilities, compassion and leadership have lifted up community. She notes she is most inspired by Nelson Mandela's quote, "The elimination of poverty is not charity, it is justice." Doni Miller truly lives this creed and I am so proud to join our citizens in paying tribute to her.

COMMEMORATING THE 100TH ANNIVERSARY OF WILLIAM WOOD ELEMENTARY SCHOOL

HON. MICHAEL CLOUD

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 13, 2018

Mr. CLOUD. Mr. Speaker, I rise today to commemorate the 100th anniversary of William Wood Elementary School, an educational mainstay in the Victoria community.

The school's namesake, Mr. William Wood, was born in 1861 and died of pneumonia in 1900 at the age of 39. He married Nellie Borland on June 17, 1890. They owned and operated a ranch east of Telferner, Texas where they were prominent residents of the community. Their 5 children were Nellie, Frank P., Margaret, Corine, and Jessie. Upon his passing, his wife donated ten acres of land for the site of William A. Wood Memorial High School. It's assumed that being a former teacher herself had something to do with her choice of commemoration.

Construction began in 1918 and took two years to complete. On September 13, 1918, The Victoria Daily Advocate wrote: "The schoolhouse is beginning to go undercover as Mr. Gruy is putting up the framework of the roof". The building consisted of four classrooms with two rooms on either side of a large hallway. Construction of the school was not finished until 1920.

William A. Wood Memorial High School was added to the Shiller-Hood School District, which consisted of several small neighborhood schools. By the late 1940s, however, William A. Wood High School became the Shiller-Hood District's only school. In 1956, the Shiller-Hood School District ceased to exist, and the Victoria Independent School District
