

HealthSouth Rehabilitation Hospital of Altoona. This award is given to encourage and recognize those who have made an outstanding effort to deal with or overcome a disability. This year, Mr. Summers has earned that distinction.

Matt was involved in a motorcycle accident in September 2017 that left him with multiple fractures, a spinal cord injury and a Traumatic Brain Injury. Since the fateful day of that crash, he has made tremendous gains in his recovery. During his time in rehab, Matt was dependent on a wheelchair due to little muscle activity in his legs as well as nerve damage in his right arm from a vertebrae fracture. However, he worked hard in therapy to overcome many of his challenges, and regained his ability to walk and complete his daily activities independently. Matt returned to work in the construction industry in June, and continues to push himself to new limits.

I am honored to celebrate Matt's impressive efforts, as I believe that his dedicated and positive attitude is something many of us can learn from as we attempt to overcome the hardships in our lives. Furthermore, I am happy to recognize Matt for his perseverance, and I wish him the best as he continues on the road to full recovery.

HONORING SANTA ROSA JUNIOR
COLLEGE'S 100TH ANNIVERSARY

HON. MIKE THOMPSON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 13, 2018

Mr. THOMPSON of California. Mr. Speaker, I rise today to honor Santa Rosa Junior College on the 100th anniversary of its founding.

Santa Rosa Junior College (SRJC) is a vital pillar of our community and a leader of junior colleges in higher education. Santa Rosa Junior College was founded by community leaders. The original student body was comprised of nineteen individuals and they shared re-

sources with the local high school. During the Great Depression, SRJC secured land to build its permanent campus. Santa Rosa Junior College has expanded over the years to include a campus in Petaluma, the Southwest Santa Rosa Center, the Public Safety Training Center, and Shone Farm.

SRJC has educated 1.7 million students in its 100 year history and enrolls approximately 28,000 students of all ages each semester. Santa Rosa Junior College, in conjunction with the SRJC Foundation, is committed to making education accessible for all and working to ensure that all their students succeed. In addition to outstanding academics, the school has over 40 clubs, including conference-winning athletic teams, nationally ranked speech and debate teams, and outstanding theater, dance, and music programs.

Santa Rosa Junior College is the third largest employer in Sonoma County. Approximately 3,000 faculty and staff work at SRJC and devote their careers to helping students and our community. Additionally, the local economic impact of the college is \$1.6 billion annually, which has brought 26,000 jobs to the surrounding area. The SRJC Foundation raises funds for students and education programs at the college. The foundation is ranked number one among California community college foundations for endowment size and scholarship distribution, an honor it has worked hard to earn.

Mr. Speaker, Santa Rosa Junior College provides excellent opportunities for the members of our community. It is therefore fitting and proper that we honor it here today.

HONORING MRS. NANCY SCHÖN

HON. JOSEPH P. KENNEDY III

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 13, 2018

Mr. KENNEDY. Mr. Speaker, I rise today to honor Nancy Schön, a lifelong resident of the Fourth District of Massachusetts and a renowned sculptor, on the occasion of her 90th birthday on September 24, 2018.

Born in 1928, Nancy's interest in art began at a young age. Nancy graduated from the School of the Museum of Fine Arts with Honors in Sculpture in 1952, and her early work was inspired by her family, which has grown to include four children, many grandchildren, and a great grandchild.

Later in her career, Nancy began creating Public Art with a focus on teaching lessons. Her most famous piece, "Make Way for Ducklings," can be found in the Boston Public Garden and has a theme of promises kept and family values. This focus on lessons continues in her other pieces, such as the "Tortoise and Hare" sculpture at the finish line of the Boston Marathon and the "Winnie-the-Pooh and Friends" sculptures at the Newton Free Library.

Art has led Nancy many places, including the former Soviet Union, where she joined First Lady Barbara Bush to present her copy of "Make Way for Ducklings" to Raisa Gorbachev as part of the Strategic Arms Reduction Treaty (START). Nancy is active with non-profit organizations, and helped get the Lynch Family Skate Park built in Cambridge. Nancy is also an author, her memoir, "Make Way for Nancy" was published in 2017.

Across Massachusetts, we are proud to call Nancy Schön our neighbor and are grateful for her continued creativity. Mr. Speaker, I wish Nancy Schön a very happy 90th birthday. I am deeply humbled to represent her in Congress, and I hope her 90th year is the best one yet.

TALLULAH RIVER ROAD

HON. DOUG COLLINS

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 13, 2018

Mr. COLLINS of Georgia. Mr. Speaker, I rise today to thank residents of Tate City for advocating for people who live in and visit Northeast Georgia. These Georgians alerted me to the unsafe conditions of Tallulah River Road, which runs through Towns and Rabun Counties. This road is the sole route to Tate City and provides access to campgrounds, fishing streams, and destinations in the Chatahoochee National Forest and Appalachian Trail.

I wrote to the U.S. Forest Service requesting road repair and maintenance, and would like to thank them for making timely improvements to Tallulah River Road.

Following that letter, the talented Forest Service team, including a bulldozer driver named Brad, went to work clearing out ditches, removing roadside vegetation, managing potholes, and leveling and adding significant amounts of gravel to the road. Residents of Tate City have since reported that Tallulah River Road is easier to navigate and the surrounding area has benefited from the improvements.

None of this would have been possible without the advocacy of concerned citizens. I would like to thank the many residents of Tate City who reached out to help me represent the interests of Towns and Rabun County, including Larry Hamble, the Harrisons, the Lovvorns, the Masseys, the Gilsons, the Penlands, the Shrivens, the Van Camps, Robin Fisher, Brantley DeLoatche, the Lisicias, Steven Sickmond, Anne Taylor, the Jareks, Nikolai Len, the Eriksons, William Giordano, Steve Harvey, and the Foremans.
