

HONORING CATHEDRAL HIGH
SCHOOL'S CENTENNIAL ANNI-
VERSARY

HON. SUSAN W. BROOKS

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 13, 2018

Mrs. BROOKS of Indiana. Mr. Speaker, I rise today to pay tribute to Cathedral High School in celebration of its 100th anniversary. The people of Indiana's 5th Congressional District are forever grateful for Cathedral High School's commitment to preparing all students to be successful, competent, concerned, responsible, and ethical members of society. It is a pleasure to congratulate Cathedral High School in Indianapolis, Indiana in celebration of this special occasion.

Cathedral has been an integral part of the Indianapolis community since its founding by the Indianapolis Catholic Diocese on September 13, 1918. Founded as an all boys Catholic high school, Cathedral has seen tremendous growth, from 90 students in 1918 to nearly 1,200 today. Originally on the second floor of Cathedral Grade School at 13th and Pennsylvania, the school moved in 1927 to 14th and Meridian, where it stayed for 50 years. Today the school operates under the direction of the Cathedral Trustees, Inc. as an independent private institution located at 56th Street and Emerson Way. In 1988, girls were integrated into the student body for the first time.

Today, Cathedral is a premier Catholic high school in the Holy Cross tradition. The school draws students from Marion County and nine other central Indiana counties. Before attending Cathedral, students attended approximately 130 different schools. According to its mission, Cathedral "transforms a diverse group of students spiritually, intellectually, socially, emotionally, and physically to have the competence to see and the courage to act." This mission is carried out both in and out of the classroom by students, parents, teachers, administrators, and coaches through various academic programs and over 120 co-curricular activities. The Fighting Irish have a long history of excellence earning over 60 state championships across all their sports teams. With a 13:1 student-teacher ratio, Cathedral has a highly personalized, faith-based approach to learning. This approach has resulted in 100 percent of graduating seniors being accepted into colleges and universities across the country. Cathedral's commitment to its students and their success was recognized by the U.S. Department of Education in 1988, 2004 and again in 2016, when Cathedral earned the distinction as a "Blue Ribbon School of Excellence."

The school's personalized approach to education has made Cathedral home to a robust alumni network, with previous graduates numbering among some of the most accomplished business, community, government, and religious leaders in the state and country. These graduates strive to distinguish themselves as scholars, servant leaders and role models who are culturally competent, engaged in the global society, sound in mind and body and spiritually active.

It is important to our nation's future to encourage and raise a new generation of Americans who have the skills, knowledge, and

compassion to succeed both in and out of the classroom. Students like those at Cathedral give me hope that we will accomplish this vital mission. Their outstanding work is an inspiration to students, educators and parents across the nation. Congratulations on 100 years of excellence in the academic and religious education of Indiana high school students.

CELEBRATING CONGRESSMAN
JACK EDWARDS ON HIS 90TH
BIRTHDAY

HON. BRADLEY BYRNE

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 13, 2018

Mr. BYRNE. Mr. Speaker, I rise to celebrate my friend and predecessor, Congressman Jack Edwards. Congressman Edwards proudly and ably served Alabama's First Congressional District in the United States House of Representatives from 1965 to 1985.

Congressman Edwards has served our country and Southwest Alabama in numerous ways over the course of his life, starting in our nation's military. After graduating from high school, Congressman Edwards enlisted in the Marine Corps and served during the Korean War.

After graduating college and law school and a short time teaching at the University of Alabama, he moved his family to the Mobile area in 1954 and opened his own law firm. Congressman Edwards quickly became an active member of the Mobile community. He served as general counsel for the Gulf, Mobile, and Ohio Railroad and was active on the Mobile City Planning Commission.

He was elected to Congress in 1964 as a Republican. In Congress, he established himself as a very effective legislator, forming invaluable relationships with many of his colleagues thanks to his kind and friendly personality. Many of those relationships continue to this day.

One of his most notable accomplishments in Congress was his steadfast support for our nation's military. He used his position on the Appropriations Committee to advocate for the rebuilding and strengthening of the U.S. military. He also made transportation a top priority, and he played a key role in advancing the Tennessee-Tombigbee Waterway project and other projects that benefited Southwest Alabama and our state as a whole.

As a sign of his success and popularity as our Congressman, Jack Edwards was re-elected nine times, and he never faced any serious opposition. He established a proud tradition of having strong constituent services in his Congressional office, and helped countless residents navigate the federal bureaucracy.

After leaving Congress, Congressman Edwards returned to Mobile and held various roles in the local community, including his work as Chairman of the Mobile Area Chamber of Commerce and on the Mayor's Waterfront Advisory Committee. He deserves much of the credit for helping rebuild and revitalize Mobile, and it was his efforts that paved the way for the economic success we are experiencing today.

He also served on the Board of Trustees for the University of Alabama System from 1988 to 1999. He eventually held the position of

President Pro Tempore of the board before his retirement.

Jack Edwards has long-served as a mentor to me, and I value our friendship. He was the one who first sparked my interest in public service and encouraged me to get involved in improving public education in Mobile County. As Congressman, I still am fortunate to benefit from his advice and guidance. My wife, Rebecca, and I consider him and his wife, Jolane, as dear friends.

On behalf of Alabama's First Congressional District and the United States House of Representatives, I want to wish Congressman Edwards a very happy birthday. I look forward to celebrating many more in the years ahead.

UNITED STATES-ISRAEL SECURITY
ASSISTANCE AUTHORIZATION
ACT OF 2018

SPEECH OF

HON. ALCEE L. HASTINGS

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 12, 2018

Mr. HASTINGS. Mr. Speaker, I rise today in strong support of S. 2497, the Ileana Ros-Lehtinen United States-Israel Security Assistance Authorization Act of 2018, introduced by two of my fellow Floridians, the Chair and Co-Chair of the House Foreign Affairs Committee's Subcommittee on the Middle East and North Africa, Reps. ILEANA ROS-LEHTINEN (R-FL) and TED DEUTCH (D-FL).

This legislation takes a number of steps to reaffirm American commitment to Israel, one of our nation's closest allies and partners in security. Two years ago, the House of Representatives passed H. Res. 729, affirming Israel's status as a major strategic partner of the United States, reaffirming our policy of ensuring Israel Qualitative Military Edge (QME), and calling for the expeditious finalization of a new Memorandum of Understanding (MOU) between our governments. A new MOU was signed soon after, providing Israel with \$3.3 billion in Foreign Military Financing (FMF) grant assistance every year for the next decade. While I personally hoped that this figure would reach \$4 billion annually, the new MOU nevertheless reflected our commitment to Israel's security and our numerous cooperative programs in missile defense, cyber-defense, and aerospace.

The legislation we are debating today codifies this MOU into law, ensuring that it is the policy of the United States to provide assistance to the Government of Israel in order to support funding for cooperative programs to develop, produce, and procure missile and other defense capabilities to help Israel meet its security needs, and to help develop and enhance the defense capabilities of the United States. This legislation expands Israel's access to precision guided munitions for self-defense in the event of a sustained armed confrontation with armed groups such as Hezbollah or the terrorist organization Hamas. S. 2497 extends stockpile authority for war reserves in Israel, extends American loan guarantees, modifies the procedures for rapid acquisition and deployment of defense supplies, and takes important steps to improve upon Israel's QME, including new assessments of Israel's ability to effectively defend itself
