RECOGNIZING THE 90TH ANNIVERSARY OF HAYLOR, FREYER & COON

**HON. JOHN KATKO**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Thursday, September 20, 2018*

Mr. KATKO. Mr. Speaker, I rise today in recognition of the 90th anniversary of Haylor, Freyer & Coon, a small business in my district providing insurance assistance to residents across Upstate New York.

Haylor, Freyer & Coon was founded in 1928 when Barney E. Haylor and James McLusky opened a small four-person agency at the Herald Building in Syracuse, New York. Following the passing of Mr. McLusky, Barney Haylor partnered with Clayton F. Freyer in 1946 and Douglas Coon shortly after to establish the corporation that exists today. As time progressed, HF&C began to expand its presence by partnering with other local agencies across the state. Following the establishment of its Northern Divisions in 1984, Haylor, Freyer, & Coon grew to become the largest independently owned insurance agency in the state.

Today, Haylor, Freyer & Coon remains a leader within the insurance industry of Central New York. It has also been ISO 9001 certified by the International Standards Organization, which recognizes the agency's quality management principles and its strong customer focus. Staffed with a team of approximately 180 employees and 6 corporate offices, HF&C continues to be a valuable institution in the Central New York community.

Mr. Speaker, I ask my colleagues in the House to join me in celebrating Haylor, Freyer & Coon's 90 years of service to the state of

New York. As one of the top 100 independently owned insurance agencies in the United States, HF&C continues to stay true to the principles it was found upon nine decades ago.

Mr. KELLY of Pennsylvania. Mr. Speaker, I would like to recognize one of my constituents from Western Pennsylvania, Mrs. Elizabeth Lampkins. Elizabeth has been employed with the Shenango Valley Urban League since 1974 and has served as the director of the Woman, Infants, and Children program (WIC) since 1978. Elizabeth has spent the past 44 years selflessly serving others and building a legacy that is absolutely admirable. Although her successful career is coming to an end as Elizabeth is retiring, her efforts will continue to benefit the community for years to come.

Elizabeth is the beloved widow of Marion Lampkins, as well as a proud mother of three and a doting grandmother to five. In 1961, Elizabeth graduated from Choffin School of Practical Nursing and received additional certification from St. Elizabeth Hospital in Youngstown, Ohio. In 1974, following a life-threatening illness, Elizabeth began volunteering at the former Community Medical Education & Screening Center in order to help them create a program to address Sickle Cell.

After just one month of volunteering, Elizabeth was hired as a secretary and from that point forward she continuously advanced the program and her career. Elizabeth worked her way up from volunteer to secretary to counselor to coordinator and, ultimately, all the way to director. Being appointed as the Director of the WIC & Sickle Cell program was the start of the most rewarding endeavor of Elizabeth's career. She proudly took on the leadership role and always maintained her focus on "service first," which earned respect and admiration from colleagues at the Shenango Valley Urban League.

The Shenango Valley Urban League, which is proudly celebrating their 50th anniversary, is an organization that welcomes, empowers, and encourages all citizens and provides vital services to those in need. Elizabeth is the oldest employee at the Shenango Valley Urban League in both age and tenure, and she has proudly served under every Executive Director or President since the inception of the organization. Throughout her career, Elizabeth has worked tirelessly to advance the WIC program and ensure it continues to prosper and provide. In every role, in every effort, Elizabeth has displayed unparalleled integrity, dignity, and strength.

In addition to her loyalty to the WIC program, Elizabeth has actively participated in various civic organizations and advisory boards, making community service an integral part of her life. Elizabeth's expertise and participation has been beneficial to the following: Prince of Peace Center, Teen Parenting Advisory Board, United Way Budget Panel, Minority Health Advocacy Committee, Pennsylvania WIC Association, Mercer County Children &

Youth Services, Mercer County Family Centers, and Mercer County Comprehensive Health Planning Council.

Due to her noteworthy accomplishments, Elizabeth has been honored by many, including the Shenango Valley Urban League, National Urban League, Pennsylvania Association of WIC Directors, Pennsylvania Department of Health, and the Shenango Valley Women's Auxiliary. Furthermore, Elizabeth is an active member of the Second Baptist Church in Sharpsville where she has participated in various committees, choirs, circles, and also served as financial secretary and Sunday school treasurer. In every role, in every effort, Elizabeth has been an exemplary public servant and leader.

Elizabeth has been a catalyst for improvement throughout the community and her passion and dedication deserves praise. She is a leader in the truest sense of the word and a role model for those who are privileged to know her. Elizabeth has set a standard of excellence and generosity that will inspire others for generations to come and it is my honor to congratulate her on a distinguished career and a well-earned retirement.

Therefore, on behalf of the 3rd Congressional District, the State of Pennsylvania, and this nation, I would like to express sincere gratitude and appreciation to Elizabeth Lampkins—an extraordinary individual, a noble public servant, and a true Community Champion.

HONORING KARIN STRASSER KAUFFMAN

**HON. JIMMY PANETTA**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, September 20, 2018*

Mr. PANETTA. Mr. Speaker, I rise today to honor Karin Strasser Kauffman for her lifetime of environmental stewardship efforts to improve the quality of life for the women and children of the central coast of California.

Views of the Pacific coast from Highway 1 would be less spectacular without Karin’s efforts. As Chair of the Monterey County Board of Supervisors, Karin helped to restrict on-shore oil facility development in Monterey County and worked to ensure that breathtaking views of the Pacific remain unobscured for public enjoyment. Through the Big Sur Coastal Plan, Karin was also responsible for preventing the transfer of water out of Big Sur, thereby maintaining its verdant fields, waterways, forests, and biodiversity.

As a member of the Carmel River Watch citizen’s group, Karin’s efforts helped to create ecologically sound regulations for flood control, restore the riparian corridor, and improve water quality and wildlife corridors. This work led directly to the establishment of the Monterey Peninsula Water Management District. As its director, Karin was deeply involved in water conservation, water reclamation, and water resource allocations for Central Coast residents, including those living in affordable housing. Under Karin’s leadership, Monterey County revised flood-way and flood plain issues relating to the Carmel River and Toro Creek, safeguarding residents from historic flood control issues.

Karin is also deeply committed to women’s empowerment. Elected for the first time in 1984 and again in 1988, Karin was the second woman ever to serve on the Monterey County Board of Supervisors. She utilized her platform to appoint many other qualified women to positions and committees previously controlled by men alone. For her years of public service and commitment to the advancement of women’s representation, Karin was awarded the Paula Wainwright Peace and Justice Award in 2008 by the Carmel Valley Women’s Network—in addition to the Outstanding Political Woman of Monterey County award in 1985, Professional Woman of the Year in 1986, and the Monterey Bay Marine Sanctuary Award from the Association of Monterey Bay Area Governments in 1993.

I am grateful for Karin’s dedication to service to the Central Coast and have no doubt that she is an inspiration to all who have been impacted by her work. Mr. Speaker, I ask that my colleagues join me in recognizing Karin Strasser Kauffman’s service to the Central Coast.
