IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 25, 2018

Mr. COMER. Mr. Speaker, I rise today to recognize the Barren River Area Development District (BRADD) for their fifty years of service and dedication to the betterment of Western Kentucky communities. Since 1968, BRADD staff has assisted local economic leaders in securing federal funding for developing projects in each of the ten counties they serve, including five within the First Congressional District of Kentucky.

I am grateful for every staff member who has committed themselves to promoting economic and community development. The combination of their entrepreneurial spirits and sustained dedication to public service has not only enhanced the lives of individuals in the region, but has spurred economic opportunities and growth throughout the Commonwealth.

This significant milestone is a testament to their steadfast influence on the surrounding area and a recognition of their esteemed record of excellence. I join with those they have diligently served their fellow citizens throughout the last five decades and look forward to many more years of continued success from this outstanding organization.

TRIBUTE TO THE HOLLYWOOD SUNSET FREE CLINIC ON ITS 50TH ANNIVERSARY

HON. ADAM B. SCHIFF

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 25, 2018

Mr. SCHIFF. Mr. Speaker, I rise today to honor the Hollywood Sunset Free Clinic upon its 50th anniversary.

Since its inception in 1968, the Hollywood Sunset Free Clinic has been providing free healthcare services for the uninsured and low income of the Los Angeles community. This remarkable clinic offers a wide range of invaluable services, including women's and children's healthcare, general medicine, counseling therapy, HIV screening and education, laser tattoo removal for high risk youth, acupuncture, and clothing and food for the homeless.

I also want to recognize the phenomenal physicians, nurses, counselors, medical and clerical assistants, without whom the Hollywood Sunset Free Clinic would be unable to carry out this essential work. The time, skills, and training graciously donated by these outstanding volunteers have allowed the clinic to provide over 30,000 patient and client visits a year.

In addition to providing free healthcare services, the Hollywood Sunset Free Clinic is also

the home of the Cara A Cara Latino HIV/AIDS Project, which conducts outreach and community education to high risk populations. This project was one of the first of its kind and served as the impetus for others to follow.

I firmly believe, along with the clinic's board of directors, volunteers, and staff, that healthcare is a right, not a privilege, and I applaud the Hollywood Sunset Free Clinic for fulfilling this belief by providing critical care to the needy.

The assistance that the Hollywood Sunset Free Clinic has provided to the community is immeasurable, and the residents of the Los Angeles area have benefited greatly from their exceptional efforts. At this time, I ask all members of Congress to join with me in proudly commending the Hollywood Sunset Free Clinic for its fifty years of dedicated service to the Los Angeles community.
