

HONORING MATTHEW CHANEY

HON. JIM COSTA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 25, 2018

Mr. COSTA. Mr. Speaker, I rise today to honor Matthew Chaney, a member of the Merced High School Class of 1978 who has been recognized for his dignity, grace, and courage. Since graduating high school forty years ago, Mr. Chaney has made numerous contributions to his family and community, particularly in the last seventeen years with his fight against ALS.

After high school, Mr. Chaney attended the University of California, Berkeley and earned a degree in physical education. After graduating, Mr. Chaney began his professional career, which has included work in product development and sales in the chemical industry.

For the last thirty years, Mr. Chaney has been a devoted father to two remarkable gentlemen, having spent many years supporting the activities of his sons and community. He has served as a little league board member and remained active as a coach for both baseball and soccer, despite having lost the use of his arms. In Lafayette, California, the "Chaney Field" at the Lafayette Little League stands in honor of Mr. Chaney's contributions to his community and family.

Mr. Chaney also holds a passion for environmental protection. As a co-director of Bluefish.org, he helps lead an organization committed to facilitating an open, honest dialogue between citizenry, business, and government concerning the plight of Idaho's wild salmon and steelhead.

Since his ALS diagnosis in 2000 at the age of 40, Mr. Chaney has been an advocate for those affected by the disease through his involvement in many local and national fundraising and awareness efforts. Some of these include Major League Baseball's "4ALS" initiative with the San Francisco Giants, "Runs for ALS" Lafayette Little League campaign, and most notably for the ALS Association's Golden West Chapter, which he fundraised over \$1 million for.

On June 3, 2016 Mr. Chaney was honored as the recipient of the Spirit Award at The ALS Association Golden West Chapter's Annual Champions for Care and a Cure dinner as celebration for his determination for his efforts in the areas of advocacy, fundraising, and public awareness of ALS.

Mr. Speaker, I urge my colleagues to join me in honoring the accomplishments of Mr. Matthew Chaney. The courage, dignity, and grace he has exhibited while confronting each of life's challenges is truly exceptional. It is both fitting and appropriate that we honor him as the Merced High School Class of 1978 celebrates their 40th Class Reunion.

HONORING THE 25TH ANNIVERSARY OF THE COMMUNITY HEALTH PARTNERSHIP

HON. ZOE LOFGREN

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 25, 2018

Ms. LOFGREN. Mr. Speaker, I rise today to honor the 25th Anniversary of the Community

Health Partnership ("CHP") and acknowledge its work and accomplishments in our Santa Clara County community.

Community health centers provide an important safety net for our most vulnerable populations. Founded in 1993, CHP's mission is to meet the medical healthcare needs of our diverse population of underserved patients. CHP pursues this mission through the collaboration of a range of member organizations with combined budgets of over \$64 million.

CHP's Community Health Centers and Clinics served approximately 240,500 patients (714,600 patient encounters) in 2017 with approximately 55 percent of patients covered by Medi-Cal, 10 percent covered by Medicare or private insurance, and 34 percent uninsured. CHP's participating health centers employ multi-lingual, culturally competent staff to administer primary care and a wide range of other health programs and services, including dental care, optometry, mental health services, family planning, prenatal services, health education, nutritional care, and recovery support groups, as well as outreach and case management.

CHP is an essential resource for local health centers to help them maximize investments in the health care safety net, improve technology tools, and navigate the changing health care environment, including the implementation of the Patient Protection and Affordable Care Act. CHP's collaborative projects among a diverse group of organizations allow for the enhancement and expansion of available services for our low-income and most underrepresented patients.

Additionally, CHP participates in health care policy advocacy through close work with county partners on the implementation of health care reform and education of the public and relevant stakeholders regarding proposed legislation. As an active member of the California Primary Care Association, CHP offers insight on issues and policy that affect the medically underserved populations in our communities. To this end, CHP works closely with Santa Clara County Board of Supervisors, Santa Clara Valley Health and Hospital System, Valley Health Plan, Santa Clara Family Health Plan, the South County Collaborative, and the Silicon Valley Council for Nonprofits.

Mr. Speaker, I hereby recognize and commend CHP for its work on improving health care access in our community. Today, we honor the Community Health Partnership for its 25 years of leadership and advocacy in the health care sector.
