

are a number of Georgia companies spanning across multiple industries that have operations in Taiwan.

Our relationship, however, is much deeper than just trade. Two Georgia cities have sister city agreements with Taiwan—Atlanta (Taipei) and Columbus (Taichung). In addition, the wife and sisters-in-law of Sun Yat-sen, the founding father of the Republic of China, all attended Wesleyan College in Macon in the early 1900s.

The hard work, ingenuity, and tenacity of the people of Taiwan are to be commended on the 107th anniversary of the Republic of China. I look forward to many more years of continued cooperation and goodwill between our two nations in the years to come.

#### CHILDHOOD CANCER

### HON. MICHAEL CLOUD

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, September 26, 2018*

Mr. CLOUD. Mr. Speaker, childhood cancer is a horrific illness plaguing not only our nation, but all nations of the world. In 2017, despite childhood cancer being the No. 1 cause of death by disease in the U.S., research funding specifically for childhood cancer was less than 4 percent of all national cancer funding. Earlier this year, Congress passed legislation that would provide more funding for research and development to combat childhood cancer. Yet more must be done in our communities. For this reason, I rise today to commend the actions of a family dedicated to raising awareness of childhood cancer, pushing for more involvement from the community, and highlighting the troubling effects this epidemic has on those diagnosed and their families. This is a family that has gone through the process of diagnosis, treatment, and—in this case—remission themselves.

Lt. Richard Jankovsky III, a DPS patrol officer and President of the Department of Public Safety Officers Association (DPSOA), has worked tirelessly to protect those on our highways and enforce the law. Yet his biggest challenge came when he experienced the effects of childhood cancer firsthand as his daughter Kaitlyn grappled with the disease for years.

Kaitlyn was diagnosed with leukemia in August of 2014 when she was only 13 years old. Kaitlyn underwent chemo, countless transfusions, and multiple surgeries, including a complete hip replacement, on her path to remission. Her last chemo treatment was on November 10, 2016. Now a senior at Woodsboro High School, Kaitlyn has challenged high schools across the state to wear gold ribbons this month, following Governor Greg Abbott's proclamation recognizing September as Childhood Cancer Awareness Month.

A major issue many children like Kaitlyn face is access to blood for treatments. Cancer patients often need to replenish the blood lost during treatments, such as chemotherapy or radiation, which requires blood from healthy donors. In fact, the South Texas Blood and Tissue Center reports there is less than a two-day supply on shelves, which is why the Jankovsky family has helped the DPSOA host blood drives for the past few years. They know the importance of having clean blood for

treatments and have strived to bring their community together to help solve this problem.

The Jankovsky family has exhibited perseverance and selflessness, and it is an honor to recognize this extraordinary family and their commitment to raise awareness of childhood cancer.

Mr. COLLINS of Georgia. Mr. Speaker, I rise today to recognize a servant leader in my district who has made a tremendous difference in the lives of thousands in Forsyth County, Georgia. For over 50 years, Chief Danny D. Bowman has served as a Georgia firefighter displaying the values of selflessness, honor, and patriotism.

Mr. DUNN. Mr. Speaker, I rise today to honor the life of Mr. Frank Edward Christie who passed away August 19, 2018, at the age of 96.

Frank Christie lived a life of service to the American people—from his time on the beaches of Okinawa and Leyte Gulf to his passion for education back home, and dedication to his church.

He served as the Terrell County school superintendent in Dawson, GA and would go on to help start the Terrell County Recreational Program. Through his service to the school system, Mr. Christie was at the forefront of a peaceful and successful desegregation of the public schools during the mid-sixties.

On Sundays, you would find Mr. Christie and his wife singing in their church choir. For 26 years, Mr. Christie served as the Song Leader at his last church home in Alligator Point, Florida—Mission-By-The-Sea.
