

the football field, he was truly as caring as Mother Teresa off the field. He organized the summer lunch program for children in need at his church, Our Lady of Mount Carmel. He was always ready to lend a hand to someone in need or offer his smile to friends and strangers. He planned on attending Marian University's nursing program next year.

September is National Suicide Prevention Month. It is my hope we can remove the stigma of mental health issues so that all of us can help people like Evan who believe their only way to finding peace is by making a decision that can never be undone.

LARGE AGRIBUSINESS MERGERS

(Mr. KHANNA asked and was given permission to address the House for 1 minute.)

Mr. KHANNA. Mr. Speaker, I rise to urge support for the Food and Agribusiness Merger Moratorium and Antitrust Review Act of 2018. I am proud to be an original cosponsor of this bill introduced by Representative POCAN and an original founder of the Congressional Antitrust Caucus.

This bill is good for our farmers. It would place a short-term moratorium on the large agribusiness mergers that we are seeing across our Nation. Fewer farmers mean fewer choices for consumers and higher prices.

Agricultural consolidation is a huge problem. Today, the top four beef packers control 82 percent of the market. Missouri had 23,000 hog farms in 1985, but only 2,200 in 2012. Four companies control 85 percent of soybean processing. I could go on and on.

We need to temporarily stop these big mergers, and we need to start looking out for our farmers again. When the farm bill expires this week, small family farmers should be first.

RECOGNIZING BILL PICKETT

(Mr. SHIMKUS asked and was given permission to address the House for 1 minute.)

Mr. SHIMKUS. Mr. Speaker, I rise today to recognize Mr. Bill Pickett of Danville, Illinois, who is celebrating 50 years of reporting the news for Neuhoff Media.

Having recently graduated from Danville High School in 1968, Bill became one of the youngest newsmen in the business at 17 years of age. It wasn't very long after he started that Bill went live with his first story: an explosion at the grain elevator in Danville. Bill witnessed the fireball erupting and the walls of the elevator slowly crumble into a heap of debris. All that night, Bill provided live updates on the disaster. As the fire subsided, it became apparent to Bill that he had found his calling.

Over the past half century, Bill has gone from answering phones to being the news director for several news outlets. His duties require him to act as

investigative reporter, news gatherer, copy editor, and broadcaster.

Mr. Speaker, many voices have been raised in recognition of Bill's remarkable career, and I am pleased to be able to add my own to the chorus. I wish Bill and Neuhoff Media all the best in the future as we celebrate Mr. Bill Pickett's 50 years in radio.

RECOGNIZING LES JOHNSON

(Mr. BACON asked and was given permission to address the House for 1 minute.)

Mr. BACON. Mr. Speaker, I rise today to recognize Les Johnson, who served as the police chief of the town of Bennington in my district from 2004 until his untimely death this past August at the age of 51. He died from head injuries related to an off-duty incident.

People who knew Chief Les Johnson said he had a steady hand and was a big man with a big heart, and that he was an extremely kind and thoughtful person. Former Mayor Gordon Mueller recalled how Johnson worked to bring upgrades to the police department, including finding a good deal on a car, as the two squad cars were continuously breaking down. The superintendent of Bennington schools said Johnson would help with traffic at the beginning of the school year.

These are just a couple of stories representing his faithful service and work ethic.

Johnson joined the Bennington Police Department as a part-time officer in 1992. While it is a small department, a big man with a big heart led it.

Chief Johnson is survived by his wife, Alice Ann of Waterloo, and daughters, Paxton and Hannah. We send them our prayers and thoughts. We will miss Chief Johnson.

REAUTHORIZATION OF THE FEDERAL AVIATION ADMINISTRATION PROGRAMS

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, I rise today to applaud the passage of H.R. 302, the Federal Aviation Administration Reauthorization Act of 2018.

This bipartisan legislation includes a 5-year reauthorization of FAA programs that promote safety and American leadership in aviation. It also strengthens consumer voices and invests in our airport infrastructure.

Importantly, the Essential Air Service program was reauthorized for an additional 5 years through fiscal year 2023.

This program is vital for rural America. It ensures taxpayers in small, rural communities are connected to the national transportation system. This program provides links to hub airports at more than 170 locations in 36 States and territories, including three in my

congressional district, which would otherwise lack commercial air service.

Reliable transportation plays a key role in growing jobs all over the country, and rural America should be no exception.

Additionally, this bill includes important reforms to the Federal Contract Tower Program, which has a proven record of enhancing aviation safety and provides significant cost savings to the taxpayers.

Mr. Speaker, I am pleased the House approved this bill to keep all Americans connected to reliable and safe air transportation.
