## SUBMITTED RESOLUTIONS

## SENATE RESOLUTION 671—DESIGNATING SEPTEMBER 29, 2018, AS "NATIONAL URBAN WILDLIFE REFUGE DAY"

Mr. TOOMEY (for himself and Mr. BENNET) submitted the following resolution; which was considered and agreed to:

S. RES. 671

Whereas over 80 percent of people in the United States live in or near cities, which typically have limited opportunities for residents to access nature and experience outdoor recreation;

Whereas the National Wildlife Refuge System under the United States Fish and Wildlife Service manages 566 national wildlife refuges that constitute a national network of land and water managed for the conservation of fish, wildlife, and plants in the United States;

Whereas national wildlife refuges provide opportunities for people to discover and appreciate nature;

Whereas there is a refuge located within a 1-hour drive of every metropolitan area in the United States;

Whereas the Urban Wildlife Conservation Program under the United States Fish and Wildlife Service—

(1) focuses on introducing people living in densely populated areas to the more than 100 national wildlife refuges near urban areas; and

(2) promotes wildlife conservation and the enjoyment of hunting, fishing, and other wildlife-dependent recreational activities close to where people live;

Whereas the Urban Wildlife Conservation Program focuses on public-private partnerships—

(1) to improve wildlife conservation; and  
(2) to promote access to recreation on and off national wildlife refuges, including recreational activities such as hunting and fishing; and

Whereas by exploring community-centered approaches to address local needs, engaging the next generation of anglers and hunters, and providing infrastructure and safe access, the Urban Wildlife Conservation Program helps local organizations, cities, and towns across the United States engage in conservation activities; Now, therefore, be it

*Resolved*, That the Senate—  
(1) designates September 29, 2018, as "National Urban Wildlife Refuge Day";

(2) encourages the United States Fish and Wildlife Service to increase access to outdoor recreational opportunities for urban communities;

(3) encourages the people of the United States to visit and experience the more than 100 urban national wildlife refuges of the United States.

## SENATE RESOLUTION 672—EXPRESSING THE SENSE OF CONGRESS THAT ELECTRIC COOPERATIVE VOLUNTARY ENERGY REDUCTION PROGRAMS REDUCE ENERGY CONSUMPTION AND SAVE PARTICIPANTS MONEY

Mr. COONS (for himself and Mr. GARDNER) submitted the following resolution; which was considered and agreed to:

S. RES. 672

Whereas "Beat the Peak" is an electric cooperative voluntary energy reduction pro-

gram that saves participants money and encourages reduced energy usage by notifying participants of periods of peak energy consumption;

Whereas participants in electric cooperative voluntary energy reduction programs such as "Beat the Peak"—

(1) receive alerts during periods of peak energy usage when the price for energy is expected to be high; and

(2) have the opportunity to decrease power usage when demand and price are at the highest level;

Whereas participation in electric cooperative voluntary energy reduction programs reduces energy costs for all cooperative members;

Whereas electric cooperatives are non-profit utilities that transfer cost savings directly to cooperative members;

Whereas the 4 hottest summers on record have occurred during the 5-year period preceding the date of enactment of this resolution;

Whereas extreme temperatures produce sustained peak energy prices in competitive wholesale electricity markets;

Whereas electric cooperatives work to provide rural areas in the United States with safe, reliable, and affordable electricity;

Whereas electric cooperatives operate 833 electric distribution centers and 62 electric generation and transmission facilities;

Whereas electric cooperatives provide power to 42,000,000 people in the United States and cover 56 percent of the landmass of the United States;

Whereas Delaware Electric Cooperative, the first electric cooperative to create a "Beat the Peak" program, has saved members \$27,000,000 over the 10-year period preceding the date of enactment of this resolution and is on track to save members \$2,300,000 in 2018;

Whereas over 90 electric cooperatives across the United States offer "Beat the Peak" demand response programs; and

Whereas increased awareness of electric cooperative voluntary energy reduction programs may result in many more electric cooperatives adopting and offering those programs; Now, therefore, be it

*Resolved*, That the Senate—  
(1) celebrates the economic and conservation benefits of electric cooperative voluntary energy reduction programs such as "Beat the Peak";

(2) recognizes that voluntary energy reduction programs reduce energy usage, help the environment, and save money;

(3) encourages electric cooperatives across the United States—

(A) to adopt voluntary energy reduction programs such as "Beat the Peak"; and

(B) to promote those programs to members; and

(4) commends electric cooperatives that offer and support voluntary energy reduction programs.
