

County Deputy to become a certified Police and Corrections Instructor as well as the first Jail Administrator before taking on the role of Undersheriff. In 2010, he was appointed to fill the office of Essex County Sheriff and has since then run two successful campaigns. From the opening of the Department's new Public Safety Building to the success of his animal cruelty and opioid task forces, Sheriff Richard Cutting has undoubtedly made a lasting, positive impact on the Department.

Undersheriff Michael Badger started in the Sheriff's Department in 1987 as a Deputy Sheriff and Jail Dispatcher, and worked his way up through the ranks until he became Undersheriff in 2011. During his tenure in the Department, he implemented the Project Life Saver Program in Essex County and was instrumental in the Essex County Jail's transition to its modern Public Safety Building. Truly dedicated to serving his community, Undersheriff Badger also sits on the Essex County Drug Court and has served for 19 years as a volunteer firefighter in Moriah.

Both men have exhibited outstanding commitment to Essex County, leaving their positions with big shoes to fill. On behalf of New York's 21st District, I want to join the Essex County community in honoring Sheriff Richard Cutting and Undersheriff Michael Badger and thanking them for their many years of public service.

HONORING MICHAEL & LESLIE
TUGETMAN

HON. ELIOT L. ENGEL

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Friday, October 26, 2018

Mr. ENGEL. Mr. Speaker, I rise to honor two members of the Northeast Jewish Center Community who this year are being honored at the Center's Annual Event, Michael and Leslie Tugetman.

Michael is a talented musician, singer, songwriter as well as a family health physician who owns an urgent care practice. He performs in a Jewish music/Rock cover band, MIDlife with other physicians, lawyers, accountants, Real Estate executives and other professionals.

For most of her career, Leslie was a corporate interiors renovation project manager. For the past 11 years she was the office manager of a busy physician's office. These days she offsets her time by helping with administrative duties in Michael's practice. Leslie has been known to aid friends and family with interior design issues in their homes or offices.

Michael and Leslie are the proud parents of two wonderful children, Graham and Jessica. Graham, married to Alana, teaches the next generation of Jewish children in Toronto, and is a tremendously gifted drummer. They are the parents of two charming sons, Yonatan and Asher. Dr. Jessica, married to Dr. Noah, are busy training in Pediatrics and Surgery, respectively.

Michael and Leslie both have a terrific sense of humor and share a deep love for their community. The Northeast Jewish Center has made a terrific choice in honoring them with a Special Service Award at this year's Annual Event. Congratulations to them both on receiving this wonderful honor and I want to also thank them for their service to the community.

CELEBRATING THE 90TH ANNIVERSARY OF THE WARNORS THEATRE

HON. JIM COSTA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, October 26, 2018

Mr. COSTA. Mr. Speaker, I rise today to commemorate the Warnors Theatre of Fresno, CA on the occasion of its 90th anniversary. Since its creation on October 20, 1928, the Warnors Theatre has maintained its historic landmark graciously alive by providing continuous use of its facility for entertainment and live events for the local community to come together and enjoy.

For nine decades, the Warnors Theatre has thrived in the heart of downtown Fresno and today it is recognized as a historic entertainment icon. The Spanish revival architectural style facility has served the greater Fresno area through many entertainment events. The Berlin Philharmonic, AC/DC, The Clash, R.E.M. and Miles Davis are merely a small number of legendary artists and entertainers who have performed at the Warnors Theatre.

Since the amphitheater's founding, members have worked with the local community to ensure efforts towards its progression and continued success. Warnors Theatre presently strives to promote an enriched experience for the community.

With the passing of its former owner Frank Caglia, the facility was generously donated and is now looked after by a non-profit organization. Today, Warnors Theatre is a non-profit organization that continues to have a historical value in the community.

Mr. Speaker, I ask my colleagues to join me in recognizing the Warnors Theatre 90th anniversary. I commend the service of all the members of this organization who have worked collectively to assure the historic landmark continue thriving in serving the community.

70 YEARS OF DIPLOMATIC
RELATIONS WITH SRI LANKA

HON. DINA TITUS

OF NEVADA

IN THE HOUSE OF REPRESENTATIVES

Friday, October 26, 2018

Ms. TITUS. Mr. Speaker, I rise today to recognize that October marks 70 years of diplomatic relations between the United States and Sri Lanka.

I am proud to serve as Co-Chair of the Sri Lanka Caucus. U.S. development and humanitarian assistance to Sri Lanka, totaling roughly \$2 billion, has improved livelihoods and living conditions across Sri Lanka through substantial investments in agriculture, economic development, education, health care, energy, and humanitarian activities.

The 2015 presidential election in Sri Lanka paved the way for renewed engagement in support of Sri Lanka's commitments to reform and reconciliation. In December 2016, Sri Lanka was selected to develop a Millennium Challenge Corporation Compact. In August 2017, we celebrated the creation of the Sri Lanka America Association of Las Vegas to foster solidarity within the Sri Lankan commu-

nity in Southern Nevada. In February 2018, Sri Lanka and the United States signed a bilateral agreement to have the Peace Corps re-establish programs in Sri Lanka. The United States is Sri Lanka's largest export market; and as a partner legislature of the House Democracy Partnership, Sri Lanka's Parliament has engaged in training and exchange programs with the United States.

It is my hope that the U.S. will continue to support Sri Lanka on a path of reform and development and continue to reinforce our shared goals of regional security and stability, good governance, and commitment to democratic values. In doing so, our relationship will continue to flourish.

HON. JOHN GARAMENDI

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, October 26, 2018

Mr. GARAMENDI. Mr. Speaker, I rise today to honor Cathy Saderlund as a woman of the year. She is the epitome of public service, continuously making invaluable contributions with unparalleled selflessness and dedication. In her roles as Lake County Auditor-Controller and Disaster Finance Chief, she put forth extraordinary efforts during the eight wildfire disasters Lake County faced over the past four fire seasons. In the face of these repeated disasters, she served full-time in the Emergency Operations Centers while unflinchingly balancing the priorities and demands of her elected office. Ms. Saderlund repeatedly exceeded expectations as she managed disaster spending, tracked reimbursements, and made certain that all available state and federal support would be in place for future recovery efforts. Her value to the community in managing the enormous costs of these disasters cannot be overstated. Ms. Saderlund is dedicated to serving the public and continues to do so with excellence no matter what challenges may arise. In addition to her dedication to the duties of her elected position, she demonstrates her devotion to her community through her volunteer work. For more than 25 years, she has served as the Area Director for the local Special Olympics, spearheading year-round sports training and athletic competition for children and adults with intellectual disabilities. IN REMEMBRANCE OF MR. ROBERT
HEVEY

HON. ROBERT J. WITTMAN

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Friday, October 26, 2018

Mr. WITTMAN. Mr. Speaker, I rise today in recognition of the service of Mr. Robert Hevey

who passed away Monday, September 24, 2018. Robert Hevey honored his country with a long career of service, first as a United States Marine, and then for over 30 years as an electronic technician for the federal government. His life was an example of commitment, love and service from which all of us would be wise to learn.

Robert was born in Pawtucket, Rhode Island on May 10, 1930. One of six children, Robert enlisted with the Marine Corps when he was 17 years old in 1947, requiring his parents' approval. He served with the 1st Marine Corps Division, 1st Weapon Battalion as 81mm Mortar Platoon Squad Leader. Stationed at numerous locations from Guam to Quantico, Virginia, Robert served in the Marine Corps for four years before being honorably discharged in 1951.

In 1953, he married Miriam Freedman, who preceded him in death in February 2012, and they raised four daughters together: Karen, Carol, Beverly, and Andrea. He went on to have eight grandchildren and four great-grandchildren. A loving and devoted husband, father and grandfather, Robert was a model for all of us not only in his work, but in his personal life.

Mr. Speaker, I ask you to join me in honoring Mr. Hevey and in thanking the Hevey family for their incredible sacrifices, devotion, and service to our nation; words cannot express our gratitude. On behalf of America's First District, we say thank you.

HONORING THE WASHINGTON
AREA WOMEN'S FOUNDATION

HON. ELEANOR HOLMES NORTON

OF THE DISTRICT OF COLUMBIA

IN THE HOUSE OF REPRESENTATIVES

Friday, October 26, 2018

Ms. NORTON. Mr. Speaker, I rise today to ask the House of Representatives to join me in celebrating the Washington Area Women's Foundation (Foundation) and its Leadership Luncheon taking place on October 30, 2018, in Washington, D.C., and in recognizing the women and girls of color this organization supports.

The Foundation mobilizes the community to ensure that economically vulnerable women and girls in the Washington region have the resources they need to thrive. Since 1998, the Foundation has worked to transform the lives of women and girls in the Washington region through research, grants and advocacy. The Foundation has provided more than \$12 million in grants to more than 170 community-based organizations in the Washington region. The Foundation Leadership Luncheon has previously raised more than \$860,000 for women and girls of color and for local organizations.

As the Washington region's only public foundation specifically committed to investing in women and girls, the Foundation works to create economic opportunities that have positive ripple effects across society and open doors to progress. An open door can change a woman's life and the lives of those around her. Not all doors are open to all women. That is why we will not rest until all women, especially young women and girls of color, have equal access to economic security, safety and opportunity.

Mr. Speaker, I ask the House of Representatives to join me in recognizing the Wash-

ington Area Women's Foundation for its continued support of women and girls of color in the Washington region.

CELEBRATING THE 150TH ANNI-
VERSARY OF BLOOMFIELD COL-
LEGE

HON. RODNEY P. FRELINGHUYSEN

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Friday, October 26, 2018

Mr. FRELINGHUYSEN. Mr. Speaker, I rise today to celebrate Bloomfield College located in the Township of Bloomfield, New Jersey, on the occasion of its 150th Anniversary.

For 150 years, Bloomfield College has been helping students write their own stories. With its beginnings as the German Theological School founded by the Presbytery of Newark in 1868, the College has evolved to become one of New Jersey's best private colleges, serving a diverse population and preparing students for success in a multicultural and global society.

Originally located on the grounds of First German Presbyterian Church in Newark, New Jersey, the school moved to the former Bloomfield Academy on Franklin Street in Bloomfield in 1872, which was renamed Seibert Hall in honor of the school's first president, Reverend George Seibert. The hall served as a dormitory, classrooms, faculty housing, and library.

In 1909, the New Jersey Legislature authorized the school to grant the Bachelor of Arts degree in addition to a Bachelor of Divinity. In 1913, the German Theological Seminary changed its name to Bloomfield Theological Seminary.

Over the years, as the local population began to reflect greater diversity, students came to the college not only to study theology, but to gain a solid liberal arts education. In post-World War I years, the college received approval for a four-year program and the school's name was again changed to Bloomfield College and Seminary. In 1961, the school simply became known as Bloomfield College.

Today, Bloomfield College is on the cutting edge of innovation in higher education, offering over 60 majors and concentrations in seven academic divisions. Bloomfield is an institution where over 2,000 bold and courageous students from all corners of the globe can come to find themselves.

Mr. Speaker, I ask that you and our colleagues join me in congratulating Bloomfield College, on the occasion of its 150th Anniversary.

CONGRATULATING MRS. WINONA
BLOHM ON HER 100TH BIRTHDAY

HON. BLAINE LUETKEMEYER

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Friday, October 26, 2018

Mr. LUETKEMEYER. Mr. Speaker, I rise today to honor Mrs. Winona Blohm who is celebrating her 100th Birthday.

The world was a different place in 1918. The Model T was the newest car style with gas prices around 25 cents per gallon; the Eiffel Tower was the tallest structure in the world; Woodrow Wilson was President; and the Boston Red Sox won the World Series with the help of Babe Ruth. The average price for bread was 10 cents, butter was 58 cents, and eggs were 57 cents. And World War I officially ended with Armistice Day on November 11. The changes to the world in Mrs. Blohm's lifetime have been monumental and extremely exciting.

Mrs. Blohm was born in Black Walnut, Missouri and lived in the Portage Des Sioux area until she married Vincent Blohm in 1941. Vincent and Winona bought their farm in Orchard Farm, Missouri where she continues to live today.

Throughout her life, Mrs. Blohm has enjoyed numerous hobbies. For many years Winona and her husband served on the board of St. Charles County Farm Bureau and were active members. She is a skilled gardener and has produced many bountiful harvests. Using the lessons learned from their mother, Mrs. Blohm's children now plant a beautiful flower garden for her to enjoy every year. Of her many pastimes, she also loves creating beautiful wedding cakes and quilting elegant quilts for her family and loved ones.

Mrs. Blohm and I share a love of baseball and the St. Louis Cardinals. She enjoys watching the games and cheering the Cardinals on faithfully throughout their season.

Most importantly to her, Winona's daughters, Sharon and Janet and their husbands Vince and John, her six grandchildren, and 13 great-grandchildren are all joining her in celebrating this incredible milestone birthday.
