n.a. = not applicable; P.L. = Public Law.

As of the transmittal of this report, H.R. 6 had been signed into law, but not yet assigned a public law number.

a Sections 1001-1004 of the 21st Century Cures Act (P.L. 114-255) require that certain funding provided for 2017 through 2026 to the Department of Health and Human Services—in particular the Food and Drug Administration and the National Institutes of Health—be excluded from estimates for the purposes of the Balanced Budget and Emergency Deficit Control Act of 1985 (Deficit Control Act) or the Congressional Budget and Impoundment Control Act of 1974 (Congressional Budget Act). Therefore, the amounts shown in this report do not include \$771 million in budget authority, and \$767 million in estimated outlays.

b For purposes of enforcing section 311 of the Congressional Budget Act in the House, the resolution, as approved by the House of Representatives, does not include budget authority, outlays, or revenues for off-budget amounts. As a result, current level does not include those items.

c In the House of Representatives during the 115th Congress, pursuant to section 5111 of H.Con.Res. 71, the budgetary effects related to the Federal Reserve's surplus funds are excluded from current level totals. As a result, the amounts shown do not include estimated increases in revenues of \$655 million in fiscal year 2019, \$570 million over the 2019-2023 period, and \$455 million over the 2019-2028 period.

d Division I of P.L. 115-254 provided \$1.68 billion in supplemental appropriations for fiscal year 2019, and designated those amounts as being for emergency requirements pursuant to section 251 of the Deficit Control Act. In general, the budgetary effects of authorizing legislation are recorded as direct spending or revenue. However, consistent with the language in Division I, and at the direction of the House Committee on the Budget, those budgetary effects are classified as discretionary spending.

e In the House of Representatives, and pursuant to section 314(d) of the Congressional Budget Act, amounts designated as an emergency requirement shall not count for purposes of Title III and Title IV of the Congressional Budget Act, and are excluded from current level totals. In addition, emergency funding designated that was not designated pursuant to the Deficit Control Act does not count for certain budgetary enforcement purposes. Those amounts, which are not included in the current level totals, are as follows:

f Section 30104 of the Bipartisan Budget Act of 2018 required—in the absence of a concurrent resolution on the budget for fiscal year 2019—that the Chair of the House Committee on the Budget publish the aggregate spending and revenue levels for fiscal year 2019; those aggregate levels were first published in the Congressional Record on May 10, 2018. The Bipartisan Budget Act of 2018 also allows the Chair of the House Committee on the Budget to revise the budgetary aggregates:
