### PETITIONS AND MEMORIALS

The following petitions and memorials were laid before the Senate and were referred or ordered to lie on the table as indicated:

POM-304. A resolution adopted by the General Assembly of the State of New Jersey urging the United States Congress and the President of the United States to take certain actions to ensure that a woman can freely make reproductive health decisions and access reproductive health care, including abortion; to the Committee on Health, Education, Labor, and Pensions.

#### ASSEMBLY RESOLUTION No. 181

Whereas, Reproductive health is a critical component of a woman's overall health, and a woman's freedom to make reproductive decisions is vital to her safety, well-being, economic opportunity, and ability to participate equally in society; and

Whereas, Abortion is a part of women's health care; and

Whereas, In 1973, the Supreme Court of the United States determined, in the landmark case of *Roe v. Wade*, 410 U.S. 113 (1973), that a woman's decision to have an abortion is protected by the U.S. Constitution; and

Whereas, In 1992, and again in 2016, the U.S. Supreme Court upheld the right of women to access an abortion without undue burden; and

Whereas, More than 70 percent of Americans, including a majority of individuals from all major political parties, support access to abortion; and

Whereas, When it comes to the most important personal decisions in life, such as whether and when to become a parent, it is vital that a woman be able to make that decision for herself, based on what is best for her and her family, and it is further essential that the woman be provided with equal access to abortion and other reproductive health care, regardless of where she lives, how much money she makes, or her insurance or immigration status; and

Whereas, Judge Brett Kavanaugh, who has recently been nominated for a post on the U.S. Supreme Court, has a history of ruling to impose and uphold limits on a woman's ability to access safe and legal abortion, and his potential appointment to the Supreme Court therefore poses a serious threat to women's reproductive rights; and

Whereas, The protections affirmed by the Supreme Court in the landmark *Roe v. Wade* case, and in subsequent cases, are now at risk, and the future of access to safe and legal reproductive health care, including abortion, is on the line; and

Whereas, As a state, New Jersey has made great strides in supporting women's health care by restoring funding for family planning services, and ensuring Medicaid coverage for reproductive health care, including abortion; and

Whereas, New Jersey supports women's rights and women's health by facilitating full access to all reproductive health care, including abortion, and the State is opposed to federal measures or initiatives that will reduce women's rights or endanger women's health, in this regard, including the imposition of restrictions on insurance coverage for abortion, and the appointment of judges who are likely to impose limits on women's rights and their access to reproductive health care; now, therefore,

*Be it resolved by the General Assembly of the State of New Jersey:*

1. This House respectfully opposes efforts by the federal government to restrict or limit a woman's right and ability to access the full range of reproductive services, including abortion.

2. This House respectfully opposes any nominee to the United States Supreme Court who is not committed to upholding a woman's right to reproductive health care, including equitable access to abortion.

3. This House respectfully calls upon the Congress and President of the United States to reject or revoke the nomination of Judge Brett Kavanaugh and any other Supreme Court nominee who would move to limit the rights of women to access the full panoply of reproductive services, including abortion.

4. This House further urges the Congress and President of the United States to remove any existing restrictions on access to abortion, including restrictions on insurance coverage for women who are enrolled in public insurance programs.

5. Copies of this resolution, as filed with the Secretary of State, shall be transmitted by the Clerk of the General Assembly to the President and Vice President of the United States, the Majority and Minority Leaders of the United States Senate, the Speaker and Minority Leader of the United States House of Representatives, and every member of Congress elected from this State.

POM-305. A resolution adopted by the Mayor and City Council of Citronelle, Alabama memorializing their support for continued and increased exploration and production of the Gulf of Mexico, and urging the United States Congress to keep its commitment under the Gulf of Mexico Energy Security Act to share Outer Continental Shelf (OCS) revenues with Gulf producing states and their coastal political subdivisions; to the Committee on Energy and Natural Resources.
