ISIS IS RESURGING IN THE
PHILIPPINES

HON. TED POE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, November 27, 2018

Mr. POE of Texas. Mr. Speaker, ISIS fighters are regrouping in the Philippines. It was only a year ago that Philippine forces, with help from the U.S. military, retook the city of Marawi after a bloody five-month siege. Reports now suggest that fresh ISIS foreign fighters have arrived in the area and are preparing to unleash a new wave of terror. America must be prepared to blunt their resurgence.

It should surprise no one, that after the fall of ISIS's so-called caliphate in Syria and Iraq, that the terror group would disperse its fighters and attempt to build a new caliphate somewhere else. Two decades of fighting jihadists has shown they are an adaptive and relentless foe. ISIS itself was defeated by U.S. forces in Iraq almost a decade ago but because of Obama's naïve withdrawal, was able to rally new recruits and exploit instability in the Middle East. But we have learned our lessons and will not stand by as ISIS attempts another revival.

We are in a long war with ISIS, al-Qaeda, and other extremists. From Mali to Mindanao, America has stood ready to confront jihadism much as we stood ready to counter communism around the globe during the Cold War. The Philippines is a strategic ally of the United States and we will not abandon our commitments. We must see to it that the Philippines have what they need to crush ISIS's attempted comeback and ensure its lasting defeat.

ISIS's attempts to regroup will not end in the Philippines. Our successes against ISIS remain fragile and, without continued vigilance, can be undone. Our allies must know that the U.S. is prepared to stand with them but also note that it is their fight as well. It is their security that is most threatened by ISIS's crusade of terror. We are in this fight together until the ideology that drives Islamic extremism relegated to history.

And that's just the way it is.

RECOGNIZING THE 75TH ANNIVERSARY
OF THE LEBANON VOLUNTEER
FIRE DEPARTMENT

HON. JOE COURTNEY

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

Tuesday, November 27, 2018

Mr. COURTNEY. Mr. Speaker, I rise today to celebrate the 75th anniversary of the Lebanon Volunteer Fire Department and to thank its dedicated members for their commitment to their community and the residents of eastern Connecticut.

The Lebanon Volunteer Fire Department was founded in September 1943 by 53 Lebanon residents without any equipment or station of their own. The first chief of the company, Clark W. Standish, obtained permission from the State Forestry Department to use their truck and equipment until Lebanon could procure their own. Since the department's inception, its volunteers have consistently served the Town of Lebanon demonstrating courage and compassion in times of crisis and distress for their friends, families, and neighbors. For decades Lebanon Volunteer Fire Department has also provided the same exceptional and brave service to surrounding towns and communities under mutual aid agreements. The department has grown and adapted to the changing needs of the Town while remaining an all-volunteer force, providing fire, EMS, and hazmat services for the protection of life, property, and the environment.

This growth and innovation by Lebanon Volunteer Fire Department has intensified in the wake of the post-9/11 world. As my colleagues know, the new Department of Homeland Security, which was created in the wake of the tragedy, established the Assistance to Firefighters Grant Program which has provided recurring grants to local departments all across the country. The grant process is an annual one and requires knowledge and expertise for departments big and small to access these funds for needed equipment and training. In Connecticut's Second District, the Lebanon Volunteer Fire Department has graciously hosted annual AFG seminars for communities all across the region. Given that this program is competitive, Lebanon's willingness to share updates on ways to successfully navigate the grant process speaks highly of their commitment to public safety for all.

Mr. Speaker, I ask my colleagues to please join me in honoring these dedicated public servants both living and deceased, whose dedication and heroism have made this auspicious occasion possible. All firefighters and EMTs make sacrifices of time and take significant personal risks for the protection of the communities they serve. We in eastern Connecticut are ever so fortunate and grateful to be protected by the courageous men and women of Lebanon Volunteer Fire Department.
