

Time and again, the PBFD has remained vigilant and steadfast in their commitment to providing the best emergency services to the community. True dedication and generosity are characteristics frequently used to describe this department; once, PBFD firefighters pitched in to just to pay for gas to drive the trucks to the next emergency. Today, the future of the department looks bright, as it grows at an unprecedented rate and now includes four stations. I look forward to hearing of their continued success.

Congratulations on 50 years, Pelham Batesville Fire Department and district, and thank you for your continued services to the upstate.●

TRIBUTE TO LARRY COTTER

● Mr. SULLIVAN. Mr. President, today, on the occasion of his retirement, I would like to honor Lawrence P. "Larry" Cotter, a very special Alaskan who, for years, has given his heart and soul to our fishing industry, one of Alaska's most vital cultural and economic industries.

Larry began working in Alaska's commercial fishing industry in 1974, when he was a seafood processing worker in Juneau. He then spent 8 years as a labor organizer and representative for seafood processing workers and longshoremen. Additionally, Larry served on the advisory panel to the North Pacific Fishery Management Council for 6 years and then as a voting member of the council for an additional 6 years. The time of Larry's service on the council was during the transition years when foreign fishing was being phased out, our U.S. domestic fishing and processing capabilities were stepping up to replace the foreign fleets, and allocation issues among U.S. fisheries interests were first coming to the forefront.

These were difficult, challenging, and exciting times in Alaska's fishing industry, and Larry was on the frontlines for all of it, helping to shape the most sustainable, best managed fisheries in the world.

Until recently, Larry has served as founding CEO of the Community Development Quota—CDQ—Group, known as the Aleutian Pribilof Island Community Development Association, or APICDA, which has provided jobs and scholarships for thousands of Aleutian and Pribilof Island residents, and has helped develop the workforce and build infrastructure throughout the region.

Larry is my friend and a great Alaskan. His leadership in the seafood industry has helped make Alaska the "superpower of seafood."

Thank you, Larry, for your tremendous contributions to our sustainable fisheries. Enjoy your retirement, and best of luck in your continuing endeavors.●

(v) to be owned or controlled by, or to have acted or purported to act for or on behalf of, directly or indirectly, any person whose property and interests in property are blocked pursuant to the Executive Order.

I have delegated to the Secretary of the Treasury, in consultation with the Secretary of State, the authority to take such actions, including the promulgation of rules and regulations, and to employ all powers granted to the President by IEEPA as may be necessary to carry out the purposes of the Executive Order. All agencies of the United States Government are directed to take all appropriate measures within their authority to carry out the provisions of the Executive Order.
