mindful of the disastrous impact of cocaine, crystal meth, and drugs we haven't even heard of yet-the new synthetic drugs that are coming our way.

I believe that Federal programs like CARA and Cures are making a difference. We are working with our States that are passing their own legislation and helping in many ways. Our local communities are jumping in and figuring out innovative and creative ways of taking that Federal dollar and leveraging it with private sector money and with State and local money.

I believe we are going to make progress with the STOP Act in reducing the supply and therefore raising the cost of the drug on the streets. I think what you have seen in Dayton. OH, which was reported in the New York Times, can continue-and not just in Dayton, but in Toledo, Colum-Akron, Cincinnati, and St. bus. Clairsville—all over our State and all over our country.

We have a role to play here, and that is to continue to be better partners, as we have been over the last $2\frac{1}{2}$ years here in Congress—better partners with our States and with our local communities and with our families because, ultimately, this is an issue of the heart, isn't it? This is about the future.

We have some pages with us tonight. They are young people who are 16, 17 years old who come to this town because they are selected as bright, young people. They are listening-at least they are acting as though they are listening tonight; thank you. It is about you. It is about what kind of future you are going to have and what kind of future we are going to have, having safe and healthy communities.

Thank you.

I vield back my time.

The PRESIDING OFFICER. The Senator from Ohio.

ORDER OF PROCEDURE

Mr. PORTMAN. Mr. President, I ask unanimous consent that notwithstanding rule XXII, all postcloture time on the Farr nomination expire at 12 noon on Thursday, November 29; that if the nomination is confirmed, the motion to reconsider be considered made and laid upon the table and the President be immediately notified of the Senate's action; further, that notwithstanding rule XXII, the cloture vote on the Kraninger nomination occur at 1:45 p.m., Thursday, November 29; and that if cloture is invoked on the Kobes or the Kraninger nomination, all postcloture time be yielded back and the Senate vote on the nominations at a time to be determined by the majority leader, in consultation with the Democratic leader, but not before December 4.

The PRESIDING OFFICER. Without objection, it is so ordered.

LEGISLATIVE SESSION

MORNING BUSINESS

Mr. PORTMAN. Mr. President, I ask unanimous consent that the Senate proceed to legislative session for a period of morning business, with Senators permitted to speak for up to 10 minutes each.

The PRESIDING OFFICER. Without objection, it is so ordered.

ARMS SALES NOTIFICATION

Mr. CORKER. Mr. President, section 36(b) of the Arms Export Control Act requires that Congress receive prior notification of certain proposed arms sales as defined by that statute. Upon such notification, the Congress has 30 calendar days during which the sale may be reviewed. The provision stipulates that, in the Senate, the notification of proposed sales shall be sent to the chairman of the Senate Foreign Relations Committee.

In keeping with the committee's intention to see that relevant information is available to the full Senate, I ask unanimous consent to have printed in the RECORD the notifications which have been received. If the cover letter references a classified annex, then such annex is available to all Senators in the office of the Foreign Relations Committee, room SD-423.

There being no objection, the material was ordered to be printed in the RECORD, as follows:

POLICY JUSTIFICATION

Qatar-Advanced Medium Range Air-to-Air Missiles (AMRAAM) and Related Equipment and Support for NASAMS

The Government of Qatar has requested to buy defense articles and services from the U.S. Government in support of a Direct Commercial Sale of the National Advanced Surface to Air Missile System (NASAMS). The items Qatar requests include the following: forty (40) AIM 120C-7 AMRAAM missiles, one (1) spare AIM 120C-7 AMRAAM guidance section, one (1) spare AIM-120C-7 control section, eight (8) AMRAAM Captive Air Training Missile (CATM-120C), missile containers, classified software for the AN/MPQ-64F1 Sentinel Radar, spare and repair parts, cryptographic and communication security devices, precision navigation equipment, other software, site surveys, weapons system equipment and computer software support. publications and technical documentation. common munitions and test equipment, repair and return services and equipment, personnel training and training equipment, integration support and test equipment, and U.S. Government and contractor, engineering, technical and logistics support services, and other related elements of logistical and program support. The estimated cost is \$215 million.

This proposed sale supports the foreign policy and national security objectives of the United States by helping improve the security of a key partner which has been, and continues to be, a significant host and member of coalition forces in the Middle East.

This proposed sale improves Qatar's defense capability to deter regional threats and strengthen its homeland defense. The NASAMS capability would provide a full range of protection from imminent hostile cruise missile, unmanned aerial vehicle, rotary wing, and fixed wing threats. Qatar will have no difficulty in absorbing this equipment.

The proposed sale will not alter the basic military balance in the region.

The principal contractor and integrator will be Raytheon Missiles Systems of Tucson, Arizona. There are no known offset agreements proposed in connection with this potential sale.

Implementation of this proposed sale will not require the assignment of additional U.S.
