HONORING THE LIVES AND DEDICATED SERVICE OF BOYD AND RALPH HENDERSON OF POCATELLO, IDAHO

HON. MICHAEL K. SIMPSON

OF IDAHO

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 29, 2018

Mr. SIMPSON. Mr. Speaker, I rise today to recognize an outstanding set of twins from Idaho: Boyd Frank Henderson and Ralph Jay Henderson, who recently celebrated their 100th birthday. Those 100 years were marked by dedicated service to their country, church, and community, and I wish to recognize them for their outstanding contributions to Idaho.

As young men in 1941, the Henderson twins joined the United States Army. That same year, they left their wives and entered World War II in the 183 Field Artillery Battalion, fighting in North Africa and Europe. After being injured in combat, Boyd was awarded the Purple Heart and the Bronze Star for heroic achievement. Ralph showed extreme bravery and was awarded the Silver Star. Both learned and grew from their experiences in the United States Army and utilized these talents and skills throughout their lives.

Before joining the Army, the Henderson twins enjoyed many of life's accomplishments together. They both graduated from Pocatello High School in 1936, and in 1937 participated in Boy Scout and an Eagle Scout Courts of Honor. In 1941, both were married: Boyd to Ethel Chilton and Ralph to Lena Rawlins.

At the end of their tours of duty, the Henderson twills returned to Pocatello, Idaho. Boyd returned to his wife Ethel and had nine children. Ralph returned to his wife Lena and had five children. After Lena's passing, Ralph married LeNore Thompson Smedley in 2002.

Boyd and Ralph opened Henderson Lumber shortly after returning from the war. The twins contributed substantially to building the community of Pocatello. They also contributed politically and served in various leadership positions in the community. Boyd served as a Bannock County Commissioner for six years.

Boyd and Ralph were also both active in their church. In 1927, they were baptized into the Church of Jesus Christ of Latter Day Saints. Both held unpaid, lay clergy positions that helped countless members of their church, and both were called to serve as Bishops in their geographical area. Boyd also held the position of Stake President and Regional Representative, as well as serving for three years in Australia as a Mission President.

Few people live to be 100 years old and even fewer can share that day with a twin. Boyd and Ralph Henderson accomplished that on September 6, 2018. They shared their

100th birthday with each other, their families, and their friends. The 100 years that Boyd and Ralph have lived have helped shape Pocatello into the place it is today. Unfortunately, Ralph passed away on November 5, 2018. He will be missed by many, but undoubtedly none more than his twin brother, Boyd.

The family, friends, and community who have had the privilege of knowing Boyd and Ralph Henderson are proud of the lives they both have lived.

Mr. HASTINGS. Mr. Speaker, it is with great sadness that I rise today to honor the life and legacy of my dear friend and longtime Broward County politician, Reverend Josephus Eggelletion, Jr.

Joe was born on April 23, 1949, in Miami, Florida, to a family that, though of humble means, was rich in love for one another and their community. He graduated from Dillard High School in Fort Lauderdale and completed his undergraduate studies at Florida A&M University, before starting a life dedicated to public service and his community.

His political career continued when he was elected to the Broward County Commission, where he served until 2009.

FAITH, FAMILY, PHILANTHROPY,
AND FOOTBALL: REMEMBERING
BOB McNAIR

HON. TED POE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 29, 2018

Mr. POE of Texas. Mr. Speaker, Houstonians will never forget October 6, 1999, when the NFL announced that the 32nd NFL franchise had been awarded to American businessman, Robert C. McNair. This adopted

Texan will forever be remembered as the man that brought professional football back to Houston.

McNair grew up in Forest City, North Carolina, and graduated from the University of South Carolina in 1958. He and his wife, Janice, moved to Houston two years later. McNair founded Cogen Technologies, which became the largest privately owned cogeneration company in the world. He then sold the bulk of it to Enron in 1999 for \$1.1 billion with an eye toward becoming a National Football League owner.

During his nearly two decades as an NFL owner, McNair left a lasting mark on the city of Houston. His leadership and determination brought the NFL back to Houston, built a spectacular stadium, and was instrumental in bringing two Super Bowls to Houston.

Football was not the only good thing McNair gave to Houston. Throughout his life, McNair and his charitable foundations gave more than \$500 million to a countless number of scientific, literary, educational, and faith-based organizations. McNair chaired the Robert and Janice McNair Foundation and the Houston Texans Foundation for more than 25 years. Ten years before he became known to most of us and before he was awarded the Texans franchise, McNair and his wife started the Robert and Janice McNair Educational Foundation to ensure all students in his hometown who so desired, would have the opportunity to attend college. Thousands of individuals have now received a better education; changing their lives because of McNair's selfless character.

McNair passed away on Friday, November 23, 2018 at the age of 81. He is survived by his wife, Janice; two sons, Cal and Cary; two daughters, Ruth and Melissa, 15 grandchildren, and two great grandsons. McNair was once asked by the NFL Network how he would like to be remembered. He replied "I'd like to think that I'd be remembered as an honorable man, as a good Christian man, and that I always did things in a first-class manner and treated people honestly. I think that would be a good legacy."

Mr. Speaker, Bob McNair lived his life always revolving around four main values: Faith, Family, Philanthropy, and Football. May we all strive to live a life well lived around those kind of values, and to leave a positive impact like Bob McNair.

And that's just the way it is.
