MOMENT OF SILENCE HONORING THE LIFE OF ED PASTOR

(Mr. GRIJALVA asked and was given permission to address the House for 1 minute.)

Mr. GRIJALVA. Mr. Speaker, it is with much regret that I and my colleagues from Arizona ask for a moment of silence for our dearly departed former colleague, Ed Pastor, who re-

tired after more than two decades of service to this House.

Our sincere condolences to his beloved wife, Verma; his daughters, Yvonne and Laura; his grandkids; and his mom, whom he cherished and spoke about often.

A Member's Member is how Ed was described. He respected this institution. He treated his colleagues with good humor and with honesty.

His advice and calmness will be missed, but in Arizona, as elsewhere, he will be memorialized as a giant in the history of our State.

Ed Pastor will be missed. He contributed much, he gave much, and he respected the people whom he worked with and this institution that he loved.

With much regret, a moment of silence for our departed colleague, Ed Pastor.

HONORING THE LIFE OF CARRIE JOHNSON

(Mr. RUTHERFORD asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. RUTHERFORD. Mr. Speaker, I rise today to honor the life of Ms. Carrie Johnson, a Lincolnville icon who, sadly, passed away earlier this week in St. Augustine, Florida.

Depending on whom you talked to, Ms. Johnson had many different names. To some, she was "St. Augustine's Sweetheart" or the "Voice of Lincolnville." To others, she was simply "Miss Carrie." But to all of us, she will always be remembered as an irreplaceable piece of our northeast Florida community who truly lived to serve others.

Born out of her life's creed, "A mission of love, a message of hope," she began a foundation for homeless students in St. Johns County. She organized annual Christmas caroling to nursing homes, and she was even considered an honorary officer by the local police, who loved her and who often came to her for guidance.

She could be seen on any given day riding her "Lamborghini" tricycle around town, spreading kindness and hope to everyone she met.

Her passing will leave a hole that can only be filled with the countless stories of the people whom she touched.

I am thankful for her dedication to making the world a better place for those around her and grateful that her memory lives on forever. She was a mission of love and a message of hope.

CELEBRATING THE BEDFORD HIGH SCHOOL GIRLS SOCCER TEAM

(Mr. SHUSTER asked and was given permission to address the House for 1 minute.)

Mr. SHUSTER. Mr. Speaker, I rise today to celebrate the achievements of the Bedford High School girls soccer team of Bedford, Pennsylvania.

The Lady Bisons capped off an unbeaten season by bringing home the

PIAA Class AA State championship on Saturday, November 17.

This is a monumental accomplishment for the school. It is Bedford High School's first State championship in any sport. It is the first school from District 5 or 6 to win a State championship in their history.

The Lady Bisons defeated the Lewisburg Green Dragons in overtime 1-0, finishing their season with a perfect record of 22-0.

The Lady Bisons, coached by Jeff Thomas, were led to victory by their five seniors—Jenna Brown, Bailey Donaldson, Brooke Lankey, Hallie Sisk, and Amber Thomas—who scored the winning goal on a penalty kick just 52 seconds into overtime at Hersheypark Stadium.

Mr. Speaker, I am honored to congratulate the players, the coaches, and the families of the Bedford High School girls soccer team on their Pennsylvania State championship.

The passion, commitment, and teamwork shown by these young women will surely follow them in their future endeavors as well as inspire the Bedford community for years to come.

RECOGNIZING DR. ABRAHAM LIEBERMAN

(Mr. GOSAR asked and was given permission to address the House for 1 minute.)

Mr. GOSAR. Mr. Speaker, I rise to honor Dr. Abraham Lieberman, who just recently announced his retirement. Dr. Lieberman has been a practicing neurologist for over 50 years, working at the Barrow Neurological Institute in Phoenix, Arizona, for much of his career.

Dr. Lieberman dedicated his life to the treatment and eradication of Parkinson's disease, treating over 40,000 patients, including Muhammad Ali. He wrote six books on Parkinson's, including "100 Questions & Answers About Parkinson's Disease," the best-selling book on that disease.

His work has done an immeasurable amount of good in furthering the treatment of Parkinson's and to help create a much greater quality of life for those who have the dreaded disease.

I am pleased that the Barrow Institute has created a way that people can honor Dr. Lieberman by setting up the Lieberman Legacy Fund so individuals can donate money towards Parkinson's research and treatment.

I wish Dr. Lieberman a long and happy retirement with his wife of 50 years, Ina, his 4 children, and 10 grandchildren.

Dr. Lieberman's pursuit to conquer Parkinson's has endeared him to his patients, with his personalized touch to each and every one of them. He has become an iconic pillar of excellence in medicine.

Your patients are so grateful. Thank you, Dr. Lieberman.
