

families in every corner of our district and State can obtain coverage, and nearly 700,000 Pennsylvanians are now covered.

Thanks to the Affordable Care Act, Americans of every background can choose from a range of plans to find one that works for them and their family free from discrimination over gender, sexual orientation, race, or pre-existing conditions. However, there is still work to be done.

Healthcare is a right, not a privilege. While the Affordable Care Act has brought us closer to universal coverage, we must build on this progress. In the coming months I look forward to working with my colleagues in the House to make clear that we need to move away from our profit-driven healthcare system toward a society where affordable, high quality care is the birthright of every single child, woman, and man in this country.

CONGRATULATING THE MCCOMB HIGH SCHOOL FOOTBALL TEAM

(Mr. LATTA asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LATTA. Mr. Speaker, I rise today to congratulate the McComb High School football team for winning the Ohio State Division VII Championship. The Panthers won their second title in school history with a 28-3 victory over Glouster Trimble.

McComb showed great fortitude in reeling off eight straight wins on their way to the title. Including freshmen, the Panthers dressed 27 players, about half the number of most of their opponents.

The Panthers' success can be tied to their stout defense which didn't surrender a single touchdown in the championship game. These student athletes gave it their all and had the backing of the entire school district. They exemplified the best of Ohio small-town football.

I know what the title means to McComb, as my dad played for McComb in the late 1930s. It is great to see the fans rally around these players.

Once again, congratulations to Coach Kris Alge and the rest of the McComb High School football team on a job well done.

RECOGNIZING SPECIAL OLYMPICS HAWAII

(Ms. GABBARD asked and was given permission to address the House for 1 minute.)

Ms. GABBARD. Mr. Speaker, today I am rising to recognize Special Olympics Hawaii celebrating 50 years of service to our community. Since its founding in 1968, Special Olympics has changed lives and served as an indispensable source of strength and empowerment for so many people.

Across our State today, it is serving 4,700 participants with the support of

nearly 12,000 coaches and volunteers delivering 10 Olympic-type sports and more than 50 competitions throughout the year.

They have taken on issues like inactivity, injustice, intolerance, and social isolation by encouraging and empowering people with intellectual disabilities. They have had an impact on our entire community and our State. They are combating negative stereotypes, bringing joy and a sense of achievement and creating a culture of respect and inclusion.

Mahalo to Special Olympics Hawaii and congratulations on reaching this 50th anniversary year.

A TRIBUTE TO SCOTTY BYRNE

(Mr. BYRNE asked and was given permission to address the House for 1 minute.)

Mr. BYRNE. Mr. Speaker, I rise today to honor the legacy of longtime Brewton, Alabama, resident and my cousin, G.S. "Scotty" Byrne Jr., who passed away on November 18 at the age of 92.

Scotty was a veteran of World War II having served in the 351st Infantry Division under General Mark Clark and later went on to serve as sheriff of Escambia County for 24 years.

In college at the University of Southern Mississippi, Scotty was a premier two-sport athlete excelling in both baseball and golf. He was the first athlete to be inducted into the USM Sports Hall of Fame for two sports. Throughout his life, he was one of the most able golfers in our part of the State.

During his tenure as sheriff, he was a vocal supporter of the Alabama Sheriff's Boys Ranch, providing resources for children in need throughout our State. Without a doubt, Scotty was one of the most memorable citizens in Escambia County's long history.

So on behalf of Alabama's First Congressional District, I want to share our condolences with Scotty's family. He will be sorely missed.

2018 FARM BILL

(Ms. ADAMS asked and was given permission to address the House for 1 minute.)

Ms. ADAMS. Mr. Speaker, after months of negotiation and conference, I am proud to come to the floor today to say the 2018 farm bill is now a strong, bipartisan bill which works for families, farmers, and communities.

The bill now avoids disastrous cuts to SNAP, a program which helps put food on the table for 44,000 people in Mecklenburg County alone. It also provides \$10 million in funding for urban agriculture research and mandatory funding for programs that support local food systems.

As co-founder and co-chair of the bipartisan HBCU Caucus, I am particularly proud to have helped secure key resources for 1890 land-grant univer-

sities in the bill. It authorizes \$50 million to create three centers of excellence at 1890s and ensures equity between land-grants by removing provisions that strip away unspent extension funds for 1890s, and it mandates a report that outlines research and extension funds for all land-grant schools.

I thank my colleagues on the conference committee, and I urge all of my colleagues to support the bill when it comes to the floor.

HONORING THE LIFE OF JACK MACKENZIE

(Mr. LAHOOD asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LAHOOD. Mr. Speaker, today, I rise to honor the life of Quincy University soccer coach Jack Mackenzie of Quincy, Illinois.

Hired in 1969, Jack built Quincy University into a college soccer dynasty, guiding his program at all levels of college soccer, from the NAIA division through the NCAA's division II status, and even excelling at the NCAA's division I level.

For 43 years, Jack was at the helm of the Quincy soccer program. He was a pioneer and a legend, leading the team to nine national championships between 1970 and 1982, and amassing 516 victories, putting him 10th on the all-time wins list across all NCAA division levels.

Upon retirement in 2012, Jack remained involved in the Quincy University community and could still be found in the stands at every home game the Hawks played.

As the Quincy University community continues to mourn the loss of Coach Jack Mackenzie, may we never forget the positive impact he had on so many lives, the sport of soccer, and his tireless spirit in pursuit of excellence.

MOMENT OF SILENCE HONORING THE LIFE OF DON KRZYSIAK

(Mr. KILDEE asked and was given permission to address the House for 1 minute.)

Mr. KILDEE. Mr. Speaker, today, I rise to honor the life of Don Krzysiak.

Don and his family are longtime members of the Bay City community. Sadly, he passed away on Friday, after a battle with pancreatic cancer. He is survived by his wife, Lois, and their children, Tom, Donnie, and Melanie.

Don founded Krzysiak's House Restaurant in 1979, with just a handful of employees, and grew it into the successful Bay City business that it is today. In fact, the very first event after I announced I was running for Congress was at Krzysiak's. He welcomed me with open arms and made me feel welcome in the neighborhood.

I remember always buying paczkis from Don on Fat Tuesday. Every year,
