HONORING THE CAREER OF JERRY O'BANION

HON. JIM COSTA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 19, 2018

Mr. COSTA. Mr. Speaker, I rise today to honor the career of Merced County Supervisor Jerry O'Banion. On December 18, 2018, Mr. O'Banion retired from the Merced County Board of Supervisors after 28 incredible years of service.

Mr. O'Banion was born and raised in Dos Palos, California on the westside of Merced County. Having grown up seeing his father, Emory O'Banion, serve as a county supervisor for the westside communities, Mr. O'Banion saw the importance of public service early on. In 1964, he graduated from Dos Palos High School and continued his education at Fresno State, where he earned a BA in General Sciences and an Agricultural Education Credential in 1969.

After serving 6 years in the National Guard and as a 4-H youth advisor in Fresno County from 1969 to 1973, Mr. O'Banion returned to Merced County where he would soon begin his distinguished career of public service.

Mr. O'Banion was elected to the Dos Palos City Council in 1980 and served in that role until being elected as the city's mayor in 1987. Three years later, he was elected to the Merced County Board of Supervisors to represent the county's westside communities of Dos Palos, Los Banos, and Santa Nella. During his time on the Board of Supervisors, Mr. O'Banion has served as chairman numerous times, including this year of his retirement.

Mr. O'Banion's 28-year tenure on the Merced County Board of Supervisors makes him the second-longest serving county supervisor in the State of California. In each of the offices Mr. O'Banion has held, he has had the honor to represent the places where he grew up. At the same time, he has also raised an amazing family in those communities.

Together, Mr. O'Banion and his wife of 50 years, Dollie, have three children and eight grandchildren, all of whom have always been supportive of his service to the community and helped to carry on the proud legacy of the O'Banion family.

In retirement, I am sure Mr. O'Banion will continue to exhibit the same level of unwavering leadership and commitment present throughout his career as he continues to serve the various local organizations he's involved with and his family's business, O'Banion Ranches, Diversified Farming.

Mr. Speaker, I urge my colleagues to join me in honoring the exemplary career of a Merced County Supervisor Jerry O'Banion. It is both fitting and appropriate that we honor a man who has spent a lifetime advocating for Merced County's westside. I wish him and his family the best as he retires from a highly accomplished career in public service.

IN RECOGNITION OF SUE DIGRE

HON. JACKIE SPEIER

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 19, 2018

Ms. SPEIER. Mr. Speaker, I rise to honor Sue Digre for her 16 outstanding years of service on the Pacifica City Council, three times as mayor. Sue's compassion for others and her love of community have shaped her public service and dedication to keep Pacifica a livable and lovable town on the edge of the Pacific Ocean. It is her firm belief that Pacifica's environment with stunning ocean views, coastal hills, and family-friendly neighborhoods is its most valuable asset.

Sue deserves much credit for the current upgrades and repaving of Highway 1 by Caltrans. This ambitious project will renew ten miles of Highway 1 from Gray Whale Cove to the Highway 1/280 interchange, the first time in over 20 years that the main road through Pacifica will be repaved end-to-end instead of in sections. The finished project will be hugely beneficial to the 250th Commemoration of the Ohlone-Portola Heritage Trail in 2019, an event Sue has lobbied for since 2014.

Sue was also instrumental in helping the Pacifica Historical Society turn the Little Brown Church into a beautiful coastal museum and event space. The Manor Beach Park, brainchild of the late Councilman Jim Vreeland, was completed in part due to Sue's efforts.

A tireless advocate for our youth, Sue feels it is important that they be given an oppor-

tunity to speak for themselves. She helped create the Youth Advisory Board in 2011, and a representative of the board now has a seat on the Parks, Beaches and Recreation Commission. She supported TRUST, Teens are Unbelievably Strong Together, in their work surveying transportation needs for youth and seniors which temporarily led to shuttles in Pacifica.

Sue understands that small businesses are the lifeblood of her town and has consistently listened to their owners' needs. She also spearheaded Pacifica's membership in the San Mateo County/Silicon Valley Visitors Bureau which brings the town attention from visitors throughout the region.

While Pacifica's geography makes it one of the most spectacular communities in San Mateo County, it also makes it vulnerable to sea level rise and coastal erosion. In 2016, fierce El Nino storms pounded the coast and damaged the seawall. Sue, along with the entire council and city staff, reached out to the City of San Francisco, the State of California and the federal government for assistance. To this day, my office is deeply involved in finding solutions to these ongoing challenges.

My office has also worked closely with Sue and the council to reduce the relentless airplane noise that has been plaguing Pacifica neighborhoods for years. Sue has been a fierce advocate for Pacificans on the disastrous health impacts of airplane noise that the FAA must address.

Susan Anne Lockard was born in Youngstown, Ohio and, as a Navy child, attended schools all across the country and world, from Ohio to North Carolina to Hawaii to Japan to Illinois to California. She earned her B.A. in Biology with a minor in Philosophy and a California State Life Credential from the Women's College of Notre Dame in Belmont. She started teaching general education classes throughout California for the Sisters of Notre Dame de Namur in 1960. In 1968 she moved to Burlingame and taught at Mercy elementary and high schools until 1999.

In 1977, she married Erick L. Digre. They have four children, Colleen, Sean, Michael and Scott. Sean and Michael serve in the military and were deployed after 9/11. Sue reached out to other mothers through the local paper, the Pacifica Tribune, to co-found the Pacifica Military Moms. This effort led to its incorporation as the San Mateo County Blue Star Moms.

Since 1999, Sue has served as the Family Support Services and Advocacy Department Director for PARCA, Partners and Advocates for Remarkable Children and Adults. She has also volunteered for numerous organizations including the Burlingame Civic Action Forum, the Pacifica Open Space Committee, and the Sierra Club. As is obvious from this list, Sue is deeply dedicated to serving her community and supporting those in need.

Mr. Speaker, I ask the House of Representatives to rise with me to honor a great community leader and personal friend, Sue Digre. We hail her contributions to Pacifica residents and visitors that will remain long after she retires from the city council. It's been my privilege to work with her for many years and I have no doubt that she will continue her civic engagement in her beloved home town.

INTRODUCTION OF THE LOW-WAGE FEDERAL CONTRACTOR EM- PLOYEE BACK PAY ACT

HON. ELEANOR HOLMES NORTON

OF THE DISTRICT OF COLUMBIA
IN THE HOUSE OF REPRESENTATIVES
Wednesday, December 19, 2018

Ms. NORTON. Mr. Speaker, today, I introduce the Low-Wage Federal Contractor Employee Back Pay Act to grant back pay to federally contracted retail, food, custodial and security service workers who are furloughed during a federal government shutdown this fiscal year (fiscal year 2019). This bill applies to all three branches of the federal government. After the 2013 government shutdown, federal workers received back pay, but not federal contract workers. While I believe that all federal employees and federal contract workers should receive back pay after a shutdown, we know that we cannot get Congress to make whole all who are hurt by a shutdown. My bill focuses specifically on low-wage federal contract workers, some of whom work here on the Capitol grounds providing Members of Congress and congressional staff with daily services, because these are the workers most likely to be irretrievably hurt by lost wages during a shutdown.

Many federal contract workers earn little more than the minimum wage and receive few, if any, benefits. While some are unionized with a little better wage, all are the lowest-paid workers in the federal government and should not be penalized because Congress has failed to do its job to keep the government functioning. Congress, historically, has provided back pay to federal employees, who often work in the same buildings as these low-wage contract workers, furloughed during government shutdowns—but not to low-wage contract workers. However, both groups of workers deserve to be made whole after shutdowns. I recognize, of course, that contract workers are employees of contractors, but the distinction between federal workers and, at least, the lowest-paid contract workers, who, for example, keep buildings clean, fails when it comes to a deliberate government shutdown. Unlike many other contractors, those who employ low-wage service workers have little latitude to help make up for lost wages. Low-wage, federally contracted service workers can least afford the loss of pay during a shutdown and should not have to go without pay while everyone else in their federal buildings likely receives back pay.

The nation's capital is the high-profile home of the federal government's complicity with contractors who pay low wages through leases and contracts with federal agencies. At least this legislation would provide some parity to their low-wage federal contract workers.

I strongly urge my colleagues to support the legislation.

IN RECOGNITION OF MR. ANDREW
FITZGERALD

HON. WILLIAM R. KEATING

OF MASSACHUSETTS
IN THE HOUSE OF REPRESENTATIVES
Wednesday, December 19, 2018

Mr. KEATING. Mr. Speaker, I rise today in recognition of the life of Mr. Andrew Fitzgerald

of the United States Coast Guard, a hero and beloved member of the community who passed away at the age of eighty-seven.

Andrew Fitzgerald, a true American hero, lived an exemplary life of service, demonstrating a true commitment to our nation and our community. Born in Whitinsville, Massachusetts on March 19, 1931, he was always motivated to better his community. As a young man he joined the United States Coast Guard. He would then go on to be a part of the greatest small boat rescue in Coast Guard history and receive the Gold Lifesaving Medal.

On February 18, 1952, Mr. Fitzgerald and the crewmen aboard CG-36500 responded to two large oil tankers in distress, the *Fort Mercer* and the *Pendleton*. They showed exemplary skill as they navigated through high winds, lightning, and monstrous seas. While on their way to the *Pendleton*, the severe thrashing of the waves caused their engine to stall. Mr. Fitzgerald demonstrated extreme heroism as he crawled into their engine compartment to restart it every time, so they could continue on their mission. Once they arrived at the *Pendleton*, one by one, they took 32 survivors off the pitching stern and brought them safely to Chatham Harbor.

Following his service in the Coast Guard, Mr. Fitzgerald went on to have a successful business career in Colorado. He married Gloria Frabotta in 1956, and together they had a daughter, Dawn and a son, Michael. Mr. Fitzgerald dedicated his life to caring for his loved ones, including volunteering at his local church. He was always ready to lend a helping hand to anyone who crossed his path.

Mr. Speaker, I am proud to honor the life of Andrew Fitzgerald. I ask that my colleagues join me in remembering his courageous actions, and those of his crewmen, that saved so many lives.

HONORING THE 100TH ANNIVERSARY OF THE SIGNING OF THE MIGRATORY BIRD TREATY ACT

HON. BRIAN K. FITZPATRICK

OF PENNSYLVANIA
IN THE HOUSE OF REPRESENTATIVES
Wednesday, December 19, 2018

Mr. FITZPATRICK. Mr. Speaker, this year marks the 100th anniversary of the signing of the Migratory Bird Treaty Act. This landmark law has protected cherished birds throughout North America while unifying environmentalists, hunters, and scientists for generations.

In New Hope, Pennsylvania, supporters of environmental preservation are gathering at the Bucks County Audubon Society at Honey Hollow on December 19, 2018, to celebrate the "Year of the Bird" in honor of the centennial celebration of the Migratory Bird Treaty Act.

It gives me immense pride to stand with them and their commitment to environmental stewardship for all animal species. As we celebrate the "Year of the Bird," let us remember the joy and beauty nature provides us, and strive for unifying goals of which the Migratory Bird Treaty Act is a prime model.
