

It is vital to ensure that our libraries and museums have the necessary resources to modernize their services and continue to solidify their role as technological hubs of our communities and as access points in our communities throughout this country.

Libraries and museums ensure access to information for millions of adults and children across this country, and I am thrilled that we have the opportunity to promote their growth, expand their services, and safeguard these critical institutions for generations to come.

I am proud to have introduced this legislation with Congressman HURD from Texas who introduced the companion legislation in the House and fully support the passage of S. 3530, and I reserve the balance of my time.

Mr. BANKS of Indiana. Mr. Speaker, I yield such time as she may consume to the gentlewoman from North Carolina (Ms. FOXX).

Ms. FOXX. Mr. Speaker, I thank the gentleman for yielding, and I thank everyone who has worked hard on this legislation.

S. 3530, the Museum and Library Services Act of 2018, is an excellent opportunity to honor the place of libraries in our diverse communities.

As a girl growing up in the mountains of North Carolina, libraries were vital to my own education, and that was the case for everyone in my community. Almost 19 years into the 21st century, libraries continue to provide lifelines to lifelong learners all across this great country. They are as vital as ever.

We in the House are happy to do our part in ensuring these local institutions continue to play the important role they do in educating Americans of every age and communities of every size.

Mr. Speaker, I thank my colleague from Indiana for his role in this.

Mr. GRIJALVA. Mr. Speaker, I urge adoption of the legislation, and I yield back the balance of my time.

Mr. BANKS of Indiana. Mr. Speaker, I yield myself the balance of my time.

Mr. Speaker, this bill is common-sense reauthorization legislation. I urge my colleagues to support S. 3530 and affirm the important role that libraries and museums play in our communities.

I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Indiana (Mr. BANKS) that the House suspend the rules and pass the bill, S. 3530.

The question was taken.

The SPEAKER pro tempore. In the opinion of the Chair, two-thirds being in the affirmative, the ayes have it.

Mr. BANKS of Indiana. Mr. Speaker, I object to the vote on the ground that a quorum is not present and make the point of order that a quorum is not present.

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, further pro-

ceedings on this question will be postponed.

The point of no quorum is considered withdrawn.
