

has served as general counsel of the Committee.

As deputy chief counsel, Karen led several major Committee investigations, including investigations into the Department of Energy's management of the Loan Guarantee Program, including a failed loan guarantee to Solyndra; the stimulus bill, American Recovery and Reinvestment Act; cyber security and critical infrastructure, including an investigation of Huawei Technologies; and the Federal Communications Commission's handling of a license application from LightSquared.

As chief counsel, she led the Committee's investigations into General Motors ignition switch safety failures; the implementation of the Patient Protection and Affordable Care Act, including the failure of HealthCare.gov; the fungal meningitis outbreak due to contaminated drugs; mental health care and treatment, including federal programs related mental health and serious mental illness; the opioid addiction epidemic; and the Environmental Protection Agency's consideration of carbon capture technologies in developing greenhouse gas emissions standards for new power plants.

And as general counsel, Karen has been responsible for overseeing and managing the legislative process for the entire Committee—that includes a 27-hour, marathon markup in March 2017 and regularly battling to preserve the Committee's jurisdiction.

By every measure, Karen's time at the Committee has been a complete success. While we are sad to lose our friend, we look forward to seeing her next accomplishments.

Karen, we wish you and your family—Dave, Christian, Andrew, and Charlotte the very best. We thank you for your service, your hard work, your guidance, and most of all your friendship. Your work made a difference . . . America is better because of your efforts.

Thank you and remember—at Energy and Commerce, the fun never stops.

Mr. TONKO. Mr. Speaker, to Karen, from this side of the aisle, I wish her well, too. It was enjoyable working with her, and I look forward to working with the Members of the other side of the aisle in the 116th Congress on this issue and others.

Mr. Speaker, we have no further speakers, so I will close saying that I am concerned about the loosely defined language in this bill. I am concerned about the attacks on the Clean Air Act that are so important to all Americans.

Mr. Speaker, I yield back the balance of my time.

Mr. SHIMKUS. Mr. Speaker, I will just continue to respond to what the chairman said.

I think if we are going to err, we ought to err on the health and safety of Alaskans. I hope my colleagues will join us. I look forward to working with them in the next Congress?

Mr. Speaker, I yield back the balance of my time.

Ms. MCCOLLUM. Mr. Speaker, I rise in opposition to S. 1934, a bill that would roll back standards under the Clean Air Act (CAA) for diesel generating units in "remote areas" of Alaska. I understand the motivation behind this bill, but it could set a precedent for weakening existing New Source Performance Standards for diesel generators not just in Alaska, but across the United States.

I am committed to finding ways to help Alaskans in remote areas have affordable electricity while maintain health protections. Congress should tackle this issue with an open debate through regular order.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Illinois (Mr. SHIMKUS) that the House suspend the rules and pass the bill, S. 1934.

The question was taken.

The SPEAKER pro tempore. In the opinion of the Chair, two-thirds being in the affirmative, the ayes have it.

Mr. TONKO. Mr. Speaker, on that, I demand the yeas and nays.

The yeas and nays were ordered.

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, further proceedings on this motion will be postponed.

#### GENERAL LEAVE

Mr. MCCLINTOCK. Mr. Speaker, I ask unanimous consent that all Members have 5 legislative days to revise and extend their remarks and include extraneous materials on the bill under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from California?

There was no objection.

Mr. MCCLINTOCK. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, S. 3456 would rename the Hobe Sound National Wildlife Refuge, located in southeast Florida, after Nathaniel P. Reed, who passed away on July 11, 2018, at the age of 84.

Nathaniel P. Reed was a prominent conservationist who served as an As-

sistant Secretary of the Interior from 1971 to 1977 and later returned to Florida to form an advocacy group to help preserve and restore the Everglades. He also joined forces with former Senator Bob Graham to launch the Florida Conservation Coalition.

Renaming the Hobe Sound National Wildlife Refuge, which is located near his home in Florida, in honor of Nathaniel P. Reed is a tribute to his legacy of conservation and public land stewardship.

Mr. Speaker, I urge adoption of the measure, and I reserve the balance of my time.

Mr. GRIJALVA. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, this bill redesignates the Hobe Sound National Wildlife Refuge in southern Florida as Nathaniel P. Reed Hobe Sound National Wildlife Refuge.

We concur with the gentleman, the majority, Mr. MCCLINTOCK, on this issue. I ask all Members to please vote in favor of the resolution. It is a fitting tribute to a former Interior Department official who helped develop the Endangered Species Act and the Clean Water Act. It is a fitting tribute, and I urge its passage.

Mr. Speaker, I yield back the balance of my time.
