

former member of my staff, Ian Jannetta, who is leaving Capitol Hill after 8 years of service. Having worked for his home State Senator CASEY of Pennsylvania, on the Joint Economic Committee, as part of my team in both the U.S. House of Representatives and the U.S. Senate, and finally with Senator HEITKAMP of North Dakota, Ian has many friends on Capitol Hill and will be missed.

During his time in my office, Ian never hesitated to roll up his sleeves and get the job done. He worked tirelessly on issues ranging from providing equal rights for all people, protecting our environment and the Chesapeake Bay, to building an economy that works for all Americans. His strong communications skills, coupled with his kindness, calm presence, and sense of humor, served my team and the people of Maryland well for over 4 years.

As Ian tackles his next project at the Washington Metropolitan Area Transit Authority, he continues his commitment to public service, a proud tradition set by his mother Heather and his father David, who both started their careers in the U.S. Air Force and continued their service in State government. I know he will make a tremendous impact. I join his many colleagues, friends, and family to wish him well, and I look forward to hearing about the extraordinary work he does next.

REMEMBERING BOB DELLWO

• Mr. DAINES. Madam President, today I have the honor of recognizing Bob Dellwo of Choteau, MT, for his over 94 years of service to his community, country, and family.

Bob was born in Conrad on August 1, 1924. After his family moved to Choteau, Bob grew up and attended Teton High School, where he was a member of the football team. From 1942-1946, Bob volunteered to serve in WWII. While serving in the Navy, most of his time was spent as a radio man on a dive bomber, where he twice earned the Distinguished Flying Cross.

In January of 1946, Bob married his sweetheart Helen. The two were married for over 55 years. Together, they had four children they raised in Choteau and Helena. As owners of various small businesses throughout the years, they were well known and active in their communities.

Bob took immense pride in his 22 grandchildren and great-grandchildren and rightfully so. In fact, his granddaughter Liz holds a special spot in the DAINES office, having worked on Team DAINES for many years. A kind and lighthearted spirit, Bob enjoyed being with his family more than anything, and that is how he chose to spend his time.

Bob leaves behind a legacy of friendship, family, faith, and community. His

dedication and service to others throughout his life will have a lasting impact for generations to come. I join his family, friends, and community in mourning his death, but we take comfort in knowing he is in a better place now with the love of his life, Helen.●

TRIBUTE TO THE USS MONTANA COMMITTEE

• Mr. DAINES. Madam, today, I wish to honor the men and women of the USS Montana Committee and their notable contributions to our State and our Nation in 2018.

The USS Montana Committee is a group of volunteers from Montana who have dedicated themselves to promoting awareness and fostering support for the future commissioning of the USS *Montana* and all those who will sail aboard her in defense of our Nation. A Virginia Class nuclear fast-attack submarine, the USS *Montana* will protect carrier and expeditionary strike groups, hunt and destroy enemy ships, and conduct strategic national security missions around the globe. We wait with great anticipation as her 2020 commissioning quickly approaches.

Montana has a proud heritage of military service. Some 3,500 Active-Duty servicemembers currently serve at Malmstrom Air Force Base in Great Falls, and another 4,500 citizen-soldiers serve in the National Guard and Reserve at various locations across the State. Montana also proudly boasts the highest percentage of veterans per capita in the contiguous United States. Beyond the borders of our landlocked home, more than 2,200 U.S. Navy sailors currently call Montana home, adding 134 new Montanans to their ranks in the past 12 months.

Once she is commissioned, the USS *Montana* will be the second U.S. Navy warship to bear our State's namesake. The first, an armored cruiser, AC 13, was commissioned 1908 and served with distinction in World War I. In fact, her keel was laid 112 years ago this week on December 15, 1906. The bell from that ship is currently on display in the lobby of the University of Montana's Adams Center. It has a legacy of its own, playing a prominent role in one of the oldest college football rivalries in the nation.

2018 has proven to be a banner year for the USS *Montana*, her crew, and her network of volunteers in Montana. In May, we celebrated the laying of her keel, a proud naval tradition and one of the most significant milestones in the ship's construction prior to delivery. The celebration incorporated a number of Montana themes and traditions, including a Native Blackfeet blessing by Mariah Gladstone of Kalispell. We were also introduced to her command leadership team: commanding officer, CDR Michael Delaney; executive officer, LCDR Jeffrey Kahn; and chief of the boat, SCPO Michael Dassau. We even got a look at the ship's preliminary emblem, which incorporates strong

symbolism of the State, the submarine force, and the naval service. The ship also enjoyed prominent recognition on the cover of the 2018 Montana Voter Information Pamphlet distributed statewide in preparation for the midterm elections.

The USS Montana Committee was proudly represented and facilitated these key events by raising awareness and funding across the state. Over the course of the year, the committee held events in Butte, Missoula, Helena, Columbia Falls, Kalispell, Billings, Colstrip, Lewistown, Miles City, Sidney, Great Falls, and Glasgow. In September, the committee facilitated a statewide tour with the commanding officer, with stops in Billings, Helena, Great Falls, and Missoula. These efforts have made great strides in fostering a strong and enduring relationship between the State of Montana and the U.S. Navy.

In recognition of these and other notable accomplishments, I ask that the following names who have volunteered for the USS Montana Committee be entered into the RECORD.

The Founding Members and other voting members of the Steering Group: Craig Anderson of Billings, Duane Ankney of Colstrip, Doug Averill of Bigfork, Leo Berry of Helena, Mike Halligan of Missoula, Bill Leininger of Bigfork, Brian Lipscomb of Polson, Greg MacDonald of Billings, Marilyn Olson of Lewistown, Sarah Swanson Partridge of Glasgow, Curtis Pohl of Butte, Gary Purdy of Columbia Falls, Marisa Robertson of Havre, Bonnie Simon of Plentywood, Steven Stahlberg of Kalispell, Monty Wallis of Billings, Bill Whitsitt of Bigfork, and Darren Wilkins of Bozeman.
