submitted the following

R E P O R T

[To accompany H. Res. 548]

The Committee on Rules, having had under consideration House Resolution 548, by a record vote of 8 to 4, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for consideration of H.R. 36, the Pain-Capable Unborn Child Protection Act, under a closed rule. The resolution provides one hour of debate equally divided and controlled by the chair and ranking minority member of the Committee on the Judiciary. The resolution waives all points of order against consideration of the bill. The resolution provides that the bill shall be considered as read. The resolution waives all points of order against provisions in the bill. The resolution provides one motion to recommit.

EXPLANATION OF WAIVERS

The waiver of all points of order against consideration of the bill includes a waiver of the following:

- Section 302(f) of the Congressional Budget Act, which prohibits consideration of legislation providing new budget authority in excess of a committee's 302(a) allocation of such authority;
 - Section 303 of the Congressional Budget Act, which prohibits consideration of legislation providing new budget authority for a fiscal year until the budget resolution for that year has been agreed to; and

- Clause 10 of rule XXI, which prohibits consideration of a bill if it has the net effect of increasing mandatory spending over the five or ten-year period.

Although the resolution waives all points of order against provisions in the bill, the Committee is not aware of any points of order. The waiver is prophylactic in nature.
