Amend the title so as to read:

A bill to amend title 38, United States Code, to authorize the Secretary of Veterans Affairs to provide certain burial benefits for spouses and children of veterans who are buried in tribal cemeteries, and for other purposes.

PURPOSE AND SUMMARY

H.R. 3657, as amended, would authorize the Department of Veterans Affairs (VA) to provide VA headstones and markers to eligible spouses and dependents who are interred in tribal veterans cemeteries.

BACKGROUND AND NEED FOR LEGISLATION

Under current law, government furnished headstones are only available to spouses and dependents buried in national and state veterans cemeteries, but not tribal cemeteries. This bill would extend the eligibility for a VA headstone or marker to eligible spouses and dependents interred or memorialized at tribal veterans cemeteries.

According to VA and DOD, there are over 150,000 American Indian and Alaska Native veterans (AIAN) and over 30,000 AIAN servicemembers in the United States Armed Forces. This bill would allow eligible AIAN veterans’ family members to receive the same benefits provided to family members interred in national and state veterans cemeteries.

During the September 13, 2017 Subcommittee on Disability Assistance and Memorial Affairs legislative hearing, representatives from The American Legion, the Paralyzed Veterans of America, the Tragedy Assistance Program for Survivors, and the Veterans of Foreign Wars of the United States, testified in favor of H.R. 3657.

Additionally, VA testified in support of H.R. 3657, but also recommended that the bill be amended to authorize VA to provide headstones or markers for family members whose remains are unavailable and who are memorialized in tribal cemeteries.

CONGRESSIONAL BUDGET OFFICE COST ESTIMATE

Pursuant to clause 3(c)(3) of rule XIII of the Rules of the House of Representatives, the following is the cost estimate for H.R. 3657, as amended, provided by the Congressional Budget Office pursuant to section 402 of the Congressional Budget Act of 1974:

U.S. CONGRESS,
CONGRESSIONAL BUDGET OFFICE,
Washington, DC, October 19, 2017.

Hon. PHIL ROE, M.D.,
*Chairman, Committee on Veterans' Affairs,
House of Representatives, Washington, DC.*

DEAR MR. CHAIRMAN: The Congressional Budget Office has prepared the enclosed cost estimate for H.R. 3657, a bill to amend title 38, United States Code, to authorize the Secretary of Veterans Affairs to provide certain burial benefits for spouses and children of veterans who are buried in tribal cemeteries, and for other purposes.

If you wish further details on this estimate, we will be pleased to provide them. The CBO staff contact is Matt Schmit.

Sincerely,

KEITH HALL,
Director.

Enclosure.

H.R. 3657—A bill to amend title 38, United States Code, to authorize the Secretary of Veterans Affairs to provide certain burial benefits for spouses and children of veterans who are buried in tribal cemeteries, and for other purposes

H.R. 3657 would authorize the Department of Veterans Affairs (VA) to provide a headstone upon request for the graves of spouses, surviving spouses, and dependent children of veterans who are interred in a tribal veterans' cemetery. Currently, that benefit is extended only to those same beneficiaries who are interred in national cemeteries or state veterans' cemeteries.

Because burial benefits are paid from mandatory appropriations, enacting H.R. 3657 would increase direct spending; therefore, pay-as-you-go procedures apply. However, CBO estimates that those increases would be insignificant for each year and would total less than \$500,000 over the 2018–2027 period. Based on data from VA, CBO estimates that fewer than 10 additional headstones would be provided by VA each year under H.R. 3657, at an average cost of about \$200 per headstone. Enacting H.R. 3657 would not affect revenues.

CBO estimates that enacting H.R. 3657 would not significantly increase net direct spending or on-budget deficits in any of the four consecutive 10-year periods beginning in 2028.

H.R. 3657 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act.

The CBO staff contact for this estimate is Matt Schmit. The estimate was approved by H. Samuel Papenfuss, Deputy Assistant Director for Budget Analysis.

FEDERAL MANDATES STATEMENT

The Committee adopts as its own the estimate of Federal mandates regarding H.R. 3657, as amended, prepared by the Director of the Congressional Budget Office pursuant to section 423 of the Unfunded Mandates Reform Act.

ADVISORY COMMITTEE STATEMENT

No advisory committees within the meaning of section 5(b) of the Federal Advisory Committee Act would be created by H.R. 3657, as amended.

CONSTITUTIONAL AUTHORITY STATEMENT

Pursuant to Article I, section 8 of the United States Constitution, H.R. 3657, as amended, is authorized by Congress' power to "provide for the common Defense and general Welfare of the United States."

APPLICABILITY TO LEGISLATIVE BRANCH

The Committee finds that H.R. 3657, as amended, does not relate to the terms and conditions of employment or access to public services or accommodations within the meaning of section 102(b)(3) of the Congressional Accountability Act.

STATEMENT ON DUPLICATION OF FEDERAL PROGRAMS

Pursuant to clause 3(c)(5) of rule XIII of the Rules of the House of Representatives, the Committee finds that no provision of H.R. 3657, as amended, establishes or reauthorizes a program of the Federal Government known to be duplicative of another Federal program, a program that was included in any report from the Government Accountability Office to Congress pursuant to section 21 of Public Law 111-139, or a program related to a program identified in the most recent Catalog of Federal Domestic Assistance.

DISCLOSURE OF DIRECTED RULEMAKING

Pursuant to section 3(i) of H. Res. 5, 115th Cong. (2017), the Committee estimates that H.R. 3657, as amended, contains no directed rule making that would require the Secretary to prescribe regulations.

SECTION-BY-SECTION ANALYSIS OF THE LEGISLATION

Sec. 1. Eligibility of spouses and children of veterans buried in tribal cemeteries for Department of Veterans Affairs headstones and markers

Section 1 would extend eligibility for a government furnished headstone or marker for a veteran's surviving spouse or dependent child who are interred in tribal cemeteries. Additionally, this section would authorize VA to provide headstones or markers for family members whose remains are unavailable, and who are memorialized in tribal cemeteries.

Such a headstone or marker may be furnished only if the individual making the request for the Government headstone or marker certifies to the Secretary that the headstone or marker will be placed on the grave for which the headstone or marker is requested, or, if placement on the grave is impossible or impracticable, as close as possible to the grave within the grounds of the cemetery in which the grave is located.

The Secretary of the Army may provide an outer burial receptacle for such a grave in the Arlington National Cemetery.
