SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for consideration of H.R. 1628, the American Health Care Act of 2017, under a closed rule. The resolution provides four hours of debate equally divided and controlled by the chair and ranking minority member of the Committee on the Budget or their respective designees. The resolution waives all points of order against consideration of the bill. The resolution provides that the amendment printed in part A of this report, modified by the amendment printed in part B of this report shall be considered as adopted. The resolution provides that the amendment printed in part C of this report, modified by the amendments printed in part D and part E of this report shall be considered as adopted. The resolution provides that the bill, as amended, shall be considered as read. The resolution waives all points of order against provisions in the bill, as amended. The resolution provides one motion to recommit with or without instructions.

EXPLANATION OF WAIVERS

The waiver of all points of order against consideration of the bill includes a waiver of the following:

- Clause 4 of rule XXI, which prohibits reporting a bill or joint resolution carrying an appropriation from a committee not having jurisdiction to report an appropriation;
- Clause 5(a) of rule XXI, which prohibits a bill or joint resolution carrying a tax or tariff measure from being reported by a committee not having jurisdiction to report tax or tariff measures; and
- Section 311 of the Congressional Budget Act, which prohibits consideration of legislation that would cause revenues to be less than the level of total revenues for the first fiscal year or for the total of that first fiscal year and the ensuing fiscal years for which allocations are provided.

Although the resolution waives all points of order against provisions in the bill, as amended, the Committee is not aware of any points of order. The waiver is prophylactic in nature.
